Chapter 1

Introduction – Why Now

The year is 2018 and I feel now is the time to get this book finished. I had started two years earlier, journaling, praying and listening to the Lord, but it wasn't until now that I felt I was ready, so here we go.

I hope this blesses you as much as it has blessed me to write it. I never really enjoyed writing, it was always tough for me in school and in later years. After finishing *The Resurrection of Jesus Christ* script in 2017 and experiencing the joy of its completion, I knew it was time to finish this book. It has always been strange to me that God gets us to do things that at first, we either don't want to do or don't like doing. I have heard many people say this and I am sure that some of you know exactly what I mean.

I have also found that it's God's love for us and His grace in our lives that gets us through these tough situations and we are better people for it in the end. I believe one learns the most from the tough times and often it's the mistakes that make one stronger. As the Lord knows, this has made me pretty strong as I have definitely made every mistake possible and had to learn the hard way many times. Unfortunately, this has cost me a few relationships and pushed some friendships to the extreme. However, the ones who have hung in there with me have become some of my closest and best friends.

As a dear friend (let's call her E) and I have discovered, when it comes to God's grace, some of us seem to have been given just a little bit more. Yes, of course it's God's grace that leads each one to Salvation, but what I am saying is a few get that extra special double or triple portion. I think of Mother Teresa, Billy Graham, and some of the Popes and Leaders who shined or stood out just a bit more than most.

I don't know. Was it more prayer on their knees and focusing of their love, or were they just forgiven of more and knew that extra grace was theirs? Of course, God gives the gifts, the Holy Spirit helps administrate and develop them.

God downloaded a plan to me to **unite the Church globally and evangelize eight billion people in an eight-hour vision in 2004.**

Yes, it's all about our work for Jesus, Our Savior, who came to build a bridge between a Holy God and sinful men and women. I have been given a lot of grace and favor and chances to get it right. I most certainly didn't deserve it, but I most certainly needed it.

GOD HAS A PLAN

God downloaded a plan to me to unite the Church globally and evangelize eight billion people in an eight-hour vision in 2004. To this day it still sounds a little crazy and I didn't understand most of it, because back then the internet wasn't doing what it does is now.

God's assignment was clear, but it will not be simple! We are commissioned to create an exceptional film that clearly portrays the Good News of Jesus Christ the God and Savior of the world. We are to portray His birth, life, death and in particular His resurrection.

Our assignment is to make these realities clear:

1. Jesus is God
2. Jesus is the only way to God
3. Both Heaven and Hell are real

In essence, the strategy is to distribute this exceptional film to the entire earth and to unite the church globally while doing so.

CATCHING UP TO GOD

Having gotten saved in 2002, I didn't know as a young Christian how un-unified the Church and the Denominations were. The amazing film, *Passion of the Christ*, produced through Mel Gibson's hard work and giftedness had not yet been released, so a film on Jesus, to me at that time, wasn't clear. I could go on. I think

you get the point. Despite our best intentions, it's always about God's perfect strategy and timing, not ours.

If I am completely honest, which is what I am trying to do, and that is not easy after thirty years of being in Hollywood with its selfishness and games and brain washing, just look at the agendas and content coming from there on any given day, telling the complete truth is not what Hollywood is about or what my training and experiences and even childhood experiences had taught me. So, it's been a journey of getting the bad and the lies out and getting the truth and the love in.

So, the truth is, I am playing a little catch up with God. It's always ideal to be in His hands or in His footsteps as He leads you along. I am a few steps behind on this, but with His help I will catch up quickly. I tend to get distracted with the good and not the great sometimes, but God and Mentors have been helping me with that. Like you, I am a work in progress and the journey has been a rough one so far. God never promised it would be easy, but He promised to be with me through it.

THE SERIOUSNESS OF THE TIMES

I feel like these end days are even worse than the days of Noah and the flood. The Messiah will need to return soon before we humans destroy the planet. I didn't have a manual to guide me on this journey.

Now of course I have the ***Bible*** also known as **Basic Information Before Leaving Earth** – I love that saying!

And of course, I have the Holy Spirit and many friends and mentors to help, but unite the Church globally and evangelize the world before the end days, who has ever done that before?

We've never been in a time like this. This is a unique calling. Now is the time for The Resurrection Project, for ***My*** journey and for ***Yours!***

Chapter 2

My Journey

THE MOST IMPORTANT ISSUES

Now let us address the most important issues. First, God is the God of everything. He created me, you and the Universe. Think about that for a second. He created the Universe, the world and you and I. Do you live your life with that revelation? I know for me it's been a struggle sometimes. I get caught up in just doing the same thing over and over, for example, praying the same prayers over and over.

I am not saying structure is wrong, my Lord knows I need structure. What I am saying is just stop and pray and meditate on the fact that He is God, Creator of all!! Angels, right now are worshiping Him, bowing down, praising Him in heaven. The four creatures, the twenty-four Elders (Revelation 4) are, right now, in heaven worshiping Him.

Second, what should we do? How should we live and make the most of our time? I know that I can get busy going to the local coffee shop, interacting on my phone putting deals together, stopping at the local fast food place for lunch, or wasting valuable time watching TV or searching the internet for the news of the day. I could be praying to the Lord, talking with Jesus, enjoying time with the Holy Spirit.

What are we doing? Even you reading my book is nice, but to be honest, I would rather you put it down and go spend time with Jesus.

The God who made you and who loves you wants you to hang out with Him right now, and so do I. If I or this book can be that catalyst, great! Please go hang out with God now! I am going to stop writing and do the same.

Okay, you are back and so am I. How was it? What did He tell you? What did He show you? Please share with me what you needed to know today. Write it down.

THE END DAYS

Now let's talk about something else that's very important and I will keep it simple and straight to the point. When do we get raptured? When Jesus returns? Well, when is that?

Is it at the end of days, the end of the tribulation, or at the end of the global war when the final confrontation begins?

Jesus will appear in the skies from Heaven as the conquering King of heaven and earth.

It is not pre-tribulation or post-tribulation, when the two witnesses appear. It is not at the gathering of the armies, or at the appearance of the anti-Christ, or during his so-called miracles. So, when does the Messiah return? When does Jesus appear?

AT THE VERY END!

Jesus will appear during the final confrontation of World War III, as the armies of the world descend upon the land of Israel. When that starts at the end of the tribulation, Jesus will appear in the skies from Heaven as the conquering King of Heaven and Earth.

So, what does that mean for you and I? Does it mean that we will be here for it all? **Yes!** No one gets a free pass, or gets to miss it, or gets to enter heaven early. Unless you die or you are martyred, you are going to be here for it all.

It is amazing to me how many ministries and groups of people think that believers are leaving early. That is not correct. It is not the truth. So, stop thinking and living your life like that. You should actually feel honored to be alive, as now is the greatest time in history for evangelism, ministry and getting work done for God. What a privilege! You and I get to be here. Out of all of the generations in your blood line, God chose you and I to be here now and to be able to participate. It's Amazing!! Thank you, Jesus!

If you are having a hard time with this fact, put this book down and go pray and ask Him for revelations on this. I will be here when you get back, GO!

What did He tell you? Do you get it now? Are you living your life for Him? Are you focused on Him? Are you being and doing all that you can be and do?

Remember, once you get to heaven, it's amazing, trouble-free with no more pain, no more suffering.

However, there are no more opportunities to share the Gospel with non-believers. To mentor someone through a difficult situation, to lay hands on the sick for healing, to feed the homeless, help the poor, care for the children of the world, or do any ministry at all. So, you best be doing or start doing these things now, during your time on earth.

BECOMING A DIFFERENCE MAKER

Now is your time, and my time, to make a difference. Are you? You and I owe Jesus everything. Are you out there for Him? I hope you are! I hope you are living a life worthy of Jesus and that you understand the seriousness of the times

you live in. My prayer for you, and for me, is that we do everything we can to love and help others, and that we finish well on planet earth. The time is now! I pray that you start today, that you spend more and more time with Jesus, and that you fear the Lord. (**Isaiah 11:2**)

ISAIAH 11:2 (AMPC)

And the Spirit of the Lord shall rest upon Him—the Spirit of wisdom and understanding, the Spirit of counsel and might, the Spirit of knowledge and of the reverential and obedient fear of the Lord.

Yes! Gain a clear understanding of this and tremble in your shoes! GOD, who created you and me and this planet, is watching you and me ***right now***.

Yes, He loves you so much, but I find most don't fear Him or understand that aspect of Him or the urgency of the times that we are in. Go meditate and pray on your love and respect for God.

TAKE ACTION

Let's talk about another thing that is so important to Jesus and to us in our lives – what we all need to do! Of course, we all should be praying and talking to God, but we should also be listening. This is why we have two ears and only one mouth. Listening is important. Most of us don't do that enough. If you are having problems with this, go somewhere quiet and ask God to help you learn to listen to, hear, and understand His voice.

Start to build good habits. You may decide to spend time with God at the same time each morning before you start your day, or at night as you end your day. Maybe you can take a break at lunch. Actually, my advice is, if you are not sure, do it all. You have to make an effort to create quietness and build the habit of spending time with God.

During your time, read the Bible. This is a must! Start small, say five minutes a day, and work your way up to half an hour or more. If you are a beginner, start with the New Testament. It is an easier read. Then, read the Old Testament. Like anything important, it will require time, commitment, and effort. Ask God to teach you and speak to you from His word, the Bible. Talk to Him about what you feel, need or want to understand and the Holy Spirit will lead you forward.

Also, we each need fellowship and relationships with like-minded believers. You need to be part of a church, a home fellowship, a Christian community. It has

amazed me over the years how many people will tell me, “I love God, but I don’t go to church. I am spiritual, but I don’t believe in organized religion”. Remember Jesus teaches us that we are all part of the Church, the Body of Christ!

LET THE TRUTH BE KNOWN

Let’s, once and for all, get to the truth. Yes, it’s great to love God, but you also have to have a relationship with Jesus Christ and the Holy Spirit, [if you want to make it to heaven](#). We are invited into a relationship with all three persons of the Holy Trinity – God the Father, God the Son and God the Holy Spirit.

If you want to grow as a believer, you have to read the Bible, have fellowship with God and with other believers, participate in and support the Church, and be a blessing to people. But do not worry about being alone, ***the Holy Spirit is with you always!***

**We are invited
into a relationship
with all three

Holy Trinity – God
the Father, God
the Son and God
the Holy Spirit.**

I would add that you need to be mentored and should be helping by mentoring others in the Lord. Anyone saying differently is not a follower of Christ.

HEBREWS 10:24-25 THE PASSION TRANSLATION (TPT)

²⁴ Discover creative ways to encourage others and to motivate them toward acts of compassion, doing beautiful works as expressions of love. ²⁵ This is not the time to pull away and neglect meeting together, as some have formed the habit of doing, because we need each other! In fact, we should come together even more frequently, eager to encourage and urge each other onward as we anticipate that day dawning.

The only way to heaven is to believe in and have a relationship with Jesus Christ. Once we understand why He went to the cross, died, and was resurrected for us, we must respond to Him and receive the gift of salvation and eternal life, and become His child! Anyone saying differently is a liar or a fool, don't listen to them!

HELP FOR YOUR SPIRITUAL JOURNEY

Also, I understand that many have been hurt by people, and that may include people from a Church or a Pastor or a Priest. I get that, but please remember those were simply humans. Staying hurt and offended is not God's will for you and your life on this earth. You need to work through this pain. You may need to get some help for your spiritual journey. God never said it would be easy on planet Earth, but He did promise to be with us through it all.

So, trust in Him and engage in the process of healing. Receive love. Give love as well. Love does conquer all! Time does not heal all wounds. God and His love do. God usually uses people in this process, so be open to that. Be wise and be discerning, but take the risk to receive help from other believers. It doesn't matter how many times you get knocked down, you just have to get up once more. ***I know!***

I have learned my biggest lessons during the tough times. It has helped me to grow in Christ-like character and compassion for others. I am trying my best to be

real with you, and share God's words.

**We all need to
do a better job
making the
best use of the
time we have
on earth.**

**I pray you
don't waste
your life!**

Personally, I am a sinner, and as it says in Scripture, we have all fallen short of the glory of God! Life is messy and we all need God's help. Accept that and listen. You have to have faith, to trust God, and take risks once in a while. You have to step out of your comfort zone, to pray and have faith. Go to that prayer meeting. Go feed the homeless. Get to church weekly and find God's calling for your life. Maybe be part of a worship team. Maybe get into full time

ministry and preach His word. Just do something! I don't know what God has called you to do, but I know He has called you, so go do it.

MAKE THE MOST OF YOUR TIME

Trust me, I know this for a fact, when we get to Heaven, we are going to have a few if any regrets. Regrets, that we didn't love more or do more or make more of an effort to help others. We will have missed things in relationships and opportunities with other people. We all need to do a better job making the best use of the time we have on earth. I pray you don't waste your life!

WHAT HEAVEN IS LIKE

In heaven we will be worshiping God, praising Him and we will be in full relationship with Him. We will also have relationships with people. You will recognize friends and loved ones from earth. Yes, we will continue to engage with others. Your spouse will not be a spouse in heaven, but you will still talk and do things with them.

We will even encounter those we have had challenges with, all who make it to Heaven by God's grace.

We will be in relationships with each other, the Angels, the Spiritual beings and Saints from the Old and New Testament. That's why it is so important to God that we love people. He knows what it is like up there and is trying to help us with the two most important commandments, love God and love people.

LOVE WELL NOW

Of course, the people part is not easy. I still, to this day, am trying to get better at the people part. Many times, I have used harsh words. I have not exercised enough love, patience or wisdom, but I am asking God for His help and trying to be better at it. It is very important to God, and so it should be to us. I believe, of all things we are called to do, this is hardest. I find for me, it is my own issues that cause me problems with others and myself, issues like personal sin, pride, a need to control and other unhealed areas in my life. I have learned to participate in daily self-examination, letting God in honestly, and being accountable to Him. Being open to working on me is important, and it should be for you as well. So, be open to working on yourself, healing and getting help from God and others. This is a major key on your journey of loving God and loving people, in order to finish well on earth and be ready for Heaven.

The key to understanding this book, and my journey, and yours is the Holy Spirit.

YOUR SPECIAL JOURNEY

We are on a special journey with our God, to know Him and understand who we are with and in Him. To acknowledge Jesus Christ, the Messiah, and to get the Holy Spirit in us. The Holy Spirit is the essence of Jesus Christ on earth. This is why He is called the Spirit of Christ, the Spirit of God. The Holy Spirit represents God on earth. When He talks with us, it is God and also Jesus talking with us. This

is how the Trinity works and how we need it to cooperate with God while on earth. Jesus ascended to Heaven and sent the Holy Spirit to us at Pentecost.

If you are reading this and you don't know God or Jesus yet, then pray the [redemption](#) prayer (found on pages 91 & 271) and receive Jesus into your life.

If you once believed but stopped believing in Him or trusting Him or if you want rededicate your life, then pray the [rededication](#) prayer (found on pages 92 & 273).

The Bible makes it very clear that it is hard to understand the ways of the Lord if you don't believe in Him or if you have a hardened heart. I understand that lack of faith, an unwillingness to believe God and His word, is the greatest sin of all.

I pray that you understand this now if you haven't before. I want you to stop reading this book for the moment and go pray. Invite God into or back into your life. This is the most important thing any of us can do so, please go do that now.

This book can wait and to be quite honest without God in your life it will be hard to follow any of this. It is impossible to keep Him as your God without that faith and relationship. I am also providing recommended [resource books and materials](#) to help you.

THE HOLY SPIRIT IS THE KEY

Okay, let's keep going, assuming we all love God, have received Jesus into our lives, we also need to be filled with the Holy Spirit. The key to understanding this book, and my journey, and yours is the Holy Spirit. He has been called our guide, our wisdom and our comforter. Really, He is all that and more, but I find most don't truly understand, so let me clarify this with the Holy Spirit's help.

First, we must understand that as a believer that the Holy Spirit is connected to our spirit. That Spirit came to Jesus when John baptised Jesus (Luke 3: 21-22). This was the start of Jesus's earthly ministry. God's spirit connected to Him and now Jesus is connected to you. Years and years, centuries and centuries of wisdom are now accessible to you and to me. You think your phone or computer or the internet or search engines have information? Well, know this, the greatest source of information and wisdom is God's Holy Spirit.

To have a great relationship with the Holy Spirit, you have to understand God's nature. He is a loving Father with a gentle Spirit. He is waiting for you to engage with and activate Him. So, let's ask Him right now,

**“Holy Spirit please come and engage with me, please talk with me,
help me and guide me in Jesus’s mighty name.”**

I believe the fruit of our journey on earth is directly impacted by our friendship and our relationship with the Holy Spirit. If you look at the fruit of the Apostle’s lives and Paul’s ministry, you will see a direct correlation to the creativity of the Holy Spirit and their awareness and relationship with Him to empower and guide them. From Pentecost, His grand entrance, to Paul’s encounter with Jesus on the road to Damascus, to all the other stories reported in the Bible, the Holy Spirit was consistently guiding believers or speaking to them and then empowering them. It is this supernatural working and power that we need today.

I am firmly convinced that any great ministry, healings or work done by God is completely the result of prayer and the action of the Holy Spirit. As the disciples impacted Jewish communities and Paul’s influence on ministry the Gentiles exploded, it was the Holy Spirit in them who made it all happen. For some reason, the majority of the church today has forgotten this or stopped teaching it. We all have to move beyond the superficial head knowledge of knowing or reading about God and actually have a relationship with Him in the Spirit, in the supernatural.

I am sure we all have stories about connecting deeply with a good friend. This is what is so special and what can happen with the Holy Spirit and you daily.

Just pray and ask for Him to fill and empower you. Trust me, He wants this even more than you do and is waiting for you now.

I listed some [great books](#) (found on page 268) to help you with this. I hope that I have made this easy to understand and grasp.

You need the Holy Spirit's help to succeed in all you do, the big or the small. You have a loving God who set this all up millenniums ago so, please, for your sake take advantage of what God is offering you.

**The Holy Spirit is
alive and well and
waiting to go on an
amazing journey
with you!**

The Holy Spirit is alive and well and waiting to go on an amazing journey with you! Yes, God and you, Jesus and you, the Trinity and you are on a journey together. How exciting is that? It has been for me! Let me share the journey so far.

MY AMAZING JOURNEY

Please forgive me if you are reading this and you know most of this already. I feel compelled to share it all because it is so important for me and my journey and I love Jesus so. I was such a stubborn fool that God had to come and knock me on the head to get my attention. He had to bring amazing people into my life to help me and He had to give me a project about Jesus Christ, with a corresponding

strategy and plan, a movie about Jesus and His life. This plan is intended to unite the Church globally and evangelize eight billion people. Because I have been so stubborn in life, I needed this assignment in order to stay focused on Him. I need the friendly reminders, the daily challenge and His help, since the world is constantly trying to drag me in the wrong direction. Here is my story, the journey of The Resurrection!

The Blessings

GOD GAVE ME HIS VISION

Many of you already know, and hopefully more of you will quickly discover, the blessings of working for God. With His supernatural favor, doors are opened and wrong doors are closed for the right reasons. Receiving wisdom and clarity from the Holy Spirit is truly wonderful! Personally, I was supernaturally saved in 2002. You can do an internet search of David Wood, Executive Producer, and read my [testimony online](#), so I won't cover that here.

The download and vision I received from God in 2004 came while I was serving at a global prayer event. It was a true act of God. It was a gift and a blessing. His instruction was to unite the Church and evangelize the world. I wondered how that could even be possible. Truthfully, the assignment will only succeed as we keep Jesus as the focus and rely on the help of the Holy Spirit. So, why did God pick me?

To this day, I still don't know why. I do remember lying on the floor one-night sobbing after being saved and giving my life to Jesus. God asked me how serious I was and I told Him I was a believer of Jesus Christ and was ready to serve. I did not really understand what that meant at the time. I was so grateful for Him and

for a second chance at life. After living such a dark and selfish life for so many years, I had so much to be grateful for now. Perhaps from those that have been forgiven much, much is expected. I am not completely sure, but He saved me and when He asked for my help, I said 'yes'.

MOVING TOWARD THE LIGHT

The journey since has been quite a ride. Moving from the dark side to the light has been a process. There was so much junk in me after living in Hollywood and so many dark places for so many years. Living in spiritual darkness with all of the sin and misguided use of my time and talents, and all of the broken relationships, where did it get me?

It has definitely required repentance, healing and addressing a variety of issues. I joke that I need at least one hundred years more to deal with everything and get healthy, but I am not sure if it is really a joke. This year, 2018, is the sixteenth year of my journey and sometimes it feels like a lot of junk still needs to be dealt with. I am a work in progress for sure. I have actually been very blessed to have relationships with all three members of the Holy Trinity. God came to me first in 2002 and I had a Paul from Damascus-type encounter. I talk to the Holy Spirit daily and I even have had Jesus come to me twice to chat. There were three very distinct voices of the Trinity.

**I have actually
been very
blessed to have
relationships
with all three
members of the
Holy Trinity.**

I am very blessed to wake up thinking about Jesus and this Resurrection Project work. I pray all day and go to bed dreaming about Jesus. Most people have to go to a nine to five job, or take care of kids or have other responsibilities. I get to focus on Jesus. I must admit, I needed this calling. This world is so off, so messy, so sinful, and so out of control, no thanks of course to Satan, the fallen angels and the human followers of Satan. Their control of Hollywood, their intentional global brainwashing through media content, their control of the global banking system, the pharmaceutical industry, and the political system, their entrapment of multitudes by drugs, etc., etc., has created one big mess. It's very hard not to be affected in some form or another by all of this. So, I have definitely been blessed to be able to walk with God and work on a project for Jesus that is about Jesus.

Through my journey, I have met so many amazing people and ministries working with God to make the world a better place. As we get closer and closer to the end days, it will get darker and lighter. God's kingdom will advance and Satan will pull out all the stops to try and stop God. Ultimately, we know we win. We are on the right team and we are blessed to be children of God. We know this world and life on this planet are just the start of our journey and a glorious Heaven awaits us. Thank you, Jesus. Amen.

KNOWING WHAT IS REAL

Just to confidently know that God is real and that Heaven exists is a big part of the blessing. For many years, I did not know the truth. I wondered why I was here on earth. To now understand the truth and the journey I am meant to be on is very exciting for me. It has become hard to understand how anyone can get through life without God and the secure knowledge that He is real, that He loves us and wants the best for us. It has also been a blessing to come to understand the big

purpose.**

picture, grasping what is going on in the physical world and the spiritual realm. I will go into more detail about this later, but to know and understand God's plan and what He is doing on earth is very important.

I have always been a global guy, a strategy person, looking at the world and thinking about all the problems and the possible solutions.

Getting to know God and Jesus and the Holy Spirit has helped me to get clarity and purpose. Of course, I don't know it all and God has still hidden a lot from every one of us.

Think of it as if you were driving a car on a winding road powered by God. He wants you to focus on today and the current moment. He helps you to focus on

and navigate the next curve up ahead and not worry about or overreact to the third or fourth curve that is coming. Understanding that the vehicle you are driving is powered by God and knowing what is possible are both very important. It's knowing the road and the journey you are on, seeing the destination and understanding the mission. It's enjoying the scenery, having good friends and Bible experts in the car with you to assist you in avoiding the bumps and the potholes.

SHARING THE TRUTH

Another great thing about this assignment is that I feel like John the Baptist who proclaimed and ushered in the first appearance of the Messiah. I believe that this movie, the related business endeavors and the Ministry assignments are all proclaiming the return of the Messiah in these end days. Trust me, this is the end of days, even worse than the time of Noah, when God had to send the flood to cleanse the world. The human race is so out of control.

With so many devastating dysfunctions; pornography, pollution, alcohol, illicit drugs, same sex marriage, abortion, and the like, the Messiah, our Jesus, has to return before mankind destroys what is left of this planet. Through meetings, phone calls and social media, I get to share who Jesus is. To make a movie about His life and death and return to life again is a powerful driveline! To represent Jesus and the God of the universe, to be a spokesperson and to share with so many is truly a number one blessing!

God also pushed and compelled me to grow in my understanding of who Jesus is and of the Bible as well as this ministry assignment and God's plans for it. To become like an expert on this journey has truly blessed me! It took three years to write the script for the movie. This involved lots of prayer and research, many meetings with Bible experts and book authors. It was truly awesome!

The script, of course, is biblically accurate and also very supernatural, with shots of heaven and Angels and demons. It was a pleasure working with the team, about fifteen altogether, to get this script and screenplay ready to give it to an A-level Director.

It has been a very challenging and stretching experience for me. I have learned a lot about myself on this journey. I have learned more about my strengths and weaknesses. I have realized more about the unresolved issues in my life and where my heart is truly at. This is certainly a challenge. You really have to look honestly at yourself when you are talking about, creating and promoting a movie about Jesus. There is no question in my heart and mind that this assignment has helped me become a better person.

I soon started to realize that God could use me, a broken sinner, a man in love with Jesus who desperately needed God's grace in my life.

I thank God for all of the great people that He has brought into my life as mentors and friends. It has been amazing. I'm thankful for the mighty women and men who are running Ministries and businesses for the Lord, and for the partners and clients that I have been blessed to help. I have been invited to amazing conferences and events where I had the opportunity to speak and share this God assignment. Every week, I get emails and phone calls from people all over the world who are excited and want to talk to me about the Resurrection film. I have been very humbled by this great honor and sometimes to be honest, quite overwhelmed, that I, a simple, messy, sinful man could be called by the Lord to do this amazing project for Him. It's a very sobering feeling to represent God, the Creator of the world, with this commission and calling.

GOD CAN USE YOU TO BLESS OTHERS

As I read through the Bible, I started noticing stories about David the young shepherd boy who was anointed to be King of Israel. I read the story of Moses who spent forty years in the desert and still was not ready to go speak on behalf of the Lord. I read about Mother Mary who birthed the Savior of the world, and Ruth and her faithfulness and redemption story.

I soon started to realize that God could use me, a broken sinner, a man in love with Jesus who desperately needed God's grace in my life. Many of you know that God has the very best plans for each of us because He loves us so much. So please, if anything from my story encourages you, continue your journey with renewed devotion and eager expectation! If God can use such a stubborn, hard-

headed screwball, as me, for His glory, then He can and will use you as well! So, I stand with you. Go and do whatever God has called you to do, whatever you are passionate about, whatever you are praying for, and may God's will be done in your life.

GO! TAKE ACTION!

Go, take that step of faith. Give it a shot. Go make mistakes. Go speak the truth in love. Go encourage others to fulfill their calling. God pray for God's kingdom to advance. Get out of the armchair of life and get involved! You can do it and to be quite honest, it needs to be done. God is calling all hands-on deck. Be all that you can be. Make a difference. Be that voice. Be that light in a dark place. Raise your hand before God and say "YES". Stand up and step forward.

The mission is huge, the harvesters are few, time is short and is running out. It's not enough to just pray, action as required as well. When good people don't take a stand or express their godly thoughts and share their gifts, the world suffers loss. The people and the planet need more love, more people caring and more people doing! Stand up for that defenseless fetus, that child going hungry at night, that homeless woman. Give them your protection, your food, your jacket, your time and your love. Only you can choose to say "YES" to God. Amen!

If God can use me, He can use you and your time, your talents and your treasures. It's your journey, your life, your calling and your blessing. The rewards of blessing and helping others are truly priceless.

Every day, when I wake up, I say, “God I am here, I love You and I know You love me. What can I do to make this world just a little better today? Holy Spirit, show me, guide me, encourage me. How can I love or bless someone today? How can I make a difference today, Lord?” That is my prayer daily. I pray that you will live this way as well.

The Lord wants to engage with you. At times He wants to just sit with you in a quiet place. He wants special time with just you and Him. It’s very important to connect with God daily.

The Creator God of the world, the reason you are breathing, the One who made you, who loves the imperfect you, who will always be there for you passionately desires to spend time with you. Truly, the greatest blessing is to spend eternity with God, our Creator. Enjoy your time with Him. Encourage others and be thankful. Praise and worship Him. He deserves it!

JOHN 14:16-17 THE PASSION TRANSLATION (TPT)

¹⁶⁻¹⁷ And I will ask the Father and He will give you another Savior, the Holy Spirit of Truth, who will be to you a friend just like Me—and He will never leave you. The world won’t receive Him because they can’t see Him or know Him. But you will know Him intimately, because He will make His home in you and will live inside you.

The Challenges

WHAT IS THE GREATEST SIN?

Why do so few understand? I find most do not understand the days and the times we are in. Distraction, sin and complacency; simply not caring enough seem to be the main hindrances. There is no question that we are in the end days. Now, before any one jumps down my throat, I know that the Bible clearly states that we cannot know the exact hour or day. I do believe that we can clearly recognize the biblical signs and become aware of the time we are in.

Matthew 24:36 (TPT) – “Concerning that day and exact hour, no one knows when it will arrive, not even the angels of heaven – only the Father knows.

For me, the Bible is the foundation of everything. It is the rock of our lives. We can disagree about the timeline reported in Scripture, “Does it mean this or that, this time or that time?” I get that, believe me. The greatest sin is not the love of money, lust, or pride. The greatest sin is actually unbelief. Not believing in Jesus is the ultimate sin.

UNITE THE CHURCH GLOBALLY

When God told me in a vision to unite the church globally, I asked Him right away, “how am I supposed to do that?” He said a movie would be the catalyst. He wants to use a film about Jesus, His resurrection and His power. I knew that it wouldn’t be easy. It has taken much faith, many trials, and repeatedly learning from mistakes (boy, I have made a lot), but gradually I began to understand why this film was needed. Jesus is coming back for a pure and spotless bride prepared for her Bride Groom.

I discovered a number of key points along the way. I got into relationships with leaders and people all around the world. I heard about good things and dark things that were going on in the nations, within governments, boardrooms, and churches. A puzzle started to come together one piece at a time. I hope that you are reading and studying the Bible. If you are not, please start. It is essential for true growth and wisdom. I love this acronym that says it so well:

**Jesus is
returning
for you.**

BIBLE – Basic Information Before Leaving Earth.

I hope most of you are in a good Christian church. Remember, the church needs you as much as you need it. It doesn’t matter the denomination or the size, just that it is true to Jesus Christ.

So, let's take all this as a given for now. We know its truth. In the Book of Revelation, it's very clear that the Messiah, Jesus, is returning for us. It was God's plan from the beginning and you can always trust Him. Do not worry for now about post-tribulation or pre-tribulation. I will clear that up in a second. Let's just agree for now about the truth of God's plan, Jesus' return, and the Holy Spirit's guidance. This is why we must not expose ourselves to too much of the world and its thinking and influence. Media has been used so powerfully to corrupt people's hearts, minds, values and behavior.

RELATIONSHIPS THAT TAKE YOU TO A HIGHER LEVEL

Reading the Bible, praying and being connected to a local church are very important to having a successful journey on earth. Just as important is discipleship, accountability and having a godly male (if you are a male), or godly female (if you are a female), to talk to, to pray with, and to fellowship with. Having two or three of these relationships would be even better.

Like any team sport, however, you can have a team of amazing players or friends, but there needs to be a coach, a mentor, who can guide you, cheer you on, talk tough with you, in love, and help you be accountable. Occasionally, they may bench you or put you in the penalty box, if needed. Having good "players" or friends will sharpen your skills and your experience of community, but allowing a coach or mentor into your life will take you and your game to an even higher level.

MOVE IN A BETTER DIRECTION – LIVE A DIFFERENT WAY

Once saved, spiritually, we become a slave of Jesus Christ. We are no longer a slave to sin. Practically, how do we actually change from a lifestyle of sin? Change comes through our love for Jesus and our reliance on the Holy Spirit's help. This is what is needed in order to stop and turn from sin.

Love for Jesus and surrendering to His leadership through the power of the Holy Spirit, is the only way to stop sinning, move in a better direction, and live a different way. Those led by the Spirit are children of God. This is God's plan and promise for all of us. Those who are not saved are led by another spirit, the darkness of evil, sin and Satan. It's that simple. This is why God sent Jesus.

MY NEW LIFE

My new life with the Lord started in 2002. I had gone to church as a kid and attended some Sunday school. By the time I was a teen, my parents had divorced, my dad was gone, and my mother was working two jobs. I had stopped going to church.

My early adult years were filled with selfish pleasure, drugs, alcohol, and a "carefree" life style. I moved to Hollywood, California in 1987 to chase a career in the entertainment industry. It was 15 years of fun and craziness. I was hanging around the biggest Hollywood celebrities and it was just one party after another.

I also started learning about global marketing and distribution of content. Movies, TV shows, books, celebrities, branding and all that was done by the movie studios, the TV networks, the agents, the managers, and the whole system was very fascinating to me. I soon realized that it was a very corrupt system.

There is a corrupt and evil system and agenda in Hollywood, just as there is in the global banking industry, the pharmaceutical industry, the war machine, and in the government of many nations. Yes, there are good people in these systems, but the systems themselves are corrupt, evil and being run by Satan and a shadow organization of men and women working for him. Call them the Illuminati, the wealthy globalists, Satanists, but ultimately, they carry out Satan's agenda to kill

you, me and the entire human race.

***There will literally be
nowhere in the world
where a person can
exist without being
traceable and
monitored.***

TECHNOLOGY IS CHANGING OUR WORLD

We also live in a literal fish bowl now.

Let me explain! Let's tackle the easiest concern first. We already know that

China is putting up cameras all over their cities to monitor their citizens. Israel is doing the same thing with digital monitors and cameras. India has given every citizen a 12-digit number and has scanned their eyes and fingers to prepare to establish a cashless society. We will soon have more cell phones than people. The projected date for this is 2020.

Soon the internet will be everywhere. As of 2018, only 4 billion people have access to it. By 2025, the third world nations will catch up technologically to the modern nations of the world. Now consider that chips are being placed in all bankcards and credit cards, as well as navigation chips in cars, appliances, and even some food, and there will literally be nowhere in the world where a person can exist without being traceable and monitored.

The final piece is AI, Artificial Intelligence, or what they call the brain, connecting everything via phones, satellite and internet. By 2020, it will be implemented. This means that 24 hours a day, 7 days a week, 52 weeks a year, you will be observed. Like it or not, it will happen. For those who think they can get off the radar, or live on a mountain top, or hide from all of this, the simple answer is “NO”!

They can and will find you, so pre-tribulation believers better wise up and get prayed up. This future reality is upon us and only God can save you. Personally, I am expecting to be martyred. We all have to die. There is nothing better than to die for Jesus. He died for each of us. We each owe Him the same.

SPIRITUAL REALITY ON EARTH

Now, let's discuss spiritual realities we encounter on earth, whether we are aware of them or not. The Bible explains these realities, Satan, and fallen angels roam the planet, searching us out in order to harass us. Some individuals are harassed daily. That's the dark side of the spiritual realm, evil spirits watching, harassing and harming us.

Our loving God and Jesus are in the Throne Room of heaven watching us. Jesus encounters and even appears to some people. Angels, assist us, appear to us and watch over us. We also have the Spirit of the Lord, the Holy Spirit from heaven in

**The bottom line is
we are now
partnering with God
and people in doing
what we can to help
the Kingdom of God
advance forward.**

us, guiding and empowering us. I believe that saints and loved ones who have gone to heaven already can see us. You pray and research this for yourself from the Holy Scripture. So, spiritually we are being watched as well! 24 hours a day, 7 days a week the supernatural and the natural realms together. What does this mean? It means that you can always pray and try and

do the best you can. Keep in the back of your mind, that Jesus is with you everywhere. At work, at school, on the bus, at the store, at night. If you can imagine Him with you always, I believe it will help you.

I have been challenged personally by what is happening on the internet and social media. While I have found some amazing brothers and sisters in the Lord, I have also encountered a lot of messed up people and demonic activity. We know that pornography is the primary commodity and, sadly, many are caught in bondage to it. It is amazing the amount of crazy nonsense that is going on. People are replacing real life friendships with online relationships with strangers. Children and adults are playing online games for hours and hours. There are occult sites and content sites, like YouTube, promoting the most terrible things to its viewers,

while at the same time shutting down Christian content and sites. Satan is controlling all of this through humans who do his bidding. Unfortunately, even organizations like Amazon and Google are owned and run by Illuminati or Satanist members with the agenda of one world government control.

PARTNERING WITH GOD TO ADVANCE FORWARD

I think it is important that I explain how this works so we are all on the same page. As a new-believer or baby Christian we start reading the Bible, go to church and we begin a new and wonderful journey. As we mature, we find ways to serve. We become trained. Later perhaps, we start a non-profit to feed the homeless, or we work in the marketplace and use our business to help others. We may join a prayer group and participate in projects that will bless people. The bottom line is we are now partnering with God and people in doing what we can to help the Kingdom of God advance forward. That's what a mature believer does. We give, we serve, we minister, and we lead. I think you get the picture.

Well, the dark side works in the same manner. First, someone dabbles in the occult, and starts doing witchcraft, or is recruited by the Illuminati, or they make a pact with Satan, the devil. They progress in same kind of way. They start to practice witchcraft, participate in immoral sexual behavior, child sacrifices, or launch a business in the porn industry.

Perhaps they take their successful business, once they have been recruited, and use it for evil, like many of the social media platforms, such as Facebook, Amazon,

LinkedIn and YouTube. Or, like the Hollywood studios that are making terrible content like horror movies, or brainwashing us with agendas like same sex marriage, or thinking of self. They work for the FBI, or CIA, M16, Mossad, or maybe they are a Prime Minister of a country, or President of a company, or a banker, or a false pastor or priest. Whatever darkness they are participating in, it is all intended to corrupt, confuse, destroy, and cause difficulties for the world and the people of earth.

Remember, Satan has been around a long time, he has gotten very good at confusing people and lying to them. So, in the end days, we will see God's Kingdom advancing, and more and more people getting saved, but we will also see more and more darkness and problems in the world. I know that God wins. We know that God is in control and as believers, we need not worry since God has promised to be with us through it all.

However, it is important that we understand the times we are in and the seriousness of the situation. I am often getting death threats. I know that when Mel Gibson did the Passion of the Christ, he experienced this as well. There is an enemy trying to kill off the human race. We also know that same enemy, Satan, is running Hollywood, the global banking system, the United Nations (UN), the International Monetary Fund (IMF), World Trade Organization (WTO), Bank of International Settlements (BIS) and some of the social media platforms like, Facebook, Google, YouTube, and LinkedIn. Some nations have shadow organizations manipulating them. Nations, like the USA, Canada, Israel, Britain, France, Germany, etc.

We know the Vatican, and many other large denominations have been compromised and infiltrated by Satan's followers. Education, science, the military all have the same problem. I could go on, but I think you get the point. We must pray, use wisdom and discernment, be as gentle as doves and wise as serpents, and a lot of us need to get our heads out of the sand and see things realistically.

RETURNING TO FOCUS ON JESUS

Now that we have talked a bit about the world's problems and issues, let's focus on the church and the people of faith. First, I strongly believe that many of the

**We need to
get back to
focusing on
Jesus**

problems in the world are due to the ineffectiveness of the church. We all must do a better job. We need to be much more serious about these issues, pay attention, study, pray, receive wisdom from God, and then act upon it. People who do not know God do not have that

wisdom or revelation. The Bible clearly states that the responsibility is upon us, the church.

I find too many have gotten too comfortable with and in our lives, especially in North America and places like Spain, France, England and other western countries. At one time, each one of these nations were great when they followed or focused on God, but once that stopped, they started to rot from the inside out. At one time, hundreds of years ago, Spain, France and England were all God fearing and powerful countries. Look at them today. They are a mess. This is what is happening to the U.S.A. We are rotting from the inside out. Where is the

church? Why aren't we standing up for people's rights and the rights of unborn babies? Where's the loud voice against same sex marriage, abortion, transgender bathrooms and the out of control pharmaceutical industry?

Fifty years ago, in the USA, the church was actively engaged, praying, serving and taking a stand on these and other important issues. Now, most churches are focusing on you, the individual, your needs, your wealth, and your prosperity. Very compromised and unhealthy church leaders are focused on all of the wrong things. We need to get back to focusing on Jesus and not on ourselves. Our focus must be on serving and helping others, not primarily on helping ourselves.

It looks to me as if Satan has the upper hand. If things are going to change, to get better, or even balance out more, the change agent must be the church. The people who believe in Christ must go back to the words of the Bible and live according to the truth. We must be praying and living in repentance and holiness, not living compromised lives. I know this is a fallen planet and we will never be perfect, but we most definitely need to be doing a better job, in all areas of our lives and in society.

Let's take the USA as our example. This is easy for me. Being originally from Canada, I have lived in the US for many years and have seen the changes. So, the USA right now is the global power, the leader, but all of that is about to change as China, Russia, India and even companies like Facebook, Amazon and YouTube position themselves and advance their influence and power.

As of 2018, America has 365 million people. When recently polled as to what their faith is, 75% said Christian. The truth is that really only about 10% are true followers of Jesus Christ. The rest say they believe in God, or are spiritual, or think Jesus was a good man, but not God. So, here lies the problem.

NATIONS MUST FOCUS ON GOD

We have a nation that was established on and for many decades prioritized Christian faith and values. Now only 10% actually understand, believe in and live out their faith in Jesus Christ.

The rest have mixed their Christian faith with everything from scientology to self-help expert's garbage, to relying on TV and film personalities, like Oprah Winfrey and Ellen DeGeneres' so-called "wisdom" about life. They find themselves being too busy, too caught up in the world's thinking, or their own needs. Other distractions include: TV, internet, cell phones, over eating, drugs, gaming, materialism, etc.

History reveals, as we observe every great nation, the cycle is clear. People go from crying out to God in all sincerity to eventually forgetting about Him or putting idols ahead of Him. Idols like wealth, possessions, lust, war and pride. I believe the fact is the worldly cycles speak for themselves.

The closer a person is to God, the better and richer their life and relationships are and the less material things they need. The closer a nation is to God, the healthier and happier the people are.

We know that any nation will crash and burn and lose their status in direct proportion to their lack of closeness to God, adherence to His principles and respect for each other. Once evil starts to gain the upper hand, it eventually runs amok and takes over. For 200 years the USA had been funding and sending missionaries all over the world, now missionaries are being sent to the USA.

PEOPLE ON THE INTERNET – OUR MODERN-DAY MISSION FIELD

I believe the last great mission field is not some lost jungle and its people group, it is people on the internet. The current generation has grown up on it.

They spend

approximately 18 hours a day there. Many have no understanding of God or His love. This generation is hungry for the truth, but are receiving other things

instead. We, the Church, need to engage this massive mission field, global internet users, instead of running from, avoiding or ignoring them.

Actually, I believe western nations need the most help. The USA has lost her way and every other former world power western nation, like Canada, Germany, Britain, and France need just as much help. They need missionaries sent to them

**This
generation is

truth.**

**We need to

from places like China, Africa, and Korea. This is starting to happen now, thank God.

Believers in Christ need to focus on their own neighbors, cities, villages and communities. Time is short. We all need to reevaluate our lives, our work, our relationships and our ministry efforts. We need to recognize the time we are wasting on things that don't matter. Your time here on earth is very short. It is the start of your eternal journey.

Every believer will face the Lord one day at the Great White Throne Judgement. He will graciously review your faithfulness during your life on earth. Your love for God and people, and your faithful service in accordance with God's instructions, is all that will matter.

I pray that these ideas capture your attention and motivate you as they have me. In the next chapter, I will seek to provide you with ideas, wisdom and potential solutions for living in light of the urgency of the hour and for eternity.

Hebrews 13:15 (TPT) – You always have God's presence. For hasn't He promised you, "I will never leave you alone, never! And I will not loosen my grip on your life!"

1 Peter 1:13-14, 17 (TPT) – ¹³ So then, prepare your hearts and minds for action! Stay alert and fix your hope firmly on the marvelous grace that is coming to you. ¹⁴ As God's obedient children, never again shape your lives by the desires that you followed when you didn't know better. ¹⁷ ...live each day with holy awe and reverence throughout your time on earth.

Chapter 5

The Project: The LOVE Movement

The answer to all of these challenges is Jesus Christ. As Paul explained in Ephesians 3, the great mystery or the “revelation” is that Jesus Christ came for both Jews and Gentiles. He came for everyone, and everyone may share in God’s grace through the promises of the Messiah, Jesus Christ. As we know there is nothing stronger than love, nothing stronger than the love of Christ.

This film project will reveal Jesus Christ as the catalyst. He is the game changer. He intends to build a movement of love that will bring us all together, Gentile and Jew, believer and non-believer, alike. We know from the Book of Revelation that every knee will bow when He returns in a triumphant entry in the skies. What we all need to experience is the Church operating in unity as the Bible describes in the Book of Ephesians. This is the command that Jesus gave us all. We are to love God, love people, spread the Gospel, and make disciples of all peoples and nations.

Ephesians 2:14-18 (TPT) – ¹⁴ Our reconciling “Peace” is Jesus! He has made Jew and non-Jew one in Christ. By dying as our sacrifice, He has broken down every wall of prejudice that separated us and has now made us equal through our union with Christ. ¹⁵ Ethnic hatred has been dissolved by the crucifixion of His precious body on the cross. The legal code that stood condemning every one of us has now been repealed by His command. His triune essence has made peace between us

by starting over—forming one new race of humanity, Jews and non-Jews fused together! ¹⁶ Two have now become one, and we live restored to God and reconciled in the body of Christ. Through His crucifixion, hatred died. ¹⁷ For the Messiah has come to preach this sweet message of peace to you, the ones who were distant, and to those who are near. ¹⁸ And now, because we are united to Christ, we both have equal and direct access in the realm of the Holy Spirit to come before the Father!

JESUS IS THE CATALYST FOR UNITY

Let's focus on the first part, unity. We have been called to be in unity, all of us. This is very clear in the Bible. The questions are, "How do we do it?" and "What does it look like?" The truth is, unity does not require uniformity. We are all different. We come from different places in the world and different denominations. We have different skin colors; different ways of thinking and we speak different languages. Instead of focusing on minor differences, and they really are minor, let's focus on the majors.

**"We have been
called to be in
unity.**

**The truth is,
unity does not
require
uniformity."**

We all love Jesus and owe Him everything! This is God's plan for living. The Bible is clear! When Jesus returns, it will be so that the Bride and the Bridegroom can come together as one. We, the Bride, need to be ready to be united together with Jesus, our Bridegroom King. This means we must get to the point of being

fully prepared. How do we do that? What does that look like? The first book I co-authored [Unity on Earth as in Heaven](#) with my partner, Dan Almeter, helps answer these questions. Here, I want to focus on the catalyst that can bring us together globally to start to dialogue, fellowship, pray together, and love one another. Of course, that catalyst is Jesus.

There are so many good ministries and organizations, feeding the homeless, saving children, mobilizing prayer, providing clean water, etc. There is only one thing, one initiative, one person or God who can bring us all together as believers around the world. It is our belief, our faith in Jesus Christ. So, why not use Him as the catalyst, as the foundation for unity? Why not create a major motion picture of the Messiah, of Jesus the Christ, and through it He will be that catalyst? This is His strategy!

WHAT IF...GOD WANTS TO FINISH THE STORY

We all know how successful Mel Gibson's *The Passion of the Christ* was, both spiritually and financially. Yes, it was a huge success. God bless him! But what if this time God wants to do more? What if He wants to unify the Church? What better topic than Jesus Himself to accomplish this? What if God wants that last major wave of evangelism to be done in the end days? This is the strategy that God gave me in 2004; finish the story of *The Passion of the Christ*. God wants to

display the truth of the resurrection and the reality of the power of Jesus Christ, and more.

This plan from God began the journey of The Resurrection Project, the movie, the technology platform, the game, and so much more. The goal is the unity of the church and the evangelism of the world. Please review the full business plan on the home page of the website, www.theresurrectionofjesuschrist.com.

**The Grace of God
not only saved me,
but helps me with
this crucial
assignment.**

BY GOD'S GRACE, FOR GOD'S GLORY

Let's break it down further, so that it makes more sense. A few major concerns surfaced for me immediately. First, was I worthy to do this? Why me? These questions have kept me up many nights. This is a

tremendous honor, and also a tremendous responsibility. The burden has been a lot to wrestle with over the years. Simply describing all of the doors that have opened and the few that have closed, could be a book in and of itself. I will go into some of those details as sensitive as they can be. So, me, worthy? Of course not! It seems like God picked the most messed up guy on the planet for this assignment. That way He gets all the glory and His ways are even more astonishing to the world. I feel like the biggest sinner on the planet. Yes, I am a messy Christian. I am a work in progress. Actually, aren't we all? So, the Grace of

God not only saved me, but helps me with this crucial assignment. God brought amazing people to help me and this has been a huge blessing. Some have served for the entire journey, some just for a season, and some simply gave a word of encouragement when I needed it most. God, His grace, and the people He brought to help have been awesome!

MARKETING JESUS?

Obviously, the next big challenge is marketing Jesus. Marketing God is a very sensitive and delicate matter. When one comes to understand that the great mystery talked about in the Old and New Testaments is actually Jesus Christ, the Messiah in whom is hidden all of the treasures of wisdom and knowledge, that Jesus is God and that He came to save us all, there is great relief. There is great comfort and great resolution. All of us on earth are searching for this truth. Our hearts cry out for answers to questions both big and small.

- Why am I here?
- Is there a God?
- Who is God?
- What happens after I die?
- When I die a physical death, does my spirit live on?
- If so, what will my spirit experience after death?

Trust me, every human from the dawn of time until now asks these big questions. Deep down, we are all searching for answers. Many look in the wrong places and find no hope, no truth, so they continue searching both internally and externally.

Some, eventually just give up. Others get caught up in false substitutes, false spiritually, or false religions. They become busy with many things, such as accumulating wealth and possessions, or they just get preoccupied with living and surviving. That hunger, that internal hole, that emptiness can only be filled and satisfied by the love of God. When we experience the reality of a personal relationship with Jesus as our Messiah, becomes spiritually brand new, and are filled with the Holy Spirit, the mystery is solved. Our answer is Jesus.

MEETING NEEDS - HOLISTICALLY

I would even go further. Unless Jesus is the central focus of any organization that is feeding the homeless, serving children from the streets, getting someone off of drugs or alcohol, supplying clean water or crisis relief, all that organization is doing is tending to people's physical needs. And if so, then it is failing. If we don't focus on meeting spiritual needs as well as physical needs, then we are missing the bigger picture of who Jesus is, and that He is central to everything. It's really that simple. That's what The Love Movement is. It is to show the Father heart of God, the love of Jesus Christ, and address both spiritual and physical needs.

**The Love Movement
is meant to show
the Father heart of
God, the love of
Jesus Christ...
addressing both
spiritual and
physical needs.**

Trust me, you would be very surprised how many government agencies, NGO's, nonprofits and even Christian groups are not addressing both needs. This may sound harsh, but just feeding a person food will physically help them. However, if you don't address their spiritual needs, somehow in some way, that person will still physically die and end up in the wrong place, hell. That's why The Love Movement is completely centered on Jesus Christ, the Messiah, and the manifested love of God. We can and will partner with any group, secular organization or NGO, however, if they are not centered on Jesus, we will bring this to them, and partner in love, truth and respect. We will share the greatest love of all, God's love!

OUR JOB IS TO BE THE HANDS AND FEET OF JESUS

I find most people in the world, non-believers as we say, just haven't had things properly explained to them. Sometimes they have been hurt by someone in a church environment or have had some other painful experience, and they just need a godly, loving encounter with Jesus or with a human being carrying His love properly. Some hearts are hardened, and we can't reach everyone, but that's okay, that's God's concern, and the Holy Spirit's job. Ours is to be the hands and feet of Jesus, now, on earth, until He returns.

The Love Movement to the world is just love, it is that simple. It is meeting people where they are at – individuals, groups or nations. We are to love them, pray for them, tell them about Jesus, help them with their physical needs,

whether that is, food, medicine, clothes, or accessing a safe place to live; providing help in any form. It's what we're called to do.

LET'S IMAGINE

Now that we have addressed what to do, let me explain how. The great thing is churches, parachurch organizations, and non-profits and even businesses are out there doing this work already. Imagine though, if we were more united. Imagine everyone working together, with resources readily available. Imagine a unified group effort, the entire Body of Christ operating in unity, doing it better, together. Resources and funding used efficiently and without waste.

There is great work being done out there. I know of many, many people and groups that are doing things very well. But, let's be honest, real honest. Whether organizations are big or small, very successful or struggling, they experience challenges. We could be doing a better job – awareness, coordination, collaboration, training and reporting of both needs and results. We could be doing more – mobilizing volunteers, sourcing and distributing supplies, and creating exceptional movies. We will achieve the expected results with less burn out of people.

GOD'S LOVE MOVEMENT STRATEGY

So here is the one, two punch of The Love Movement. First, it's all about Jesus. Second, our focus is unity, the body of Christ working together, helping each other, organizations collaborating, integrated strategies where problems are

eliminated through greater support and more funding with better objectives and better results.

The key to the second focus of The Love Movement is godly unity of people and organizations as modeled in Ephesians 4 – humble, gentle, patient, loving, relying on one Lord, one Father, and one Spirit, with one plan, God’s plan. God’s way of

doing things done on a global scale and a more successful level. I believe we have been provided with an end days strategy by God Himself.

A NEW TECHNOLOGY PLATFORM

A major vehicle of The Love Movement is a new technology platform. Imagine the best of Facebook (social media) meets Amazon

(product sales & distribution) meets Netflix (film content), meets YouTube (video content), meets LinkedIn (networking), meets Pay Pal (commerce) etc., etc.

Imagine a place where we can come together from around the world; different countries, languages, skin colors, cultures, missions, companies, organizations, time zones, needs and desires.

We are commissioned to provide a safe place for kids to interact and a safe place for ministry to function and collaborate. The need for these places is growing as

more and more groups get banned from YouTube and Facebook. We will provide a safe place for the Christian message.

CREATING OUR OWN SYSTEM – A SECURE PLACE

The main reason we don't see enough content with faith or family-friendly messages is because the global Hollywood system is run by Satan. We are currently inundated with constant messages of illicit sex, abortion, selfishness, same-sex marriages, etc. Yes, God is moving in Hollywood, as He is around the world, and more faith films are coming out, but it is all still done within a demonic system of distribution and marketing. We need to create our own system – a secure place to release the movie directly to the audience, collect revenue, retain and steward profits, and control the agenda, content and message. This platform (website) would be a place where you could release and promote your books, films, outreaches, conferences, or your next training or speaking engagement.

IMAGINE...

... you want to go on a mission trip to another country, you could find opportunities of where to go.

... you want to purchase a worship album, or need help with a serious problem, or need water plant treatment for your village.

... you want to find the funding to provide 100 Bibles for your school, or you want to go to school or take an online course.

**This platform will
really help people
all over the world in
their day-to-day
lives.**

... people are threatening to kill you and your family and you need safe transportation out of your country.

... if there was a place where we could all connect together, in a safe faith-based, family friendly platform on the internet.

This platform will really help people all over the world in their day-to-day lives. It will be a place to talk, to pray together, and to help each other connect – a place where the focus is all about Jesus and His love.

Now let me share the bad news of where the world is going. We see this in cell phones, the internet, social media, artificial intelligence (AI) technology, chips, and surveillance cameras positioned everywhere. We are being pushed faster

and faster toward a world that we are not ready for. The pervasiveness of technology is rising and our moral response is trying to keep up, but isn't.

The news gets worse. This is the strategy of Amazon, Facebook, Google, Microsoft, and every major technology and Fortune 500 company. They are pushing their technology strongly through the internet in order to manipulate people from their online presence.

WHERE IS THE CHURCH?

The big question is, where is the church? Where is God's voice? Where are His morals and values being represented? Personally, I believe that the description of ten leaders in the Book of Revelations actually refers to ten business leaders.

In 2018, Facebook has close to 2 billion online user accounts. This makes them the biggest nation on earth. These numbers surpass the population of China and India, 1.6 billion and 1.4 billion people, respectfully. What is even more disturbing is that with just one click of a button, Facebook can interact with all 2 billion users immediately. They can promote any agenda or message, good or bad, and it's mostly bad, because Satan is running it.

THE CHURCH IS PLAYING CATCH UP

Herein lies the problem. We can use Hollywood as that best example. You can have good, God-fearing people make books, movies, shows, music, whatever, but if the message, the distribution system, the marketing, the decision making, the

collection of profits, etc., is all controlled by a Hollywood studio like Sony, a TV network like CNN, or a platform like Facebook, the world is in trouble!

The church is playing catch up in these areas of media, control, content, messaging, etc. The church must not remain naïve, uninformed and without power and influence. The gospel was spread quickly because the Romans built an excellent network of roads thousands of years ago. Later, due to the invention of the printing press, Bibles were printed and distributed everywhere, in a variety of languages. They were read and shared by individuals for the first time in history. Now, we need to engage this new world we live in and use technology to spread the Gospel, connect together and help mankind.

TECHNOLOGY IS A TOOL TO BE USED EFFECTIVELY

Let me be clear! I am not saying anyone should be on the internet 18 hours a day. That only leads to disconnection from people and relationships. What I am saying is, be wise and discerning about its use. Like money, this is a tool to be used, not abused or made into an idol, to be stewarded and used for good.

We know that every global structure like entertainment and media (Hollywood), global banking, the war machine and military contracts, education, and political systems are highly influenced and even controlled by the demonic.

**Be wise and
discerning about
the use of
technology.**

Use it for good.

Use it for God.

It is time for believers to lead these structures and steward them on behalf of God and His Kingdom. We need to understand this and then pray, invest, create manifestos, form teams, and take some of these high places back for God.

GOD CAN USE ANYONE

Consider Donald Trump, now president of the USA. For years the United States has had very bad presidents that have exerted very bad influence on our nation. We have had the Clinton crime family, the Bush cabal, and Obama who was nothing less than the anti-Christ spirit manifested on earth through a human being.

The USA, once a very morale nation, has become a nation filled with greed, gluttony and evil. People started praying, the church got involved, God heard and Trump miraculously won. Of course, Trump is not perfect, neither are you or me. He does have a good sense for business, navigating relationships and negotiating agreements with the other nations of the world. He recently rededicated himself to the Lord (yes, it's true) and God will use him to slow down evil and balance things out for a bit. Look at it as a reprieve, a break, a balancing of the scales of right and wrong. Let's all give this man a chance. Who would want his job? Who could accomplish anything good in it without God's favor? If God can use those screwballs in the Bible, a donkey, me or you, then He can use Trump.

GOD'S END DAYS PLAN

Realistically, the answer to the world's problems is not man or a man. The only real answer is God. That's the bottom line. Jesus Christ is the only answer. He is the Truth, the Love, and the Solution. This plan may sound a little complicated, but it is actually quite simple. It's God's end day plan to use Jesus to draw the Christian church, in all of its messiness into the unity of love, humility, patience and teamwork. He will empower us to work together to go and save the world. God will use a movie about Jesus Christ, first as a marketing tool and a catalyst to bring the church into unity. Then He will empower us to create a platform, a tool to help us communicate and engage with each other, share resources and work together. We will release the movie when it's ready. We will succeed at global evangelism together. Every eye will see and ear will hear the truth of the Gospel before Jesus returns. The really good news is that this platform that I am talking about is being created right now and should be completed and tested soon. The marketing of The Resurrection Project has also been started and will be ready for global release by 2020. Once these things are in place, we will complete the film and share it with billions of people all around the globe. This will be used as a catalyst for the next chapter in God's story.

Mark 16:15-20 (TPT) – Jesus said..." As you go into all the world, preach openly the wonderful news of the gospel to the entire human race! Whoever believes the good news and is baptized will be saved, and whoever does not believe the

good news will be condemned. And these miracle signs will accompany those who believe: They will drive out demons in the power of my name. They will speak in tongues... they will lay hands on the sick and heal them.” After saying these things, Jesus was lifted up into heaven and sat down at the place of honor at the right hand of God! And the Apostles went out announcing the Good News everywhere, as the Lord himself consistently worked with them, validating the message they preached with miracle-signs that accompanied them!

Chapter 6

The People

FIRST THINGS FIRST

The best place to start is always the simple truth of the two most important commandments; “Love God with all your heart” and “Love people as you would or do love yourself”. In my journey this admonition from the Lord has come up over and over and God continues to teach me that people are more important than projects or “the project”, even if that project is a movie about Jesus and even if my calling is to unite the church. The same goes for you in whatever you’re doing or supposed to be doing. Always defer to these top two priorities. I believe loving people can be the most challenging. I see this in myself. Actually, the first commandment can seem a lot easier than the second.

God is our Creator and perfect Father. Be in awe of Him. Be open and let the Holy Spirit empower and guide you daily. Read the Bible, pray and take time to be with the Lord. Rely on God’s power to love your holy and perfect God, your loving heavenly Father.

The greater challenge seems to be loving other believers, who like me, are still very, very messy. This can be quite difficult. Then, consider reaching out and engaging with nonbelievers, most have a completely different mindset, way of

life, agendas, and values than both God and us, so relating can be extremely interesting and quite challenging.

Let's take me as an example. I believe that overall, I am a good person. I am trying to make the world a better place; I am a child of God; I pray, I read the Bible and go to church. Yet, at the same time, I am still messy. My close friends, staff, partners and mentors all agree that, at times, I can be a huge pain in the butt. I can be demanding, selfish, controlling, rude, mean, short-sighted, prideful, etc., I could go on, but I think you get the point. I am trying to be transparent here. I can be a lot to handle some days. In my case, there are even more challenges. I have been drinking alcohol since I was 13 years old. I am an alcoholic. I used to drink every day, and now with the Lord in my life, mentors and meetings, the really bad days are gone. If I ever slip and go on a binge, I really am a pain in the butt. Hopefully and prayerfully those days are gone forever. Please pray for me. My point is, people have issues.

We live on a fallen planet and we are broken people. No one is perfect. No one has it all together. Everyone is messy. Everyone has issues. Everyone has a cross to bear. It might be alcohol, food, shopping, gossip, stubbornness or pride. No matter what it is or what combination of things, people are messy, have bad days

**The only way to
love a human
properly is for you
to love God,
get His pure love
from Him
and give that to
others.**

and are emotional. We just need to realize that and be okay with it. This is why love is important, because it's stronger than all of that. Love gives you patience, kindness, humbleness and wisdom to deal with the people and the problems of the day. Overall, the answer comes when we focus on God, just focus on God and focus on today. His big shoulders will get you through. Then use that love and wisdom to help others go to Jesus for the help they need. After all, as it says in the Bible, "We have all fallen short of the Glory of God", He understands and all we need to do is say "I was wrong and I am sorry", and all is forgiven and we keep moving away from these sins in repentance.

You all know what I mean. People can be tough, hard to understand, hard to be around and hard to love. The only way to love a human properly is for you to love God, get His pure love from Him and give that to others. You can't do it yourself, without His help. You can be a good person and help people physically, but to love them supernaturally with God's pure love, that has to come from Him. Even then, the sooner you get that loved one, or friend, or homeless person connected to their own source of love; God, the better. Now, they are not just getting love from you, but from God Himself.

LOVE LIKE JESUS LOVED

We are seeking to have a true, pure and loving relationship with God, just as Jesus had with His Father. Even Jesus, God in human form, connected with God the Father daily. If that doesn't tell it all, then I don't know what does. So, for people

on this earth to truly walk together, walk in unity with love, they all must be in God or eventually get connected to God.

In order to truly love your spouse, your kids, your boss, your staff, your teacher, your students, you will need the supernatural love of Jesus. First, we have to come to know Him in our heart. We get to know who He is and what He says and does. Then, we can attempt to share these things with other people.

There will always be some people, an atheist, a child molester, or a scientist, etc. with such hardened hearts, that no matter what you can't help them. They have given themselves to the dark side, or they are so badly wounded and unable to forgive, or they are just plain stubborn. All you can do with the hard hearted, the bad apples, is pray for them and leave them with the Lord. The Bible verse comes

**The bottom line is
you have to just
love them where
they are at,
be wise, be kind,
and be humble.**

to mind, shake the dust off your coat and boots, and just walk away. Even though we know God wants all to be saved, they don't all want to be. There will be those that just can't be helped. You will have to let them go and move on.

I have also found in my journey with The Resurrection Project that people get jealous.

They get angry, even downright crude and mean. With people like this, all we can do is love them, forgive them and move on. That old saying is very true here, "forgive, but don't forget". However, know this, when you forgive others you release them to God, and He can move forward in dealing with them. Release the

pain to God. Learn the lesson, whatever it is, and move on. Holding onto resentments and pain toward others only holds you back. It can even cause you to get stuck. Allow the Holy Spirit to guide you in your relationships with people, because the closer your relationship with the Holy Spirit is, the more you are cooperating with God. This is a crucial component to success with people and relationships. Position the Holy Spirit as the senior partner in your journey and He will guide you with wisdom and clarity.

I have found over the years, the true peacemakers, the loving, the grounded, the ones with great relationships are the ones who are closest to God and the Holy Spirit. This makes sense. God created us. Jesus is the best model of love and He sent the Holy Spirit to help us with this crucial aspect of life, so let's allow Him.

LOVE PEOPLE WHERE THEY ARE AT

There are really two types of people, those that know God through faith in Christ, and the bigger group of people that don't. Regarding these who do not yet know God. The bottom line is you have to just love them where they are at, be wise, be kind, and be humble. Remember, they don't know God, which means they don't know themselves, they don't really know what's going on in their life and in the world. They are operating on false beliefs, worldly ideas, Satan's seduction, negative brain washing from media, education, science, and even false religion regarding God Himself. Some are more broken than others. They need the truth and you may be the one God uses to speak or be that truth. So, relate to each one with a lot of love, patience, and kindness. You will be very surprised at how

you will grow and how much you can positively affect the lives of others. Often, they have had some bad experience with religion or religious people. They may have so much sin in their lives that they feel bad enough and don't need any additional shame or blame. Love, kindness and patience will win the day here. Really, isn't that what every person wants and needs? Don't we all want more love and kindness from others? **YES!** Then show them love and they will see that no matter what, you live as Christ instructed you to do.

The other key is to go slow, unless of course the Holy Spirit is guiding you differently. If you only have 5 minutes until their bus stop, or they are leaving on a trip, or are near death in a hospital bed, then the approach will need to be quicker. Most of the time, you have time. So, take time to listen well. Speak less and hear them out. Listen to the Holy Spirit as you interact and love them. That is what they need. Isn't that what you need a lot of the times? They are no different. They probably just need it more, right? As we are told in the Bible, LOVE is the most important thing!

**Don't we all want
more love and
kindness from
others?**

YES!

One final key is you want to get them into a spiritually and physically safe place in order to have the greatest success. A coffee shop is better than their work place, a loud place, or somewhere with too many distractions. Ask for permission to pray for them and then let the Holy Spirit lead you as you do so. Always try not to put yourself, your team or loved ones, in a dangerous situation. Sometimes this

just cannot be avoided. We are instructed to be bold and faithful witnesses regardless of the circumstances. We are in a spiritual war and sometimes there is also a physical battle. Try and use godly wisdom and good sense. For more training, go to our website where there are practical tools (my e-book, Bible studies, guides, journals, etc.) to help.

BE CAREFUL WHO YOU LISTEN TO

Finally, even though some may find this controversial, do not go to non-believers for advice on serious matters. They can help with simple trivial things, like mechanical advice or what food tastes best at a restaurant. However, if it's advice on buying gold and the guy wants to give you a piece of paper and not the real gold coin, that's not good. If some nonbelieving but good friend wants to take you to a horror movie saying it will be fun, don't go. That is not good. If you're watching Anderson Cooper on CNN and you think that's a trusted news source, that's not good. It's amazing how much the church has been compromised, or gotten side tracked with bad information and bad advice. Don't carelessly take suggestions from worldly friends or family. If they are saved, great. If not, love them, be kind, be gentle, even listen to what they have to say, but the key word here is listen, not do, not agree, not compromise your faith. Do not make big decisions based on any one's good advice or good intentions, if they don't know Jesus. Jesus tells us, when we follow Him, there will be times when family members will be against family members. Some will try to deceive you. Don't trust people immediately. Let them earn it. This is always best. And, if you

have questions get into the Bible and find the answers there. Trust but verify, and it will build your spiritual strength and armor too.

Now for the real tough issue, dealing with other believers. First, let's start with the ones who think they are believers, but actually aren't. I know what you're going to say, "don't judge", but we are instructed to be wise and discerning. I have lived in Hollywood most of my life and it is amazing how many people say, "I

In order to really go on a journey with someone, locking arms with love and trust, knowing that each of you are there to help and support each other is the foundation.

love God", but don't know Jesus or what God they love. Some say, "I am very spiritual", but for them it means they are into New Age, chanting with a Tibetan monk while doing yoga or going to a scientology meeting, or a synagogue where they practice Jewish cabal once a week. These are not followers of Jesus Christ. They are not going to heaven and you shouldn't be taking their advice about too much of anything. Let's be clear!

A true follower of Christ is like you, and like me, they love Jesus, they are on a journey, and

like us, they are messy and should be as aware of this as you are. You and they need to use love, be kind, patient, accountable, reading their Bible, in a Christ-centered church and be mentored by someone or mentoring others. If none of this is evident, or only part of it is, then go slow. Let them build trust with you, while you build trust with them.

In order to really go on a journey with someone, locking arms with love and trust, knowing that each of you are there to help and support each other is the foundation. I personally believe this is the only recipe for success and true unity.

I am always trying to make myself better by praying, journaling, reading the Bible and other books, learning from my mentors, going to church and being accountable. This is not always easy, and trust me, I have messed up a lot. I have had to say sorry and have repented many times. I make mistakes. I take risks. Sometimes, I have bad thoughts and actions that need repentance and the forgiveness that only Jesus can give. As believers, we need to see this effort in others and more importantly in ourselves.

In order to have healthy relationships, you must be, as the Bible says, slow to anger, quick to listen, not critical, speaking in love, and praying before responding an offensive comment, email or text. Sometimes people are just having a bad day. We all have them. We are very emotional beings. God made us this way on purpose, enjoy it. Don't fight it or belittle it. Remember, not everyone is at the same place you are, or has had the same experiences. Some grow quickly. Some need time and prayer to catch on. Try to find serious people who are like-minded. Don't be mad or feel defeated when someone disappoints you.

These have been some of the hardest lessons for me to grasp. I have been forgiven for so much and I am so grateful and passionate. I just expect everyone to be as excited and on fire as I am. That's normally not the case. If you want to soar with eagles, then go find the eagles. Don't sit with the pigeons and complain about it. It's your life, your journey, and with God's help, you must make the

most of it. Personally, I am always looking for serious Christians; people who are walking and talking their faith. I want to fly with the eagles, how about you?

THE RESURRECTION PROJECT AND YOU

I want to cover one more area with regard to people. That is people and The Resurrection Project. We are looking for serious and committed people, who can love and proceed faithfully through the good and the bad. That is what this God assignment will take. Historically, many moves of God were started by one or two people. Later, a few more joined them, then more and more got involved. Jesus shows us the best example. First, there were the 12 disciples, then the 77, and then the world. We can also look at Paul's ministry, Moses' journey and leadership, or King David's lifestyle of courage and repentance. A key component is prayer and stepping out in faith, working together.

Chapter 7

The Holy Spirit

One of the most important things to learn about and engage in is your personal relationship with the Holy Spirit. The Spirit of God, the Spirit of Jesus is intimately connected to you. The Holy Spirit will respond to your beckoning call, and your requests for Him to guide, lead and direct you. We have to purposely and intentionally engage with Him on a regular basis. He is a perfect gentleman and often waits for us to open up to Him. At the same time, the Holy Spirit is always communicating. Our assignment is to learn to engage with and listen to Him. This is of the utmost importance! It is a skill and a habit that you must cultivate just like reading the Bible, praying and loving others. These are all skills that are developed through practice.

WE ALL NEED THE HOLY SPIRIT

We can recognize the importance of having an empowering, dependent relationship with the Holy Spirit by observing the things that Jesus communicated. After the Crucifixion when Jesus was reunited with his disciples, he told them he would leave soon and they asked what would they do when he was gone? He told His followers that the Holy Spirit was coming, that this would benefit them and that they should wait for Him to come. As He went on about what life would be like after He eventually left to be with the Father, they naturally grew sorrowful (**John 16:6**). They didn't know the wonder that God had planned next. Jesus comforts them in **John 16:7**, "I tell you the truth: it is to your advantage that

I go away, for if I do not go away, the Helper will not come to you.” This “Helper” is the Holy Spirit. We need more pastors and church leaders to teach and encourage people in this area. I am seeing far too much focus on angels and Mother Mary. These are good things, but the Holy Spirit is God. He is a part of

Cultivating this relationship now will help prepare you and make your future relationship with God even stronger in heaven.

the Holy Trinity. As humans we are not on the same level as God. We do not have the wisdom He has. We all need the Holy Spirit to teach, empower and guide us, and go before God on our behalf and speak in ways we cannot before the Throne of God. The entire body of Christ would benefit from regular sermons on the Holy Spirit. This teaching and training should be done

monthly.

One of the biggest weaknesses in the church as a whole has been our failure to understand, implement and communicate effectively about our individual and corporate relationship with the Holy Spirit. I don't see enough books written about Him or enough classes and workshops done about Him.

I believe we can actually tell who are mature Christians by observing their relationship with the Holy Spirit. Personally, I am constantly working on mine every day. I try to pray and spend as much time as I can with Him. Like any strong relationship, this one needs to be developed.

We need to learn, pray and talk more with God. I would like to pray for you and me right now:

“Holy Spirit, we come to You today to honor You and praise You. We worship You Holy Spirit as God, as the Spirit of God. Thank you for being connected to us. Please guide us and show us how to remain on the narrow path. We look to You to direct our lives and steps. Please fill and empower us. We want Your Presence to rest upon our lives. We pray in the mighty name of Jesus Christ.”

I believe that this is the most important relationship you will ever have in your life on this earth. Cultivating this relationship now will help prepare you and make your future relationship with God even stronger in heaven. So, I will share some golden nuggets and some Scriptures to encourage you and help you get to know Him.

GOLDEN NUGGETS

- 1) Often believers wait for the Holy Spirit to contact or appear to them.
- 2) The early disciples received modeling, training and then a promise from Jesus regarding their need for the coming of and the power of the Holy Spirit. By the time He made His grand entrance at Pentecost, they understood some things about Him and knew that their gifts and power would come from Him.
- 3) Somewhere along the way, God’s people forgot this and no longer taught it to other believers. This lack of understanding has caused us to misperceive and quench the communication, activity and power of the Holy Spirit.

- 4) You are invited, even commanded, to do as I do and start engaging with, talking to and relying on the Holy Spirit continuously.
- 5) If this is new for you, start by praising and thanking Him. Tell Him that you love Him. Talk to Him like you would talk to a friend.

The closer your relationship is with Holy Spirit, the more you will partner with God on the earth. The better you do at cooperating, the more effective you will be now and the better your rewards will be in heaven.

NOTICE WHAT GOD SAYS ABOUT OUR RELATIONSHIP WITH THE HOLY SPIRIT

John 3:33a (TPT) – (God is speaking to John the Baptist) ‘One day you will see the Spirit descend and remain upon a man.’

Romans 8:9 (TPT) - ...when the Spirit of Christ empowers your life, you are not dominated by the flesh but by the Spirit.

Acts 1:8 (NASB) – “...you will receive power when the Holy Spirit has come upon you; and you shall be My witnesses both in Jerusalem (Hollywood), and in all Judea (California) and Samaria (USA), and even to the remotest part of the earth.”

**You will receive
power when the
Holy Spirit has
come upon you
and you shall be
My witnesses
...even to the
remotest part of
the earth.**

Ephesians 5:18 (TPT) – “...Be filled with the fullness of the Holy Spirit.”

John 3:33b (NASB) – ‘this (Jesus) is the One who baptizes in the Holy Spirit.’

Galatians 5:16-17 (TPT) – “As you yield freely and fully to the dynamic life and power of the Holy Spirit, you will abandon the cravings of your self - life. For your self - life craves the things that offend the Holy Spirit and hinder Him from living free within you! And the Holy Spirit’s intense cravings hinder your old self - life from dominating you!”

Ephesians 4:30 (TPT) – “...never grieve the Spirit of God or take for granted His holy influence in your life.”

1 Thessalonians 5:19 (AMPC) – “Do not quench (suppress or subdue) the Holy Spirit”

1 Thessalonians 5:19 (TPT) – “Never restrain or put out the fire of the Holy Spirit.”

Galatians 5:22-23 (TPT) – “...the fruit produced by the Holy Spirit within you is divine love in all its varied expressions: joy that overflows, peace that subdues, patience that endures, kindness in action, a life full of virtue, faith that prevails, gentleness of heart, and strength of spirit. Never set the law above these qualities, for they are meant to be limitless.”

The Holy Spirit is not merely a nice addition to our life in Christ, but rather the essence of Christ within us and on the earth. That is why He is called the Spirit of Christ. When Holy Spirit speaks, He is representing Christ to us. (1 Peter 1:11)

When we spend time with people, we can rub off on them. This is why Jesus spent so much time with sinners and people of the world. He was trying to show

them a different way to live. We must do this as well. If we don't go help the world, who will?

Let's consider Paul, who wrote much of the New Testament. He only had one spiritual encounter with Jesus on the road to Damascus at the beginning of his journey. How did he accomplish so much? He was listening to, empowered by and focused on the Holy Spirit.

God, in Spirit form, helped Him in all of his activities.

It was Paul that God sent to the Gentiles of the earth. The initial disciples were focused on the Jews. Once Paul was fully engaged in this, Peter and the others started ministering to the Gentiles as well. (Acts 10:44 – 11:26).

Through all that was happening we see the activity of the Holy Spirit. He was doing the work and operating in His power through their faith. He will work along with you as well.

CONNECT WITH GOD

The best relationships always take time. They build, and if they can start more spiritually and less physically, it's better. This is why God uses the Holy Spirit to connect long distance to us. We get to know God better here on earth, before we get to heaven. The Holy Spirit helps to prepare us, and to strengthen our character. We learn things that only life on earth and tough times can teach us. Heaven won't be tough, it will be easy, too easy. So, enjoy your time on earth for

what it is. Grow. Learn. Allow yourself to be sharpened and conformed into Christ-like character.

Whether you grew up in the church or in the world, both have their challenges. Sometimes, people who are raised knowing the Lord can have an easier time.

Through all that was happening we see the activity of the Holy Spirit.

He was doing the work and operating in His power through their faith. He will work along with you as well.

They start with a solid foundation early on. When we come to know the Lord after childhood, we often have to learn the hard way. Often, we have to recover from harmful experiences, negative thinking and sinful habits or behaviors.

We must move beyond the superficial head knowledge of simply reading or learning about God and get to know Him in the Spirit and by the Spirit. Have you ever connected with someone in the spirit on earth? It can seem like you have known them forever.

Your spirits are connecting. That is what it is like with God the Holy Spirit.

HOW TO DEVELOP THIS WONDERFUL FRIENDSHIP

Ask the Holy Spirit to help you have the best friendship with Him. Seek Him out. Ask Him nicely. Tell Him how much you love Him. Speak honestly with Him.

Ask Him who He is and who is He in you. Ask what can you do to show your love for Him and serve Him. Befriend Him. Talk to Him like you would talk to a best friend.

Go slow, pause and listen. Learn to wait and hear Him. Write or record what He tells you.

Initially, I talked too much and didn't stop and listen. I found that you have to pause. Quiet your mind. Quiet your thoughts. Quiet your voice. Go slow, just like you would in any new friendship or relationship. Remember that God created us with two ears and one mouth. This is an excellent visual reminder of our need to listen. Make it your goal to listen twice as much as you speak. Go slow and wait for a response. Be respectful. Remember that you are talking to God. It can be very helpful to record notes from these interactions in a notebook or journal.

One must understand the vision and the calling God has for us. We need to know God and who we are in Him. The Holy Spirit will help you with this. Your faithful effort and cultivation of your relationship with God, one day at a time, will benefit you tremendously.

GOD ALSO SAYS THIS ABOUT OUR RELATIONSHIP WITH THE HOLY SPIRIT

2 Corinthians 3:16-18 (TPT) – “...the moment one turns to the Lord with an open heart, the veil is lifted and they see. Now, the “Lord” I’m referring to is the Holy Spirit, and wherever He is Lord, there is freedom. We can all draw close to Him with the veil removed from our faces. And with no veil we all become like mirrors who brightly reflect the glory of the Lord Jesus. We are being transfigured into His very image as we move from one brighter level of glory to another. And this glorious transfiguration comes from the Lord, who is the Spirit.”

ACTIVATION EXERCISES:

You can connect with God the Holy Spirit anytime, anywhere, and in any season. He wants to talk to you and engage with you even more than you want Him to.

Ready to engage?

Find a quiet place. Consider what the Bible tells us:

If imperfect parents know how to lovingly take care of their children and give them what they need, how much more will the perfect heavenly Father give the Holy Spirit's fullness when His children ask Him. – Luke 11:13 (TPT)

- Thank God that He is your perfect heavenly Father
- Ask Him to fill you to overflowing with the Holy Spirit's fullness
- Relax and receive from Him in faith
- Pay attention to what is happening...
 - Are you seeing pictures in your imagination?
 - Are you feeling sensations in your body?
 - Are you sensing tender emotions in your heart?
 - Are you hearing thoughts in your head?
 - Are thinking about a particular person?
 - Are you getting ideas on how to pray for them?
 - Are there ways you would like to encourage them?
 - Are there things you would like to share with them?

- Write or record your experiences and thoughts
- Partner with God and take action

RECEIVING JESUS CHRIST

Prayer:

God, I am sorry for my sin. I turn away from it right now. I thank you for sending Jesus Christ to die on the cross for my sin and to be resurrected and come alive again. Jesus, I ask You to come into my heart and life right now. Be my Lord and Savior. Help me to follow You all the days of my life as your disciple. Thank You for forgiving me and receiving me right now. Thank You that my sin is forgiven and that I am going to heaven. I pray this in the mighty name of Jesus Christ. Amen.

I am so happy that you have done this. Right now, God is rejoicing in heaven over your decision. You will be in heaven with Him forever. Here are some suggestion:

Please go find a good Christian church, be open and make new friends, make sure that you ask the leader to help you get water baptized. Start reading the Bible.

Talk to God about everything. Thank Him for things. Ask for His help and guidance.

**The better you do this with Holy Spirit during your life on earth,
the better you will finish well here and begin your eternal life in heaven.**

RE-DEDICATING YOUR LIFE TO JESUS CHRIST

Prayer:

God, I am sorry for my sin. I am sorry that I have strayed away from You. I ask You to forgive me now. I repent of my sin. I don't want to live as a prodigal any longer. Please renew and revive me as I once again follow You as my Savior and God. Thank You for your forgiveness! I pray this in the mighty name of Jesus Christ. Amen.

God and I are so thrilled you have rededicated your life to Him. Here are some helpful tips: It might be a good idea to get water baptized, especially if you have never done that. Start reading the Bible. Start attending a good Christian church. Ask God to help you find a mentor and some friends who will help you stay focused on loving and following Him. Keep your focus on Jesus. Ask God for His help in this. Don't quit! If you sin or drift away from God, quickly ask for and receive His forgiveness. Start fresh again with God as often as is needed.

HOLY SPIRIT END DAYS UNITY

1. My partner, Dan Almeter's trip to Rome and huge conference, where they talked about unity with the Catholic Church and other denominations. Murray Dodd's trip to Israel, etc. etc. and the Christian conference there and leaders coming to serve each other in unity and love. These events and meetings will increase to get done now for the greater days ahead as we are connected in the Spirit globally, but not physically.
2. The global platform we will build, a social media platform which is like Netflix, meets Amazon, meets YouTube, meets Facebook, all in the family faith space. This platform we're building is a major key to the end days and will be a game changer.
3. This explains timing to me even more of why we are where we are at. The internet is about to be global in 2020 for the first time. Social media cannot replace meeting someone in person. This is how it works – you are engaging a platform like Facebook with no real safety, or proper security. And soon all your devices, from TVs, furniture, cars, microwaves, credit cards, etc. all connected to the internet and eventually the mark of the beast will be done through this system structure. Social media or an iPad cannot replace a person, a heart or a face-to-face with someone. It is hard to tell someone's heart on a key pad or truly follow someone's life on Facebook. There is no real responsibility, control or safety. Right now, Facebook is attached to everything, TV, furniture, books, music, everything,

so anything, or anyone, no the Elitist have done a good accountability.] Like the internet and other things, we have to get organized first before we can do other things.

4. Even when you consider the dark side; Hitler in World War II, the hippie drugged-out love movement, the porn industry, the same-sex marriage agenda or the abortion industry; a small group of people pushed an agenda that gradually impacted the world. We need to recognize that Satan has been and still is using this strategy and it works.
5. God has showed many examples of this kind of strategy as well. From sending Jesus who changed the world, John the Baptist and his boldness, Apostle Paul travels and ministry with the Holy Spirit and the early church, the printing press and printing of the Bible, and this movie about Jesus to unite the church globally and evangelize 8 billion people in 2022-2023.

THERE IS A BETTER WAY

The movement Jesus began is still going strong today. There will be another major explosion of impact just in time for the End of Days. The greatest harvest of souls for the Kingdom of God is about to take place.

Come, join Jesus! It is His plan, His strategy, His invitation and His work. He is calling and inviting you as well as me. Let us, the people of God, get this job done. The time is now!

Chapter 8

Think Outside the Box

In this chapter, I want to share some big ideas, major revelations, some great things to pray about and some helpful reminders that have impacted me and my life.

I hope these things bless you and get you thinking outside of the box. Please send any thoughts or prayer requests to us after you have gone through this section. We invite your feedback any time whether positive or negative. We looked forward to feedback when we first put *The Resurrection of Jesus Christ* script up on the website. We wanted to see what the church and the world would say. Very interesting stuff!

LET'S START WITH THE WORD OF GOD

Romans 12:1-2 (TPT) – Beloved friends, what should be our proper response to God's marvelous mercies? I encourage you to surrender yourselves to God to be His sacred, living sacrifices. And live in holiness, experiencing all that delights His heart. For this becomes your genuine expression of worship.

Stop imitating the ideals and opinions of the culture around you, but be inwardly transformed by the Holy Spirit through a total reformation of how you think. This will empower you to discern God's will as you live a beautiful life, satisfying and perfect in His eyes.

Hebrews 12:1b-2 (TPT) – So we must let go of every wound that has pierced us and the sin we so easily fall into. Then we will be able to run life’s marathon race with passion and determination, for the path has been already marked out before us.

We look away from the natural realm and we fasten our gaze onto Jesus who birthed faith within us and who leads us forward into faith’s perfection. His example is this: Because His heart was focused on the joy of knowing that you would be His, He endured the agony of the cross and conquered its humiliation, and now sits exalted at the right hand of the throne of God!

1 Timothy 5:7 (TPT) – Be quick to abstain from senseless traditions and legends, but instead be engaged in the training of truth that brings righteousness.

FIRST THINGS FIRST

The two most important commandments, love God and love people are ultimately meant to prepare you for heaven and your eternal relationship with God and others. Everything else, your calling, the 10 commandments, the Beatitudes, etc. all become clearer, they make more sense and are more achievable once God’s top two priorities are in place in your life.

Believers Are Completely New: Once you receive Jesus into your life, the Holy Spirit comes and makes you completely new. God is now committed to you completely. What could be better than that!

Holy Spirit: Your relationship with the Holy Spirit becomes the most important thing for you to succeed at. Set this as the #1 priority in your life for your entire time on earth. Your friendship with the Holy Spirit is forever. Get great at it!

Priority 1A: As humans, our souls are restless. That's why we need to spend quality time with God the Father, the Holy Spirit and Jesus Christ. The Holy Trinity is not a hobby, a luxury, or an option. God must be our main priority, if we are to have success on the earth.

I have always loved the following acronym: B. I. B. L. E.:

B – Basic

I – Information

B – Before

L – Leaving

E – Earth

This acronym reflects the truth and that is why you need to read it, learn it well, and apply it with all diligence.

2 Timothy 2:15 (NASB) – Be diligent to present yourself approved to God as a workman who does not need to be ashamed, accurately handling the word of truth.

THE HOLY SPIRIT...

...Teaches us. The Holy Spirit is in you. He is in unity with Jesus. The Holy Spirit teaches just as Jesus does. He empowers you with love for Jesus and with the love of Jesus. **(1 John 2:27)**

...Connects us. While Jesus lived on earth, the Holy Spirit's job was to connect Jesus to the Father in heaven. The same applies for us now. We have access to communion with God as well. Make the most of it.

...Enables us. Jesus was conceived by the Spirit, baptized in the Spirit, taught by the Spirit, led by the Spirit, and spoke what the Spirit told Him to say. Our life in God is the same. The Holy Spirit does all of these things for every believer who relies on Him.

...Empowers us. Jesus needed the strength and comfort of the Holy Spirit in order to endure the cross. How much more do we need His help and support?

...Guides us. The Holy Spirit is our Guide whenever a major shift takes place on the earth. He was there with the world before Jesus went to the cross, when He died on the cross, at the time of His resurrection and when Jesus ascended into heaven. The Holy Spirit was there to provide guidance and support with each change. Likewise, He is here with us today!

...like H₂O. Consider the example of water. H₂O is manifest in three different forms; solid, liquid or gas. The form in which it manifests depends upon the

temperature of the environment. The chemical structure of water never changes, but its expression does change. This reflects the nature of God, the Holy Spirit and Jesus. They are three in one.

Trinity: I believe the Holy Spirit is God's Spirit. The Father, Jesus and the Holy Spirit are all connected and are with you at all times. This is a reality that you can come to understand and rely upon. Because He is always with you, you can enjoy and commune with Him continuously. Praise Him, cherish Him and lean on Him. Acts 10:38 reports how God anointed Jesus of Nazareth with the Holy Spirit. This is one of the few places in the Bible where we see all three members of the Holy Trinity described together, each having clear and distinct roles.

Faith: Faith is developed. Through trials, time and commitment, faith is grown, strengthened and sharpened. Press into this reality and thank God in all things.

Doubt: It's actually okay to have doubts and to question God about your life and your purpose. God wants to talk to you. He wants to be there for you. He loves you and He understands that life is tough on earth. Be okay with that. Bad things may happen, it's part of the journey. God never said it would be easy. He said that He would be with you through it.

Thankful: We should thank God for His plan to send Jesus who then sent the Holy Spirit to help us. Without the Holy Spirit and His daily wisdom and empowerment, life would be a huge challenge. I don't know how people get through life without God. Actually, I guess they don't.

Repentance: I believe that I have only gotten this far for a few reasons.

Repentance is one of the top three. Repentance must be from the heart.

Heavenly forgiveness comes from God, not man. A priest or a man can only verify if true repentance is present. They can give their validation on earth. Only God can forgive your sins. Your sins are only forgiven if you have believed and relied upon Jesus Christ as your personal Savior after the Holy Spirit gives you the understanding.

Best Quote: *“Therefore, faithful Christian, seek the truth, hear the truth, learn the truth, love the truth, speak the truth, adhere to the truth, defend the truth, for truth will make you free from sin, from the devil, the death of your soul and finally from eternal death.”* – John Hus, The Father of Reform, 1372-1415.

Accountability and Forthright Communication: As believers, it is healthy, biblical and can be very helpful to hold one another accountable to conform to biblical standards. Follow the instructions in Matthew 18 when you have concerns or conflicts. Do everything that you can to resolve conflict among yourselves. Don't use courts, use love. Even banishing someone from a church, a ministry or a business is very biblical. When dealing with non-believers, be very patient. Forgive over and over as you communicate healthy boundaries and limits. We never recommend allowing abusive actions or relating patterns to continue unaddressed.

Leadership: Conflicts can't be avoided, but they can be managed. Wise leaders will devote themselves to learning how to do this.

Heaven and Hell: When we truly consider hell, the second death and the final judgement, our earthly problems; finances, abuses, food shortages, wars, etc., are viewed from a much different perspective. When we accurately understand God's grace and His gift of heaven; spending eternity with Him and our loved ones, it truly justifies any price we pay here.

Sad Truth: One of the hardest things as a believer is knowing that some family, friends and loved ones who don't know Jesus, will not be in heaven with me. It is very sad to know there's nothing I can do, but pray and be a godly man. Another sad thing is knowing that in the end days, what the Bible talks about in Revelation 17 will be manifest on the earth. The Bible reports that the woman, the mother of prostitutes, will become drunk with the blood of the saints.

Personally, I believe this refers to the compromised church system. It could even be that The Vatican, with its global compromise, is a false church system. Whatever this includes, it is the church that has fallen away and become compromised.

Israel (Jewish People) – The Good: Consider God's instructions: pray for and stand with the Jewish people and Israel. God loves her and them. They have a rich history with God. This is part of the great mystery of God's plan – Jesus returning for Jews and Gentiles.

Israel (Jewish People) – The Bad: Many Jews are not practicing their faith. Most don't understand the Messiah has already come once. Some will not be prepared

for His Second Coming as well. Remember that they need us, as believers, to pray for them and help them to understand this reality.

Israel (The Land): I believe that Israel does not function as the “holy” land. Rather, as the “unholy” land with wicked leaders, false religions, a war machine, transgender pageants, same sex marriage, abortion, etc. All of these are prolific today. It is a very liberal place. Not until Jesus returns, will it be “holy” again.

Satan and The Jewish People: Another very disturbing fact is that some of the first human followers of Satan were Jewish. Today, when you consider which humans are in charge of the global banking system, Hollywood, global companies, groups or wealthy families (e.g. the Rockefeller’s, Rothschild’s, etc.) doing harm to the world and working for Satan, many of them are Jewish. I believe every individual is offered an opportunity to choose God or not. Ultimately, this individual choice is not dependent upon ethnicity, race, gender or nation.

The Return of Jesus: The world and human race are fallen. Many are in agreement with Satan, and therefore, are very destructive and evil. I believe the Messiah will need to return soon or there won’t be a world and a human race to return to. As God sent the flood to cleanse the world, so Jesus must now return to save it. I believe that we will not last much longer.

End Days: Just before Jesus returns to earth as the triumphant King, the final wave of souls will be harvested. The time of man on this earth as we know it will be over. Just as the world was changed by the first coming of Jesus, His second

coming will change everything again. The 1,000-year reign will begin. The earth will be made new.

1,000 Years: During the 1,000 years after Christ's return, there will be a time of healing, teaching, training, over-seeing and encouragement on the earth.

Tribulation: I believe that the tribulation will start in 2023, go seven years and end in 2030. The global mark of the beast will be implemented. There will be wars, plagues and famines. The Two Witnesses will testify, the Beast (anti-Christ) will rise up from the sea, the Woman (the Church) will give birth and a terrible war (Armageddon) will break out in heaven After this the Messiah will return. We don't know the day or hour. I believe it will be in 2030.

Messiah: Christ means the Anointed One. Jesus is the Messiah before the cross, after the cross and after His Resurrection. He will return in the end days.

Every Knee Will Bow: I believe when Jesus returns every knee will bow. The believers will bow in love, faith and worship. The world will bow in shock, fear and awe, with trembling hearts.

Adam and Eve: Imagine waking up as Adam, God is there and says to you, "I just made you. I am your Creator." Imagine being Adam or Eve and walking with God in the Garden of Eden.

Heaven: Imagine walking around in heaven with Jesus. He is in His full glory, how amazing! The Bible declares that people filled with the Holy Spirit will do greater

things than Jesus. We will do these greater works by the power of the Holy Spirit in partnership with God. (**John 14:12**)

Eternity: Eternal life in heaven is about the complete reversal of death and living with God for ever and ever. The sooner we grasp this reality, the better. Remember that heaven will be a much easier place to function in. All of the lessons you learn here on earth throughout your journey will help you. We are being prepared for an excellent eternity with God.

Unity: Just as Jesus is one with God, we are all one with each other, not just casually as if we are on a phone call or at a conference. We are one on earth as the Trinity is one in heaven. We are in unity with God, Jesus Christ, the Holy Spirit and each other. There is always more holding us together than dividing us. Focus on that. (**John 17:11-22**)

The Script: I believe that The Resurrection Project script is apostolic writing. Please go to the website, download it, read it and pray over it.

www.theresurrectionofjesuschrist.com,

Ears to Hear: The less you engage with sin, worldly things and garbage in your life, the easier it is to hear the Holy Spirit. Get alone with God. Develop a lifestyle of prayer with the Lord.

The Church: I believe, as we enter the end days, God will deal with the church first. He will expose issues and invite a sincere realignment with Him and His ways. This seems to be happening now. We will see many large churches and ministries file for bankruptcy. Scandals will be exposed. As of this writing, we are

already seeing this occur with more happening each day. Once God deals with His people and the Church itself and the non-believers will now be next.

Big Lesson: We have to learn faith in all areas. We learn to trust God with money, relationships, healing, prophetic instruction and every aspect of His plan. Your faith in Jesus will get you through the tough times. As I am writing this, I am going through one of these times. I am learning the lesson of faith.

Love God: To do this, you need to spend time with Him. He wants time with you. He is waiting. He is always there, 24 hours a day, for you. Praise Him, worship Him, pray, read the Bible, journal and share about Him with others.

Love People: I know! This can be hard. I encourage you to use the two ears and one mouth plan. This means that you listen to others more than you talk. Pray for people. Encourage everyone you know, because life can be hard on planet earth. We are all in the same boat.

Joy: It will be the Joy of the Lord that unites the church. The pure joy and love of God will bring believers together as one.

Binding and Rebuking Evil Spirits:

Exercise your authority every step of the way in the mighty name of Jesus Christ.

- 1) Pray and get God involved immediately.
- 2) Renounce any and all participation or agreement with the evil spirit(s).
- 3) Bind the evil spirit(s) from operating.
- 4) Command the evil spirit(s) to be silent.

- 5) Order the unclean spirit(s) to leave, to go straight to the feet of Jesus Christ and to never return.
- 6) Ask the Holy Spirit to fill every place that has been vacated with His Spirit and Truth.

Worship and Praise: Try to worship the Lord and praise Him daily. No matter what you are going through, thank God for who He is. Thank Him in the midst of the good and the bad.

Peace: True peace is available to us in the Lord. We access God's peace through faith and practice. Even when we experience conflict or chaos, we can remain at rest, hiding ourselves in God's love and protection.

God: God is everywhere. He knows everything, sees everything, has created everything and is part of everything.

Relationship: "Now, may the grace and joyous favor of the Lord Jesus Christ, the unambiguous love of God, and the precious communion that we share in the Holy Spirit be yours continually. Amen!" **2 Corinthians 13:14** (TPT)

Reality: 2000 years ago, the 12 Apostles and the 70 disciples were sent out by Jesus to demonstrate His love and power. Jesus asked them to go out with no money, no extra clothes and no food. They were just sent! They followed His directions and the Holy Spirit took great care of them as they went out in faith and obedience. No matter what your assignment, the Holy Spirit will take great care of you as well.

Depend on the Holy Spirit: Many times, the early Apostles described how the Holy Spirit did this or did that, or told them to go here or go there. They were very connected to and dependent upon God, the Holy Spirit. You can depend on the Holy Spirit for everything.

God: God, in His love for us, shows and demonstrates Himself to humanity through Jesus Christ who is both fully divine and fully human.

Satan: Satan's job is to lie, steal, kill, and destroy. He does this in numerous ways. He is very good at persuading people, both believers or non-believers, toward sin. (**John 10:10a**)

Atonement: By His sacrifice, Jesus took away our sin and made a way for the reconciliation of mankind back to God.

THESE ARE SOME OF MY DEEPEST PRAYERS:

- to finish well on planet earth
- to unite the church globally
- to evangelize the world
- to put together a Global Council for Jesus
- to remain on earth after the rapture and keep winning souls

Once I am in heaven and the 1,000 years are up, I want to kill Satan.

The Love of Jesus: We need to get filled up with love from Jesus daily. Jesus prayed continuously and got strength and guidance from the Father. We must do the same. I believe this movie, *The Resurrection of Jesus Christ*, is a last call for Jesus.

Obedience: Obedience is doing what God says to do, in the way He says to do it, when He says to do it. When all three of these aspects are in place, obedience is complete. God can close a wrong door or open a right door at any time. He can shut you down or rev you up in a second.

Making Decisions: Seek God for direction, guidance and protection in decision making. Trust Him to provide the right answers. Come to God in humility with reverential fear. Ask the Holy Spirit to reveal sin that may be hindering you, then confess and repent of it. Now you are ready to make godly decisions with His help and clarity.

Praying for Yourself: Bring your desires to God in a humble and surrendered way. Start by asking God for more of Him and for His will in your life. He knows what is best for you. Your passions and strengths come from Him. He will orchestrate events and empower you to make the most of them.

Rest, Don't Rush: God knows what is an emergency and what is not. Walk in the Spirit. Live your life in peace and rest, exercising the patience of God.

A Journey: We are all on a journey here. Some are more serious about this than others. Some are farther down the road. Be patient, loving and kind to all along the way.

World: God knows His plan well. He knows how sinful man can be and how dark and tough this world is. Life on this fallen planet reveals why we need God, the work of Jesus and the help of the Holy Spirit.

Improvement: Always work on bettering yourself from the inside out. Practice justice, mercy, and faith. Many prioritize their outward appearance before others, but they do not address the internal issues of their heart.

(Matthew 23:26)

Disciples: During Jesus' three years of ministry on this earth, His disciples observed His life, His character, His relationship with God the Father and with various types of people. They benefited from His training and leadership. After witnessing His death and resurrection, they were visited and empowered by the Holy Spirit. Then they enthusiastically spread the Good News about Jesus and the Kingdom of God.

The Temple: When Jesus cleared out the temple it was holy. The people in the temple were sinning and causing others to sin. The same process applies to us now since we are His holy temple. The Holy Spirit will teach us to walk in greater levels of holiness. He reveals when habits, issues or negative agreements need to be cleansed. Growing in our relationship with the Holy Spirit, helps us increase our cooperation with this process.

I BELIEVE...

- “I believe “he who wants to win the world for Christ must have the courage to come into conflict with it.” – Titus Brandsma (martyred Catholic priest; who opposed Nazi ideology by Hitler in WWII)
- I believe a time is coming when anyone who wants to kill you will think that they are offering a service to a god, a small god, and not God.
- I believe that the end days judgement will be for believers, non-believers, Satan, the fallen angels and unclean spirits.
- I believe that we are in the end days and time is short. I believe that by 2030 this world will not be recognizable as the same place that we know now.
- I believe just as in the early days of the church, believers will continue to be martyred. Tertullian (c. 155 – c. 240 AD), an early Christian author, said, “The blood of the martyrs is the seed of the church.”
- I believe that the first one through the wall always gets a little bloody and bruised. This is the reality of leadership, of leading the way into new territory.

- I believe that any visionary; any leader always faces great oppression and opposition from naysayers. When a huge change is about to happen, many will fight that change.
- I believe that because God has made us like Him, people always desire to and try to do the right thing. Therefore, it takes an effort or a plan to do the wrong thing.
- I believe that most people are just trying to get through life, day-to-day. Life is even more all-consuming when they have to deal with major problems or extreme situations.
- I believe that many people just don't know who God or Jesus is. When we show and tell them by praying, offering words of encouragement or healing, we invite them into breakthrough. God uses us to do this work, so be prepared, be available and be proactive.
- I believe that Jesus will be teaching us in heaven. Think about your favorite teachers, pastors, speakers and writers. Imagine God teaching you. Imagine being in a classroom with Jesus as your instructor.
- I believe that while it is great to fellowship with believers on earth, we will have all of eternity to spend time with each other.

- I believe that this particular time on earth is about evangelism. Now is the time to be spreading the gospel, to reach the lost by inviting them into the knowledge of God. Our life on earth is the only time that we can do evangelism, so we must focus on it. This must be an absolute priority.
- I believe that Satan stole the authority to rule and reign on the earth from Adam and Eve. Jesus took back full authority from Satan. As His followers, we have been invited to exercise His authority in His name over every aspect and sphere, now on this earth.
- I believe that a transformed life means individuals and people groups are transformed into Christ-like character and function. Those people carry and establish transformation into the mountains (spheres of influence), companies, cities, and nations. Every life matters. – Pastor Che Ahn
- I believe that the harvest is for every person, but transformation of cities, nations, and spheres of influence is done through spiritual kings and leaders. Pray for your leaders to be saved and transformed, or to be removed.
- I believe that new leaders will emerge who are sold out for Jesus Christ. These will be the nameless and the faceless. This is happening now, and I am one of them.

- I believe that a lot of people within the so-called “church” will fall away, but in reality, they were never on board to begin with.
- I believe that as Jesus was speaking to the Pharisees and rebuking them, they may have been illuminati, half angel/humans who were working for Satan.
- I believe that there are always three forces in play at all times; the choices God makes, the choices Lucifer is allowed to make, and the choices or the free will that people are allowed to exercise.
- I believe that we can’t leave it to the pastor of a church to do all the work. Everyone in the church, every believer, is called to do God’s work including evangelism and discipleship.
- I believe it is time for me to be the best godly man that I can be, and the best leader that I can be. I must operate in love in every relationship and listen more than I talk.
- I believe that there are consequences when we sin and do not repent. In the same way, we will experience different results if we walk away from God or seek Him continually.

- I believe that we must contend for our faith. We must press into God. We must stay focused on Him so that we don't become lukewarm; complacent and ineffective.
- I believe that we can't just know about God, we must be in a relationship with Him. We must crave Him and pray for more of Him in our lives. We must listen to Him and be obedient.
- I believe that the world needs to see more godly witnesses, people who stand up in faith. More of us need to take a stand and proclaim our faith in the living God.
- I believe that we need to simplify. Just as if you are climbing up Mt. Everest, the higher you get, the less that you need.
- I believe that we need to focus more on relationships, family and people. We need to focus less on material and worldly things.
- I believe that this is a great time for our light to shine. God is the ultimate light. We are children of God and the light.
- I believe that when we walk into a dark area, we bring God's light and the darkness fades away. It's not about us getting slimed by the darkness. The stronger spirit is light. It casts darkness away.

- I believe that there is a great darkness coming to this world during the end days. How dark? An even darker darkness. But God, is in control and an even greater light is coming. God, the Light, will bring a total end to Satan and his darkness.
- I believe that your relationship with others will depend upon your perception of them. We need to see others through the eyes of Christ.
(Philippians 4:8-9)
- I believe that if your goal is for one year, you should put your effort into planting wheat. If your goal is for ten years, then you should plant trees. However, if your goal is for a lifetime, then you should plant people.
- I believe that we are in very serious times now. People will try to kill us. We are seeing this in Syria, Egypt, North Korea, Africa, and in the acts of terrorism perpetuated upon churches and their members within the USA.
- Finally, I believe that the world's greatest sin is not actually the love of money, or abortion, or even murder. It is actually unbelief in Jesus Christ. Not believing in God is the greatest sin of all.

Chapter 9

The World: A Historical Perspective

In this section I want to address the past, things that happened and were made to happen that affect us today and have a significant impact on the end days and how we will get there. It has been my hobby for many years to study and observe history. I have paid attention to names, titles, agendas, wars, breakthroughs, strategies and also the damage caused by some of these things. Being a global guy assigned to a global mission, this focus has helped me tremendously in understanding past, present and current events.

I absolutely encourage you to research everything that I am observing, presenting and concluding. Do not just believe me. Find out for yourself.

We must understand the times that we are in, closely observing historical events can help in this. I find most people don't even know about most of the things that I will address here. Hopefully, I can paint a clear picture for you, and get you to ask some tough questions, seek and find important answers. If I can help you in even a small way, or point you in the right direction, then I have done my part.

While life works well when you take it one day at a time, it is also essential and biblical to prepare for the future. I find that understanding the past helps to understand today and get ready for tomorrow. I also feel wisdom, knowledge and clarity are needed for any proper decision making as we rely on the Holy Spirit to lead us.

GOOD NEWS AS YOU BEGIN YOUR JOURNEY DISCOVERY – BE READY

Matthew 24:44 – (Jesus speaking) “So always be ready, alert, and prepared, because at an hour when you’re not expecting Him, the Son of Man will come.”

Matthew 24:14 – (Jesus speaking) “Yet through it all, this joyful assurance of the realm of heaven’s kingdom will be proclaimed all over the world, providing every nation with a demonstration of the reality of God. And after this the end of this age will arrive.”

THE NEPHILIM? FALLEN ANGELS

How could a civilization that existed over four thousand years ago in Egypt erect a twenty-acre, 500-foot monument in stone with blocks weighing thousands of pounds, that has accurate alignments with the stars and planets, that to this date have not shifted or settled even a fraction of an inch. Possibly they were built by

the descendants of Seth even before the flood. I sincerely believe that the builders received help from outside sources. **Genesis 6:1-4** and **Ezekiel 32:27** tell us about the Nephilim who were the offspring of the “sons of God” and the “daughters of men”. They existed before the flood. These “sons of God” were fallen angels that produced “giants” as offspring. I believe that they had both superhuman strength and superhuman intelligence that they utilized to create the pyramids in Egypt, among other things.

GENETIC ENGINEERING – TRANSHUMANISM?

The Brookings Institution (an American research group founded in 1916) – The celebrated scientist on the U. S. Pentagons scientific advisory panel from the deepest and darkest military and national laboratories, genetic, robotic nanotechnology, synthetic, and demonic.

Transhumanism is an international philosophical movement that advocates for the transformation of the human condition by developing and making widely available sophisticated technologies to greatly enhance human intellect and physiology.

Transhumanist thinkers study the potential benefits and dangers of emerging technologies that could overcome fundamental human limitations as well as the ethical limitations of using such technologies.

ORDER OF SION

The **Order of Sion** was a mediaeval order of canons which, according to a papal bull (a type of public decree, letters patent, or charter issued by a pope of the Roman Catholic Church) of the 12th century, had abbeys on Mount Sion in Jerusalem, on Mount Carmel, in Southern Italy (Calabria), and in France. They existed in the middle ages as a monk order part of the Knights Templar under the leadership of **Godfrey de Bouillon** (1076-1100 AD)

CO-FOUNDER / FIRST MASTER OF THE KNIGHTS TEMPLAR

Hugues de Payens (c. 1070 – 24 May 1136) was the co-founder and first Grand Master of the Knights Templar. In association with Saint Bernard of Clairvaux, he created the Latin Rule, the code of behavior for the Order. He married Catherine Saint-Clair establishing Clan Sinclair (Clan Sinclair is a Highland Scottish clan who held lands in the north of Scotland, the Orkney Islands, and the Lothians. The chiefs of the clan were the Barons of Roslin and later the Earls of Orkney)

presences in the Templars from early on. In 1446 became a cornerstone for Rosslyn Chapel (Rosslyn Chapel, formally known as the Collegiate Chapel of St Matthew, is a 15th-century chapel located in the village of Roslin, Midlothian, Scotland). The history of Roslin and the Sinclair's who were its lords since the 1280's. The Sinclair's have been the hereditary patrons of Scottish Freemasonry 1154 under King Henry II of England, the Grand Master of Knights Templar (Andre de Montbard, the fifth Grand Master of the Knights Templar and also one of the founders of the Order) superintended the Masons. They also built The Temple Church (a late 12th-century church in the City of London located between Fleet Street and the River Thames, built by the Knights Templar as their English headquarters. During the reign of King John (1199–1216 AD) it served as the royal treasury, supported by the role of the Knights Templars as proto-international bankers.

In 1065 AD, Jerusalem was taken by the Turks from the Kingdom of Persia. In 1099 or so, the First Crusade led by Godfrey of Bouillon took Jerusalem back and the Knights of Templar were with them and in charge. Once Jerusalem was taken the Knights of Templar started to dig scrolls and treasures out of the city and the holy structure itself.

The Spanish King lost major boats, men, and it cost a lot of finances. If the English had lost, the Spanish could have won and we all could be speaking Spanish or Portugal settled.

THE ILLUMINATI

The Illuminati is a name given to several groups. Historically, the name usually refers to the Bavarian Illuminati, an Enlightenment-era secret society founded on 1 May 1776. They would have won either way as they were behind the Spanish King and the Catholic Church. Normally, they didn't care about who wins as they

usually own both sides of every war. But for the British, this period after 1588, is the start of their Global Power.

At the start of the 16th century through the 1800's, became the global power behind the British Army and Navy. Britain became the power and the phrase "Britannia rules the waves" and formed the new British East India Company – which of many things (like the Templars of the 1300's) controlled the trade routes and finances.

THE BRITISH EAST INDIA COMPANY

The **British East India Company** looted India, Africa, Burma, Japan for centuries and initiated the opium trade in China for centuries and generations. This was all done by members of these secret groups.

ROMAN EMPIRE AND THE CATHOLIC CHURCH

There has been a decline of holy **Roman Empire and the Catholic Church** and the papal as the royal princes, kings are intermarrying, making alliances at the highest levels. Keeping the bloodlines as pure as they could.

THE BANK OF ENGLAND

It is the central bank of the United Kingdom, and the model on which most modern central banks have been based. Established in 1694 to act as the English Government's banker, and still one of the bankers for the Government of the United Kingdom, it is the world's eighth-oldest bank. It was privately owned by stockholders from its foundation in 1694 until it was nationalized in 1946.

THE BILDERBERG GROUP

Popes have attended **The Bilderberg Group** meeting (an annual conference established in 1954 by Prince Bernhard of the Netherlands) organized "to foster dialogue between Europe and North America". Participants are European and North American political leaders, experts from industry, finance, academia and the media. The meetings are held under the Chatham House Rule (a system for holding debates and discussion panels on controversial issues). The Bilderberg meetings are also unofficially called the "**Bilderberg Group**", "Bilderberg conference" or "Bilderberg Club". Pilgrim members have also been Ambassadors to Vatican City. His Holiness, Pope Pius XII, a member of the Knights of Malta, and the Knights order of Pius.

ONE WORLD GOVERNMENT

Carroll Quigley (November 9, 1910 – January 3, 1977) was an American historian and theorist of the evolution of civilizations) bequeathed all he had at the time of his death to this conception of unity of the English-speaking world and the expansion and influence of the elite over the world's population.

This was really why the **United Nations (UN)** was started after World War II. This elite group saw the power of war and control. All the humanitarian work the UN does is really just a front for them to merge nations, erase boundaries, and take companies global. When a nation joins the UN group (comprises of 195-member countries of the world today – 193 countries that are member states of the United Nations, and 2 countries that are non-member observer states: The Holy See and the State of Palestine), that nation loses its power and strength, to cast a vote with everyone else.

I believe that most major crisis today are started by **The Illuminati** for some reason or another. Such as, control AIDS in Africa; which the US Census Bureau is doing with the control of the population; to US invading Iraq for oil, and on it goes.

In 1965, the war in Vietnam started by USA's bombing of secret targets in Laos (officially the Lao People's Democratic Republic, is a socialist state and the only landlocked country in Southeast Asia at the heart of the Indochinese peninsula, bordered by Myanmar (Burma) and China to the northwest, Vietnam to the east, Cambodia to the southwest, and Thailand to the west and southwest) before the actual war was started. What were the **Central Intelligence Agency (CIA)**, US Government doing? I believe that they were growing poppy fields for the production and distribution of cocaine and heroin.

Back in the 1500's, the King of England (Henry VIII) wants a divorce from Catherine of Aragon, but Pope Clement VII refused to annul the marriage. As a result, King Henry VIII forms the Church of England with the Archbishop of Canterbury (Reginald Pole) as its top clergyman who is always on official of the Pilgrims of Great Britain.

Then in 1588, the Pope and the King of Spain attack England (under Queen Elizabeth I) in 1588 with a huge Armada of ships, but the English with fewer ships, launch fire boats and beat the Spanish.

LEAGUE OF NATIONS

The **League of Nations**, an intergovernmental organization founded on January 1920 as a result of the Paris Peace Conference that ended the First World War, whose stated principal mission was to maintain world peace, but in actuality, was started as an attempt at world government.

After WWII in 1945, the **United Nations** officially came into existence when a Charter had been ratified by China, France, the Soviet Union, the United Kingdom, the United States and by a majority of other signatories. It was created with the same object in mind and their best creation to date for international laws, global trading, global policing, and a global army.

HOW WE GOT HERE

Lord Milner (b. 1854 – d. 1925 AD) was the British High Commissioner for South Africa (Diamond wars) and associative of the Rothschild's and the royal family.

In 1916-1917, Lord Milner was later a financial sponsor of the Russian (communist) revolution, along with another Pilgrim Society member, **Jacob Schiff** (was a Jewish-American banker, businessman, and philanthropist. Among many

other things, he helped finance the expansion of American railroads and the Japanese military efforts against Tsarist Russia in the Russo-Japanese War.) Schiff spent \$20 million in gold to help the Bolshevik Revolution (which made communism a political reality - The Rothschild-Illuminati axis, through their network of bankers and Freemasons, controlled the Bolshevik operation) take over Russia, and then they had more influence there.

Jacob Schiff's business partner, relative, and founder of the **Federal Reserve System, Paul Warburg**, ran **Kuhn, Loeb & Co.** - the Rothschilds' New York banking satellite. As mentioned earlier, it was Schiff who supplied \$20 million in gold to Trotsky, who sailed from New York with 275 other terrorists on a passport obtained through pressure the bankers put on the USA's Woodrow Wilson administration.

This elite, **Pilgrim Society**, has been behind the Bolshevik Revolution from the start finally breaking up the old Soviet Union.

David T. Schiff a 4th-generation member has served as the boards of **Crown Life Insurance of Toronto**, and **Lehman Brothers**.

Myron C. Taylor, Director of American, Telephone & Telegraph, **AT&T** as it is better known, and also of **US Steel** was on the Pilgrim Society's executive committee in the 1940's.

J. Peter Grace of chemical giant **W.R. Grace and Company** was former head of the Knights of Malta (founded in 1530 from Knights Templar going underground), a Pilgrim Society member and a former **Citibank** Director.

Chauncey Stillman, born 1907, married a Rockefeller, assumed the helm of First National Bank (now **Citigroup**) was a Pilgrim Society member, and was Chairman of **The Homeland Foundation**, New York from 1939 for 30 years, which morphed into the **Department of Homeland Security**, DHS. He was also on the staff of the **National Security Council** (NSC) from 1948 – 1951. He was a Pilgrim Society, Illuminati, and **Knights of Malta** member, sitting on numerous boards and helping many good organizations. The pathway of influence is similar.

The Roman Empire was about world dominance, then to the transfer of power as the Catholic Church was very corrupt at times as well. It comes down to a person's heart which way they go, but more here than meets the eye as this leads back to the Nephilim.

Lee Hasting Bristol of the **Bristol-Myers** Pharmaceutical fortune, clergyman, business leader and Pilgrim Society member.

African slave trade on both sides of the Atlantic from England to USA, Illuminati, Freemasons, Pilgrim members are all involved.

Around 1534, the **British Royal Family** broke from the Roman Catholic Church and the Pope (The Lord Archbishop of Canterbury and Speaker of the House of Commons). They are all English members of the **Pilgrim Society** and the **Illuminati** with political background from a military point of view.

1902 – 1914 – UK's Field Marshall Frederick 1st Earl Roberts (b. 1832 – d. 1914 AD) was the military commander in South Africa who killed and defeated the Dutch settlers over mines there.

1917 – 1942 Field Marshal H.R.H. The earl of Derby all Presidents of Pilgrim Society.

1916 – 1918 English Earl of Derby – Secretary of State for war (1916 – 1918) - Ambassador to France 1918 – 1920 where he played a key role in the Treaty of

Versailles which was an international strategy to provoke Germany into war! He was a **Pilgrim Society** member.

THE PILGRIM SOCIETY

England's **The Earl of Halifax**, whose family name is what Halifax, Nova Scotia, Canada is named. He was a good friend of then, US President Harry Truman, also a Pilgrim Society member.

Both Pilgrim Society members, **Lord Rothschild** was the bank funding behind **Cecil John Rhodes** and the cartel South African diamond mines of today, now called **De Beers Group** (an international corporation that specializes in diamond exploration, diamond mining, diamond retail, diamond trading and industrial diamond manufacturing sectors. It operates in 35 countries and mining takes place in Botswana, Namibia, South Africa and Canada.

Until the start of the 21st century, De Beers effectively had total control over the diamond market as a monopoly. Currently, it still sells approximately 35% of the world's rough diamond production through its global sight holder and auction sales businesses. The company was founded in 1888 by British businessman Cecil Rhodes, who was financed by the South African diamond magnate Alfred Beit and

the London-based N M Rothschild & Sons bank. In 2018, De Beers became the first diamond company to announce that it would track its diamonds using blockchain technology, though this technology has not yet been rolled out.)

Lord Alfred Milner whose efforts gave rise to the Royal Institute for International Affairs in 1919 and the US – Council of Foreign Relations after WWII.

Carroll Quigley – started the secret society in 1891 as the Round Table (As in Knights of the Round Table) took on its final name in 1902 – The Pilgrim Member.

1900's The Pilgrims Goals – Unite the powers of England and USA through banking and companies take back the lands they gave up – China, India, Africa through super national world government.

In the 1970's, The Pilgrim Society's **Lord Thomson (or Roy Thomson) of Toronto** Canada owns 56 American papers, owner of **Reuters News Agency of the London Times** – the traditional voice of Council of Foreign Relations (C.F.R), the Royal Institute for International Affairs (RIIA), and The Pilgrim Society. All three are in bed with each other.

The Pilgrim Society's logo is of Lion (from England) Eagle (from the US) and a man on a horse with the words In Latin "Here and Everywhere" which is a reference to their holdings, which are worldwide and their influence which is everywhere.

The Pilgrim Society members are Ambassadors to England – Ambassadors to the United Nations, and the Secretary of State of the United States, who all Ambassadors report too. Every President since at least Theodore Roosevelt has been a member.

READ WITH WISDOM

Please pull out a US dollar bill – Please everyone!

Many symbols of **The Illuminati** are shown on it, like:

The Pyramid – The Eye of Providence otherwise known as the all-seeing eye (for the Illuminati it is the sun god, Eye of Hora, is the Eye of Lucifer) is a symbol, having its origin in Christianity showing an eye often surrounded by rays of light or a glory and usually enclosed by a triangle. It originally represented the eye of God, but has been stolen by Satan, as "divine providence" watching over humanity. In the modern era, a notable depiction of the eye is the reverse of the

Great Seal of the United States, which appears on the United States one-dollar bill. It is a number underneath it 1776 – when they were founded.

The great Seal – 1790 – signing Declaration of Independence.

“Novus Ordo Seclorum” on the dollar bill translated in Latin is New Order of The Ages, or in other words, New World Order.

The Masons, otherwise known as Freemasons, have always tried to separate church and state in every country or nation.

- Why do you think we have God being taken out of our schools or public places?
- Four out of the five supreme court judges who initially voted on this is matter were Masons.

New Age has infiltrated every part of our current life. New Age perpetuates a belief in a holistic form of divinity that imbues all of the universe, including human beings themselves. It allows people to be as god.

The Allagarken – Royal blood lines of ruling houses of Europe.

Advisors to the King of England - Lord Milner, William Stead, Lord Brent Esser and DeBeers Diamond (in Africa) formed an UK alliance to take over diamond mines. They would start wars, and then take over the mess and clean-up after one of their sides won. Which nation goes in and cleans up the mess, the winners, rebuilds with their companies?

Karl Marx (1818 – 1883) was a German philosopher, economist, historian, sociologist, political theorist, journalist, socialist revolutionary and a Satanist. He was not actually a communist, but was really an Illuminati member.

Mikhail Gorbachev (1931 –) is a Russian and formerly Soviet politician. He was the eighth and last leader of the Soviet Union.

LUCIFER

Lucifer – The light bearer, son of the morning, is The God of Masonry (Arthur Marly Hall)

Luciferism is behind everything – Every level of evil in all areas of society.

The Cabal is made up of The Illuminati, Trilateral Commission, Bilderberg Group, Freemasonry or Mason, Federal Reserve, Council of Foreign Affairs (CFR), the

Environmental Movement, the League of Nations and the Round Table of England.

Satan was responsible to deceiving Adam and Eve, offering Jesus the Kingdom and perpetrating child sacrifice (abortions) and sickness (Aids).

In all of the major wars from the Middle East Crusades, the French Revolution, the US Civil War, World War I, World War II, the Boer Wars about Diamond control, the Korean War, the Vietnam War, and even the Gulf War, the Bavarian Illuminati and the House of Rothschild have given guns to both sides.

Freemason or Mason consists of fraternal organizations that trace their origins to the local fraternities of stonemasons, which from the end of the fourteenth century regulated the qualifications of stonemasons and their interaction with authorities and clients. In reality, it is a recruiting system with 33rd level really know what's going on. Leaders of all major industrial countries like the USA, UK, Australia, New Zealand, Germany, France, Italy, etc.

War on Drugs – The **Central Intelligence Agency** (CIA) is the biggest drug lord on the planet.

Federal Emergency Management Administration (FEMA) was created in 1979, and takes over power from President and Congress when implemented.

National Security Decision Directive #47 (NSDD47) was enacted in July 1982 by President Reagan.

Public Law 101 – 647 – Enacted in November 1990 by President Bush now can implement Executive Orders.

- 1) **FEMA** is authorized to take over local, state, national governments
- 2) **Multi Jurisdictional Task Force (MJTF)** will be wearing black uniforms when called into action
 - Foreign Military units carrying United Nations ID cards
 - Specially selected Police

The instigation of a “trumped-up” war to amass fortunes has been going on for thousands of years by The Illuminati.

11th Century (1113AD) nine members of an **Illuminati** group called **The Knights Templar**, the military arm of an Illuminati secret society, known as **The Priory of Sion** kicked off The Crusades that lasted for 150 years. It is believed the Knights

Templars and Priory of Sion had a rift when Jerusalem was lost to the Saracen Turks in 1187.

In 1307 the King of France, Philippe the Fair (a Merovingian Illuminati member) and a part of the Priory of Sion, attacked the Templars Friday 13th – many did escape, they were tipped off. They were the wealthiest and most organized. Thirteen ships left the French coast and one goes to Switzerland starts that banking system, as example. They then had 13 ships in anchor who disappeared. To where?

Switzerland – Secretive banks are located there.

Mule Caravans (transport), a connected or unconnected line of mules, pulling or carrying cargo or riders on a network of caravan paths. There are numerous surviving archaeological and monumental elements, including trails, bridges, way stations, market towns, palaces, staging posts, churches (shrines or temples) along the route.

The British Empire controlled immense territories, fantastic wealth that was siphoned back to England and Europe from China, India, Africa, and Canada. They also after took over rebuilt their own way.

Remember history is written by the Victors, and it is not normally the real truth. It is just what they want said or published.

Most researchers are not Christian or believers. Some believe this is all a reptilian alien creature or gods from other dimensions. They don't understand it is Satan and Fallen Angels acting this out.

British East India Company controlled the seas and the trade routes thanks to the British dominance. They were the cover story or front for numerous atrocities.

Elihu Yale, British East India Company, ran an opium trading fort in India as well as trading concessions in China, and now North America. **Yale University** is named after Elihu Yale. This is also where the Skull & Bones secret student society was started, which still runs today, even stronger.

Elmer Holmes Bobst (1884–1978) was an American businessman and philanthropist who worked in the pharmaceutical industry. He was the Chairman

of **Warner – Lambert** pharmaceutical company, and a member of The Pilgrim Society. He had close connections to President Dwight Eisenhower, but was also a close friend of President Richard Nixon.

Diamond Cartelist, **Cecil John Rhodes** PC (1853 – 1902), was a British businessman, mining magnate and politician in southern Africa who served as Prime Minister of the Cape Colony from 1890 to 1896. An ardent believer in British imperialism, Rhodes and his British South Africa Company founded the southern African territory of Rhodesia (now Zimbabwe and Zambia), which the company named after him in 1895. He founded De Beers Group in 1888 and was financed by the South African diamond magnate Alfred Beit and the London-based N M Rothschild & Sons bank. DeBeers founded Boer Wars between the British and the South African Republic (Z.A.R.) Boers. The war put 116,000 Boers (farmers or settlers) in concentration camps from 1899 – 1902. 27,920 people died of starvation, including 22,000 children.

Joseph "Fighting Joe" Wheeler (1836 – 1906) was an American military commander and politician. He is known for having served both as a cavalry general in the Confederate States Army in the 1860s during the American Civil

War, and then as a general in the United States Army during both the Spanish–American War and Philippine–American War near the turn of the twentieth century.

The British illuminati influence built a lot of war vessels for the south during the US Civil War. Why would another nation involved in the Civil War of the USA would be the great question here, or it is simple another example of their influence.

U.S.A. – North American Robber barons and train barons, Asters, Vanderbilt's, Rockefellers, Mellon's, Harkness, using Chinese cheap, slave labor while stealing homesteader land.

Arthur Frank Burns (1904 – 1987) was an American economist. He served as the Chairman of the Federal Reserve (1970-1978), the Ambassador to West Germany (1981-1985), was a member The Pilgrim Society.

Federal Reserve is a created entity, not owned by the USA government, but privately.

In the end days, the anti-Christ will be raised up and come to world prominence, with the concentered efforts of hundreds of powerful men, women and companies that are global without borders.

William McChesney Martin Jr., who chaired the Federal Reserve (1951 – 1970), married his wife, Cynthia, whose her father was founder of the Davis Cup (tennis) another recruiting place sports.

William Martin was also appointed Chairman of the Committee to Reorganize the New York Stock Exchange in 1971. The head of the NYSE from 1951 – 1967 was **George Keith Funston**. He was another member of The Pilgrim Society.

English King Edwards, the Rothschild's and Pilgrim Society Treasurer Secretary Sir Morganton Jr. confiscated over half a billion ounces of silver out of China from 1934 – 1939.

In the late 1300's, the Templars went underground and sent 17 ships off to different countries, including USA, Ireland, Scotland and Switzerland. At this time is when the dark ages began. They now go underground into their secret groups.

Chapter 10

The End Days: Light and Darkness

Let me state again, we do not know the exact day or hour of Christ's return, yet we can each clearly recognize that we are in the end days and His return is imminent. The real point is that we should be living each and every day with the awareness of this reality. This chapter is devoted to clarifying the times that we are in. This has always been one of my favorite subjects.

My favorite book in the Bible is the Book of Revelations. The study of this book is one of my hobbies. What makes me highly qualified in this area is that I have experiential understanding of both sides; God's wonderful ways and ultimate plan as well as Satan's plan and his evil ways.

I have studied history, current events and what will happen at the end. We are moving into greater and greater moves of God with increased darkness authored by Satan and his forces. We will experience an increase in these two forces; light and darkness. Both will grow in power and clarity. There will be an increase in the frequency and intensity of supernatural encounters initiated by God and His angels as well as by Satan and demons.

First, let's get the biblical facts straight, so that we have a firm foundation. God is in control. God wins. The Kingdom of Light wins, but we as humans have free

will. We are each required to choose a side. If we choose to align with God through Jesus Christ, then we need to do our part. We all have a role in this.

When you pay close enough attention, you will be able to observe the two forces; God, who is Light and Satan who brings darkness, clashing with each other. The Bible indicates that the struggle between the light and the darkness will become more and more intense as we approach the end days. We are also informed that

**Yes! It is at the
end of the
tribulation that
Jesus appears and
we get raptured
to Him.**

God has already won. He has all victory and all authority. He has provided that same victory and authority to us, His people. The people of God are commissioned to partner with God to enforce His victory through His authority.

Currently, Satan is doing all that he can to dominate both the physical and the spiritual realms that affect us on the earth. When

Jesus the Messiah returns, this will all change. Our spirit goes to heaven once we die a physical death. If we are still alive physically when He returns at the end of the tribulation, we will meet Him in the sky. We will be raptured to Him.

Yes! It is at the end of the tribulation that Jesus appears and we get raptured to Him. If any of you foolishly think you will miss the tribulation, you do not understand the truth. This may seem harsh, but this misunderstanding has been a major problem for the church. I hope you won't choose to remain stubborn and uninformed and then find out the hard way when you are not prepared. Either

way, come find me in heaven later and we will talk about it. Please remember what I say here. I hope that it helps you. I will give lots of godly wisdom and encouragement. I have sprinkled in information about Satan's plans and the resulting darkness. Do the research. Decide for yourself.

Prepare yourself. My prayers and hopes are for you. [Check out the links and resources at the end of this eBook.](#)

LOVING GOD AND LOVING PEOPLE

Life is short! Every person will die a physical death. As believers, we don't need to worry, we will live eternally in heaven with God. Our spirit does not die.

Everyone's spirit lives forever. The question is where. If you have not placed your faith in Christ and surrendered your life to Him, [please do that now.](#)

Life is serious! We are in the greatest adventure of all time. Why live in front of a TV, laptop or cell phone screen? This is our one and only life and the beginning of our eternal existence. What will you do with your most valuable commodity, time? That is what I want you to consider right now. We know that we will die. We know that we have a short time here on earth and then our spirits will live forever. The truth is that our time on earth is the shortest part of our journey. This is all very clear in the Bible. Once you believe and understand this as your foundation, it all gets easier. While we are on earth, we are instructed to love God and to love people. You can distill these foremost commandments into a strategy that will help prepare you for the end day. Pray and talk to Him. Get to know the Holy Spirit. Let Him be your spiritual partner here on earth. Learn to

love and forgive people. Say that you are sorry when you mess up and repent to God. Make a difference. Help someone. Get involved in people's lives. You can help others even if all you do is listen to them.

HOW TO FINISH WELL

Now beyond those two main things; Loving God and Loving People, here is my advice on how to finish well on planet earth. God has placed a calling, a purpose and a passion within you. We all have this. If you don't know what yours is,

please go and find out. Ask a good friend or a church leader to help you. Start a journal.

Write it out or record it. Then, start to live it out. Take a risk, get some help and step out.

Go start a charity or volunteer at one. Go on a mission trip to another country. Feed the homeless on your city streets or take a class.

Read a great Christian book. Do something. Start somewhere. Make a difference.

Perhaps you need to go fix a relationship or

show love to someone; a stranger or someone in need. Be open and ready. Ask God to provide an opportunity. These are good baby steps, good ways of getting

started. If you have been down this path already and you want to do more, then [please contact me](#). Come help us with www.theresurrectionofjesuschrist.com.

We are called to unite the church globally and that includes helping you spread your message, conduct your ministry or accomplish your mission. We want to use our technology platform and global strategy not just to release our movie, but also to help you. [The tools we have created will bless you \(found in Chapter 13 or page 257\)](#). So, let's work together in these end days to reach and love the lost.

AN OVERVIEW OF THE SPIRITUAL REALMS

First, let's consider the dark side of this equation and see where we are at. Let's start by reviewing some basic information. Satan lived in heaven thousands of years ago. He became filled with pride and rebelled against God. As a result, God banished him, and cast him with one-third of the angels, who chose to follow him, out of heaven.

Let's call the place where God, the throne room and the Kingdom are the "Third Heaven". Satan and the fallen angels are banished to a lower spiritual realm which we will call the "Second Heaven". This is located just above the earth which is where we are. We will call earth the "First Heaven".

God, angels and saints operate from the spiritual "Third Heaven". Satan and the fallen angels operate from the Second Heaven. The human race resides in the

physical realm or the First Heaven, known as earth. It seems that each of these places have different systems of operation. For example, here, in the physical and spiritual realm of the First Heaven (earth), we have gravity that impacts the way everything else functions.

My guess is that hell is actually within the darkest place is in the middle of the earth, below the surface. Hell is some kind of spiritual realm where our spirit goes. Remember, when we die our physical body stays here on the earth and our

**Remember,
when we die our

to another
realm.**

spiritual body moves on to another realm. While I do have Scripture to back this up, please understand that this is a prayerful, wise and discerning guess or theory. While it is only a theory, it does make sense. I have not been to hell and I don't want to end up there. I live on earth and I expect to go to heaven. There are numerous reports of people dying or being taken to these supernatural realms where they inform us of what they saw and experienced. This is also what our movie script is about and is based on. In

preparing the script we relied on God's Holy Spirit, the Bible and numerous other books. We consulted spiritual leaders and Bible scholars.

I have always been praying for God to take me in the spirit to visit these places, but as of the writing this book that hasn't happened yet. I am not sure that it ever

will, but I do want to go. I believe seeing these spiritual realms will help me improve the script so that it can be as accurate as possible.

GOD'S ASSIGNMENT FOR THE FILM – CLEARLY PORTRAY HEAVEN AND HELL

God's assignment was clear, but it will not be simple! We are commissioned to create an exceptional film that clearly portrays the Good News of Jesus Christ the God and Savior of the world. We are to portray His birth, life, death and in particular His resurrection.

Our assignment is to make these spiritual realities clear:

1. Jesus is God
2. Jesus is the only way to God
3. Both Heaven and Hell are real

In essence, the strategy is to distribute this exceptional film to the entire earth and to unite the church globally while doing so.

THE REALITY OF DARKNESS

For now, let's agree that there are three spiritual realms. Either you believe this theory, you have your own, or you haven't made up your mind yet. For the sake of discussion, let's agree that this is true.

Satan and the fallen angels are very upset and Satan has vowed to disrupt God's plan and the fallen are committed to assisting him. Also, Satan knows what God has planned. He knows that Christ has already won the full victory. His strategy seems to be to steal, kill and destroy as much as possible now. He wants to harm and distract humans from perceiving God accurately, so that they do not believe Him and end up in hell. We know that as much God loves every human, unfortunately not all will make it to heaven. I believe that Satan is attempting to do enough damage and derail enough humans so that God will have to change some of His plans as a result.

We know the real truth. Satan and the fallen ones are desperate and as time gets shorter for them, they become more desperate. This is what we are experiencing on earth now. There seems to be an explosion of evil and dark initiatives and strategies.

UNDERSTANDING ANGELIC ARMIES

I also suspect that many of the fallen angels miss heaven. I believe that they miss God and are very upset about the situation they find themselves in. Really, the worst thing that can happen to any being is to be away from God and His presence, love and grace. The theory is that Satan was one of three lead generals of the angel armies. The archangels, Michael and Gabriel, are also

**The worst thing that
can happen to any
being is to be away
from God and His
presence, love and
grace.**

Generals and each of the three were in charge of a third of the angels. When Satan fell, his legions fell too, but many were tricked or fooled, following a General to their doom. I believe that they are not very happy about it. So, there is probably much frustration, discord and infighting within Satan's camp. God's armies operate on love, while Satan operates through fear, pain, suffering, evil and coercion. These are all of the same dark motives that drive their efforts to steal from, kill and destroy humans.

In the spiritual realm, Satan and one-third of the angels fight against God, while Michael with Gabriel and two-thirds of the angels are fighting for God. Satan and the fallen angels eventually lose. Outnumbered and up against Jesus, this will be a quick battle. In the meantime, Satan and those fallen angels harass us, torment us and do what they can to get us to not believe God. They even seek to kill us before we come to know Him. They use many tactics; wars, drug addictions, abortions, diseases like aids, etc. If you continue to sin and deny God, there are consequences. It is that simple. This is a basic overview of the spiritual side.

SATAN HAS HUMAN FOLLOWERS

I want to present information and observations that you will either enable you to understand or inspire you to do your own research. Let's talk about the physical side. Satan has human followers on earth. Whether they are Satanists, Illuminati members who have made blood oaths or pacts with the devil, witches, warlocks, those who practice dark magic, global elitists, war mongers, certain entertainers, Hollywood stars or politicians. Any foolish human looking for power, or those

dominated by greed or their need for control or those who are looking for the easy way, may knowingly or unknowingly be following Satan. I will focus on that in a second.

THE NEPHILIM

I also believe the Bible regarding fallen angels, who have come to earth on behalf of Satan. The Bible reports that they had sexual relations with human females creating Nephilim, giants who are half human and half demons, an alien race.

I believe that these creatures taught humans advanced technology, engineering abilities in warfare and practices of magic. This helps to explain places like

If a person who is working for Satan has a supernatural encounter with Jesus Christ or a believer leads them to Jesus, I believe that person can be saved and redeemed.

Atlantis, Stonehenge, the Egyptian pyramids and other historical locations which report of giant beings interacting with the human race, and not in a good way.

Also, why did God destroy the evilness of human kind through a global flood? I believe it was due in part to the proliferation of these sinful creatures. God decided to start over again with Noah. Unfortunately, we are in very dark times once again. This is really why Jesus will have to return soon, before we wipe ourselves out through sinful and evil

destruction. I would even suggest that a Nephilim blood line somehow still

functions on the earth. I believe that Nephilim are still mating with individuals, some who are from wealthy families, global elitists who have formed secret societies devoted to Satan.

This is a simple summary of my thoughts regarding certain spiritual realities and the darkness that Satan, the fallen angels and his human followers engage in and perpetuate.

HUMAN FOLLOWERS OF SATAN

Let's go more in depth into the physical realities on earth and the kinds of things that we are dealing with now as a result of Satan's evil plans. We will start with things that will be easy for you to verify by doing your own research. Satan seeks to influence humans and has persuaded many people and groups to make agreements with him, even to the point of making blood covenants and dedicate their future family lines to serving him. These evil agreements open the door to darkness and destruction for individuals, families, groups, geographic territories and even nations.

If a person who is working for Satan has a supernatural encounter with Jesus Christ or a believer leads them to Jesus, I believe that person can be saved and redeemed. In the same way, if a person is an atheist their whole life or they have never responded to God by trusting in Jesus, but they are led to the Lord on their death bed, then they are saved. It may be by the skin of their teeth, but they will make it to heaven. We may never understand why some people receive these revelations and others do not, but we can still trust God. His ways are higher than

our ways. We may never know why someone like me gets more grace than others, but as long as God's happy that's all that matters, isn't it? **Yes!**

SATAN'S EVIL PLANS

Satanists and demons are like busy bees on the earth. They cause all sorts of problems for humans, nations, the church and the planet. The power, leadership and influence structures are similar for those who serve God and those who serve Satan. Some people and families are passionate and zealous. Some wield great power and influence many.

In the Kingdom of Light, some are on fire for God. Some lead big ministries, are pastors, teachers, or prophets. Many are luke-warm, mediocre Christians. They only go to church once in a while and never read the Bible.

Other believers live in survival mode or are complacent and easily distracted. Their lives seem to have very little lasting impact. Some will make it to heaven even though they barely knew Jesus.

In the Kingdom of Darkness there is a similar dynamic. Some people, families and groups wield great power with great devotion to bring destruction. Others have very little impact.

**The power,
leadership and
influence
structures are
similar for those
who serve God and
those who serve
Satan.**

There's a small group of Satan followers that control global banking, pharmaceutical companies, Hollywood studios and much more. They leverage the power of darkness in order to monopolize, manipulate, control, gain power and wealth and bring destruction in a variety of ways. Some run Hollywood movie studios and seek to brainwash. Some lead high-tech companies and seek to distract and influence. Some orchestrate the world-wide war machine and seek to kill off people. Some are false priests and are planted in a local parish with the assignment to hurt people and bring harm to the organization. The list goes on and on.

Conversely, a lot of non-believers are just really checked out. They walk through life as if in a fog, bouncing from one selfish act to another. While it is very sad to see any life wasted, let's focus here on the evil individuals at the top of Satan's power structures, and what he is doing to dominate and destroy the world. If you have not seen the James Bond film, *Spectre*, go see it. In this film, the hero, James Bond, is fighting a secret organization called Spectre. This is such an accurate portrayal, you might as well just call them Satanists or the Illuminati. Spectre is a secret underground group who meet, plan and conspire to run the world. They hold secret and very private meetings around global leadership events like the UN, IMF, WTO, G8, and the Olympics. These events are where world leaders, captains of Industry, wealthy globalists and spy agencies meet on a regular basis.

Some of the individual participants have been groomed from birth (e.g. think Rockefeller, Rothschild, etc.) or recruited at universities into secret fraternities and societies (e.g. think the Bush family, Skull and Bones, etc.). Some at higher

levels get approached once they have made it big (e.g. think Bill Gates of Microsoft, Mark Zuckerberg of Facebook and celebrities). Some are chosen, groomed and supported for years politically (e.g. think Barack Obama). There are billionaires who are funding many so-called charities and good causes, but behind the scenes the motives and intentions are pure evil (e.g. think George Soros, etc.).

There are Freemason groups or charities that look like they are helping children on the outside, but inside there is a secret allegiance to Satan (e.g. think 33rd degree level Freemasons). As these people climb the ladder of devoted

Satan and the dark side have been deceiving and manipulating humans for a long time.

participation, it gets darker and more sinister. Blood oaths, evil covenants and Satan worship are introduced and agreed to.

Sometimes people start small. They may be recruited into a terrorist group and persuaded to hurt innocents, get there start in a masonic lodge, a criminal gang or a Hollywood studio system. As they work

their way up the ranks, it just gets darker and darker, until at the top levels of demonic influence they engage in things like child sacrifices, sex orgies and blood drinking pacts with the devil.

These things and more are already happening and will converge by 2030. They can be easily researched. Information can be found later in the book with [diagrams](#), [information](#) and [resources](#).

Let's look at the big picture. Satan is at the top directing the fallen angels. Remember, Satan can't be everywhere like God. He is mostly over Israel, because this is the most important place. This is the geographic epicenter of the final battle centered around religion. This is the place where Jesus will return and bring His Kingdom into the thousand-year reign on the earth. Satan's top generals are everywhere else, with lower ranking demons flitting back and forth in the spiritual realm receiving commands and updates.

Demonic generals are assigned over the UN headquarters in New York, over Presidents and Prime Ministers and other world leaders. One is following billionaire George Soros around. There is one with Bill Gates of Microsoft. There is one over Mark Zuckerberg and other Facebook officers. One is over the Federal Reserve, various spy agencies and the Council on Foreign Relations (CFR). Yes, every key company, country and individual may have a major demonic principality assigned to them, whispering lies and evil thoughts that are subsequently agreed to. Often, the human is getting ideas or instructions that they believe are their own, but are actually from evil spiritual sources. Obviously, the more open humans are to receiving information and help from these demonic forces, the happier Satan is. He and the dark side have been deceiving and manipulating humans for a long time. They have gotten quite good at it over the years.

A ONE WORLD GOVERNMENT

Unfortunately, it is all about to culminate in a controlling one world government rule that will dominate people and nations, impose the mark of the beast and

facilitate the anti-Christ's rise to power in the end days of the tribulation. Satan, the director, has put all of this together with lots of help from human beings ruled by their own pride, greed, lust, love for material things and cravings for fame and power. **(1 John 2:16)**

Consider the United Nations (UN). It was originally created after World War II, in the 1940's, by a few nations of the world so that they could meet, discuss and strategize regarding issues, global politics and agendas. It was started as a seemingly good thing, but as usual it's been twisted over the years by men, pride, power and Satan.

Currently, the UN creates a UN Development Plan (UNDP) which outlines what the UN and the nations of the world intend to accomplish. If you go to the UN's website (www.un.org/millenniumgoals/) and read the millennium plan up there it explains what they are doing and the rollout of the mark of the beast in 2030. It sounds good as it does some feeding of the world, helping children, etc., etc. The plan includes partnering with the World Trade Organization (WTO), International Monetary Fund (IMF), G8, World Health Organization (WHO) and other global organizations to make sure that these goals are achieved.

**It is all about to
culminate in a

that will dominate
and control
people and
nations.**

The problem is that these groups want to identify individuals, documenting them on one centralized system that will identify and monitor everyone. This will be done under the premise of helping people. In reality, this is the implementation of a network structure that will be used to facilitate a one world government – a new world order.

5G IS HERE

The interesting thing is the way that they plan to do this. These groups are partnering with major global companies. These include technology, media, pharmaceutical, artificial intelligence (AI), satellite manufacturers, etc.

A few of these companies and nations are building what they call “The Brain” – a centralized computer that will be the hub of the global network. The network itself is being created now by Google Brain [The Brain](#) or AI. Currently, the largest cell phone companies are building a new cell phone infrastructure called “[5G](#)” This will be implemented commercially by 2020. Ultimately, every internet device (cell phone, computers, car, etc.) will have to be connected to this 5G system. You might ask, why? Because once it is fully operational, they will crash the old systems. We will have no choice but to be on the 5G network. Google, 5G, it’s all there. You will start seeing the marketing of it soon. It will look helpful and fun, but is actually the tool that will be used to facilitate a much more sinister plan.

GLOBAL INTERNET ACCESS

This plan will provide internet access to the entire globe. Currently, only about

3.5 billion of the world's total population have access. The internet was originally owned by and located in the USA. In 2017, the US government turned over control of the internet to the United Nations (UN). Internet access will be everywhere by 2024 and maybe even sooner. The entire world will be connected for the first time in history. As with the biblical account of the Tower of Babel,

Chips are being embedded in credit cards, banking cards, motor vehicles, microwaves, appliances and more. They are embedding chips everywhere in order to gather data.

this is not going to be good for the world.

In order to complete the infrastructure, more cell towers will be erected in cities, which is a scary thought, because microwaves from these towers are highly dangerous. The waves cause cancer and other major health issues. Years ago the cigarette companies told the world that smoking was good for you and safe to do. It wasn't until years later that the truth was exposed. Cigarette smoking has been proven to cause cancer and have other harmful effects. Cellphone

companies are hiding similar dangers from the public. Do your research. It is all there.

The additional strategy to complete the infrastructure is to build and employ 560 low flying satellites. There is a factory in Florida (USA) doing the manufacturing. These 560 satellites will circumnavigate the planet. They will connect the world and fly so low you will be able to see them with the naked eye. They will function

like local cell towers in that they will provide cell phone and internet access even to the remotest regions of the earth.

MONITORING INDIVIDUALS

Numerous countries are installing cameras in all of their cities. Millions of cameras are being employed to create a continuous grid of visual monitoring and recordkeeping. Israel is just about finished. They convinced their citizens that the security benefits were worth it. China is close behind and major cities, like Hong Kong, are already fully monitored. The USA, Saudi Arabia and other nations have also started this process. Robots are currently being built and employed that will provide other things like medical and military surveillance. The implementation is underway and being tested right now.

The final big piece is biometrical scanning and data capturing. India has completed the process of eye and finger printing its entire population. Other countries are close behind. They say that this is being done for security and healthcare reasons, but it is actually intended for much more than that.

Chips are being embedded in credit cards, banking cards, motor vehicles, microwaves, appliances and more. They are embedding chips everywhere in order to gather data. Satellites are connecting the world and providing complete access to the internet. All of the various chips and individual devices will be connected to and accessible from one centralized hub, The Brain, a supercomputer with a corresponding recordkeeping system. Buy anything, go anywhere, watch anything and they will be watching you, monitoring you, and

therefore gaining control over you. I heard an interesting observation that most people don't actually want freedom. What they want is to feel safe and secure. This will be the sales pitch to the world. They will make it look appealing.

CREATING TERROR

Terrorist threats and attacks will increase worldwide leading eventually to a variety of wars. Major clashes will continue as a result of the struggle for control emanating from the fighting between the Sunni and the Shiite factions of the Muslim religion. Evil leaders are starting wars, like the one in Syria. They use wars to make money, gain power, control populations and terrify people.

They have also started releasing viruses, like the Zika virus. This was released during the

summer games in Brazil. It is the same virus that was created by one of Bill & Melinda Gates' foundations with labs in Africa. Once again, search this information out. It is readily available.

Satan's plan is to create problems, chaos and fear. It is all a part of his strategy for taking over the world. He is preparing people to agree with his plan.

These forces of darkness have already brought the world to the point of no return on the road to total annihilation of the liberties of man and the independence of nations. Their intent is the enthronement of Satan and the anti-Christ on earth.

**We must learn to

but not condone

LOVE THE PERSON, NOT THE LIFESTYLE

Same sex marriage is legalized in most nations. Churches and denominations are allowing people actively living this lifestyle to function as spiritual leaders. Really? We must learn to love the people, but not condone sin and even help promote sinful agendas. Abortion is now a recommended practice. Murdering babies in utero is accepted by the public and funded by the government. Planned Parenthood operates from a hidden and sinister agenda. The world is a mess and getting messier. These are spiritual and sinful issues that need to be addressed.

ADDITIONAL OBSERVATIONS & CONCERNS

Debt and Defaults

We will see more real estate and banking crashes. The stock market will eventually crash as well. It is already just a huge bubble of fake securities and stocks.

Consider the amount of consumer debt on credit cards and people's spending habits. Hollywood is brain washing people to indulge themselves in selfish pursuits. The pharmaceutical industry and medical systems are prescribing drugs that are lulling an entire population into debilitating addictions. They want people to believe that drugs are an easy answer to complicated problems. In reality many drugs dispensed by doctors have proven to be the entry point to financial ruin, addiction, dysfunction and death for many people and families.

Small businesses and big retailers (e.g. think Sears, K-Mart, etc.) are going bankrupt. With so much over-maxed credit, bank and real estate loans are starting to crash. Our society is in massive debt with no apparent way out. We may be heading for a huge crash of the entire financial system and a reboot where a new structure will be put in place.

I believe a new world currency is coming, the USA dollar will crash, causing major problems. Then, either the Chinese Yen or the New World Order Phoenix Dollar will take its place.

Exchange Stabilization Fund (ESF) was established in 1934. I believe this act allowed and enforced the US government to take gold from its citizens for the war effort. This was a scam based upon a lie. It was used to stabilize the US dollar as the world currency. I believe it will happen again with the implementation of the New World Order's next global currency.

TECHNOLOGY & SURVEILLANCE

Bill Gates of Microsoft just bought the social media platform, LinkedIn. This means that it will be compromised and used for Satan's plans.

You will see more and more companies buying other companies creating monopolies and amassing power in preparation for the evil plan of world domination and control.

Saudi Arabia is building robots and the first AI robotic police officer. They are integrating AI into police stations, DNA research and DNA recordkeeping.

Foreign Intelligence Surveillance Act (FISA) of 1978

This US Federal law establish procedures for the physical and electronic surveillance and collection of “foreign intelligence information” between "foreign powers" and "agents of foreign powers" suspected of espionage or terrorism. I believe the misuse of this law allows the US government to approve surveillance on anyone by getting a special court warrant from a closed court session. It has also allowed each participating country to obtain information on its own citizen through cooperation with the Five Eyes (FEVY) alliance (USA, UK, Australia, Canada and New Zealand).

MIND CONTROL

MK Ultra – is a code name for research into mind control on humans using drugs and frequency waves.

Mark Phillips – was the co-author of *Trance-Formation of America* which exposed the horrific mind-control, child abuse and satanic network controlling the United States.

Ground Wave Emergency Network (GWEN) Towers – Decommissioned Cold War-era radio antennas have the potential to be used by the U.S. government. The concern is that these antennas may be a part of a vast network of devices — imbued with the power either to control the minds of citizens, alter the weather, or create earthquakes. They can shoot frequency waves that can disrupt a person’s mind or interject thoughts.

Targeted Individuals (TI) are people identified as enemies of the State, which means CIA, FBI, the Military and the Illuminati are watching them. It is believed that government agents make use of electronic harassment on Targeted Individuals (TI). They transmit sounds and thoughts into people's heads, disturb their bodies and generally harass them.

Church Committee – The Church Committee was the United States Senate Select Committee to Study Governmental Operations with Respect to Intelligence Activities. The committee was part of a series of investigations into intelligence abuses in 1975 by the Central Intelligence Agency (CIA), National Security Agency (NSA), Federal Bureau of Investigation (FBI), and the Internal Revenue Service (IRS). The committee's efforts led to the establishment of the permanent U.S. Senate Select Committee on Intelligence agencies who were watching its citizens (e.g. think “Watergate” and “JFK”).

CONTROLLING THE ENVIRONMENT

Chem Trails - The Jet Fuel Cloud Seeding Program (JFCSP)

Chemtrails are long-lasting condensation trails consisting of chemical or biological agents left in the sky by high-flying aircraft, believed to be sprayed for nefarious purposes undisclosed to the general public. Normal chem trails dissipate relatively quickly, chemtrails that linger may contain additional substances. The spraying of aluminum particles and other metal biological ingredients is what is known as stratospheric aerosol geoengineering. The purpose of the chemical release is solar radiation management, weather modification, psychological

manipulation, human population control, or biological or chemical warfare. This may be causing respiratory illnesses and other health problems. Spraying into the air, ground and water is very toxic and is both planned and controlled.

Recent revelations from Snowden outlined a complex cloud weather modification project carried out by the classified High Altitude Auroral Research Project (HAARP) and the Jet Fuel Cloud Seeding Program (JFCSP) commonly known as Chemtrails. These revelations were addressed by then President Obama on January 22, 2014. A press release admitted to decades of classified weather modification by the United States and many other nations, and promised to establish a permanent international independent oversight committee.

The circle of life starts with various food chains. These food chains have been disrupted in recent years as a result of corporate greed.

For example, bees are dying off in huge numbers. The use of neonic pesticides has soared in recent years, and populations of bees and other critical pollinators have experienced sharp decline. Biologists have found more than 150 different chemical residues in bee pollen, a deadly “pesticide cocktail”.

The global seed company Monsanto produces seeds that grow once and don’t produce new seeds. This allows them to control the world food systems and markets.

Without proper food production and food distribution, the world’s population will be in danger. Some countries are struggling with food production today. I believe this will soon be a global problem for all.

MONEY AND MONITORING

Soft Bank Inc. is the phone and telecommunication side of the strategy to connect the world through hand held devices and the internet. It now owns operations in broadband; fixed-line telecommunications; e-commerce; internet; technology services; finance; media and marketing; semiconductor design; and other businesses.

They were ranked in the Forbes Global 2000 list as the 39th largest public company in the world, and the 4th largest publicly traded company in Japan.

OneWeb.com's mission is to build a new global knowledge infrastructure accessible to everyone. In June 2014, they acquired the satellite spectrum to offer broadband Internet services via satellite. Their plan is to put 882 low flying satellites into space to connect the world to internet as early as 2019. The company's business plan is to attempt to "reach hundreds of millions of potential users residing in places without existing broadband access."

The UN will impose this strategy upon the nations as part of its one world government and the World Union initiative.

ARM Chip – ARM chips are 32-bit and 64-bit RISC-based CPUs that are known for their low cost and low power requirements (see RISC). This is the company building chips for phones, cars, microwaves, clothing, even your hand.

Data Gathering – Data mining is the process of discovering patterns in large data sets. Corporations and governments are collecting information on where you

shop, what you buy, how you spend your money and your vacation, health and banking habits.

Snowden – *Snowden* is a 2016 biographical thriller film about Edward Snowden. Please go see the movie. I believe that it provides very accurate information on what shadow organizations and governments are doing to the public.

No Privacy

People all over the world are being monitored 24 hours a day via the internet, phones, emails, chatrooms, tweets, blogs, podcasts, computers, smart TV's, microwaves and even clothing. Any device with a smart chip can be used for electronic monitoring.

FUTURE ISSUES

Tomorrow's Mission Field

I believe the last mission field is not a jungle or village in some faraway place. ***The last mission field is the people who access the internet through hand held devices.***

Ten Nations or Ten Corporations?

I believe that the ten kings (or nations) referred to in Revelation 17:12 may actually be ten corporations that could rule the world in the end days.

The Most Dangerous Acts of Terror

Many top leaders are not primarily concerned about acts of terrorism. They are more concerned about what nations, companies or individuals can do on the

internet through cyber-attacks, global theft, hacking or Malware computer virus attacks.

Population Control

The Satanists and the Illuminati intend to decimate the population. They will take over nations and set it up with governments and systems they can control. They also are behind abortion.

Planned Parenthood is the largest single provider of abortions in the USA. The historical foundation of this organization was rooted in racism, eugenics and population control. Abortion, the killing of babies, is not only about population control, but is also used to satisfy the satanic desire for child sacrifice by Satan.

I believe that the CIA is the largest drug cartel on the planet. They promote the use of drugs which lead to drug overdoses. They promote the homosexual agenda which has resulted in AIDS. These strategies are intended to reduce the population. The TV industry and the pharmaceutical industry are the main promoters of these strategies. The pharmaceutical companies and FDA, who are working closely together, buy a majority of TV advertising to sell drugs that keep people sedated and even kill them.

Dangerous Ties

Donald Trump's son-in-law Jared Kushner is in business with billionaire Illuminati members at the highest level (e.g. think Goldman Sachs, George Soros, Peter Teel). They all are involved in Kushner's company called Kushner Companies LLC

(Cordrae LLC). He is also involved with the Black Stone Group, Bank of America and Bank of Scotland. Jared is a follower of the false religion or cult called Kabala along with his wife, Ivanka, Donald Trump's daughter. Kabala is a very dangerous Jewish cult and religion. Jared selected the street number 666 for his offices New York City.

World Economic Forum (WEF)

The World Economic Forum is the International Organization for Public-Private Cooperation. The Forum engages the foremost political, business and other leaders of society to shape global, regional and industry agendas.

It was established in 1971 as a not-for-profit foundation and is headquartered in Geneva, Switzerland. It is founded on a principle known as stakeholder theory. It is through organizations like this that global structures are set up (e.g. think global vaccination of every child, LINK registration, etc.)

Klaus Schwab

Klaus Schwab is the Founder and Executive Chairman of the World Economic Forum (WEF). In his 2016 book, *The Fourth Industrial Revolution*, Schwab argues that this revolution is different in scale, scope and complexity from any that have come before. Characterized by a range of new technologies that are fusing the physical, digital and biological worlds, the developments are affecting all disciplines, economies, industries and governments, and even challenging ideas about what it means to be human.

According to some, since he became world-renown, he and India's Modi will not have any Christians welcomed or tolerated. There are claims that they are hanging priests and raping nuns. The government and its judges are allowing this.

At a recent **World Economic Forum (WEF)** meeting, Modi was the opening speaker. This was the first time since 1977 that India was represented. They want global money, so they bend rules to gain money and power.

WEF says it is now reaching out to religious leaders, like:

Justin Trudeau, the new global face from Canada, from Barak Obama to Trudeau, and French leader, Emanuel Macron, who was just working for Rockefeller's before becoming France's President. He is very liberal and part of the Illuminati.

In 2017, India created the Aadhaar system, a 12-digit unique identity number that can be obtained by residents of India, based on their biometric and demographic data. Aadhaar is the world's largest biometric ID system. This system allows its citizens to obtain a number of convenient and needed services, including banking, shopping, government services (employee funds, welfare, old age pensions, etc.), mobile sim cards, a cashless society and the mark of the beast. It utilizes a database with both unique eye (retinal) and fingerprint technology. India has given all of its citizens a number, 1.4 billion people.

AT&T (T-Mobile) & Verizon – Rolling out and deploying 5G, and to uncover the TV industry by going after the house services and contracts. A box and 5G – (Layer three company by T Mobile a wireless box in your home).

All the car companies making plans of driverless cars, using 5G plan and roll out. The 5G technology is the hub or connection to phone, credit card, home, appliances, cars, banks. Constant connectivity – a massive global change. 24-hour connection, health risks exposed to microwave rays, phones close to your body, more antennas on buildings, homes, exposure to microwaves 24 hours a day – it's all not good.

Unlike cigarette smoke from years ago that those companies didn't tell you all the health risks and now years later cancer is out of control microwave exposure you can't see, and the health risk to your DNA is even worse from your cell phone plus the time your connected (no quiet time, no self-time, no God time, busy, busy, busy). It's all not good.

Satan needs and is building an army

Transhumanism – build a better human machine and man, singularity GRIN technology, DNA manipulation, super soldiers.

G.R.I.N. – Genetics, robotics, Artificial Intelligence, Nano technology

HULE – Human, Universal, Load, Carrier

Joseph Mengele – Josef Mengele was a German officer and physician in Auschwitz concentration camp during World War II. He performed deadly human experiments on prisoners and was a member of the team of doctors who selected victims to be killed in the gas chambers.

Other Examples of Illuminati Activity

After 9/11, The Patriot Act and Homeland Security was initiated to better control and watch people everywhere. (Movie: Snowden)

All the negative hype on Iran and Islamic people who are all not monsters, just people like us, who need Jesus, and really looking for their father Abraham from the Bible.

13 families who control 300 families are trying to control the world. It gets harder for them as more people are born, they actually want to kill off most of the population.

They use financial ways above the IMF, World Bank, Federal Reserve, etc., to put every nation in a debt-based dollar situation, printing of new money and FIAT money loans. They developed CIA, M5, Interpol, US Mail, Internet, Facebook is a profiling space.

Another great example is **F.E.M.A.**, President Bush or the illuminati used this to become the control unit in the USA. Any disaster the President of the USA can claim a national disaster and the organization F.E.M.A is put in charge. Even a state disaster the Governor files a report with the F.E.M.A. regional director who then makes a recommendation to the Director of F.E.M.A. New Orleans a few years ago a good example of control, it took 4 days for the Fed's to get involved, step in – was this a test run?

Federal Emergency Management Agency (FEMA) is the federal agency for advising the President on whether to declare a major disaster or emergency. When this is done, they are giving complete control over fire, police, FBI, CIA, President, everyone, this will be the group that calls for Marshal law here when it happens, this organization is the illuminati strategy. When this happens, it will be on the roads, traveling, controllable not having to go house to house, which they will not do later under less threat, most will be locked up then it will be a false alarm of a plague, or a real plague. The President will declare a state of emergency and all state, government agencies will come under F.E.M.A. and all state, government agencies will come under F.E.M.A. part of the secret government, illuminati, Pilgrims, Satan.

They may have not disappeared. Another version is they were disbanding like the Knights Templar (58 BC to 45 BC). Then to AD9 with Caesar IX that far back as the Templars of their time

THE COUNCIL OF FOREIGN RELATIONS

The Council of Foreign Relations (CFR), Central Intelligence Agency (CIA) and Federal Bureau of Investigation (FBI) – These are the modern day versions of control

Campaigns for Augusta BC 24

Augusta: Provençal, Capital London

Ventidius Bassus BC 44

Britain, Spain, Italy, Africa – They were sent everywhere to conquer and restart a nation. Example Londinium

From Rome, wealthy and powerful man, illuminati open up land, castles, towns, cities, nations. Rome was the USA, UN of that time, controlled somewhat.

Murder on the Orient Express – Agatha Christie Novel - Sidney Lumet, Director

A murder on the train, 12 knife wounds. We at first believe one killer but 12 suspects at the end we find all 12 were in on it and it was a meditated plan. Just a great example of what also is happening around the world, with all these groups to blame not just one.

The Department of Homeland Security run by Janet Napolitano under Barack Obamas administration was monitoring dozens of popular websites such as Facebook, Twitter, the Drudge Report, the Jihad watch, Google, Yahoo, etc., and collected personally identifiable information.

FUTURE TIME LINE – BAD NEWS

2016 -----> 2030 14 years

- Pope goes to UN – 15-year millennium plan for next 15 years – 2016 – 2030 all nations in UN control to IMF, WTO, etc.
- One World government by 2030

The growth of human kind after the flood it took a thousand years to get to 1 billion, then 1 billion – 2 Billion, 2 Billion to 4 Billion and then from 4 billion to 8 billion has taken 100 years by 2030 there will be to many people.

- I believe that Freemason groups and charities may look like they are helping children and widows, but that is just a false front. I believe that there is darkness at the core of this organization and at the 33rd level of their society, individuals make a demonic contract with Satan.
- I believe a radical jihadist group responsible for at least 50 attacks on U.S. and NATO forces is operating at least 35 training camps in the USA. – JaMaat ul-Fugra, also known as “Muslims of America” and “Quranic Open University” have purchased hundreds of acres of land in the USA. Their leader is Sheik Mureak Golani.

MOUNTAINS OR SPHERES OF INFLUENCE

We believe there are more than 16 mountains and all are led by people and organizations that can be influenced to work with God or with Satan depending on the person’s heart.

After His resurrection, Jesus made our assignment very clear. He told His disciples and us that He has all authority and that we are to go to the nations of the world in His authority. He promised to co-labor with us to teach the people of the world who He is and how to respond to Him and obey Him in every way.

(Matthew 28:18-20, Mark 16:15-20)

We are partnering with God not only to inform nations but to see them transformed into functioning in the ways of God’s Kingdom. Loren Cunningham,

the leader of Youth-With-A-Mission (YWAM), an organization that trains and mobilized people to fulfill the Great Commission was asking God where to start in fulfilling that mandate. The Lord revealed a strategy to him in response. God told Loren that there are areas of society that are like ‘classrooms to disciple nations. Loren wrote these ideas down. The next day he had lunch with Dr. Bill & Vonette Bright, the founders of CRU (formerly Campus Crusade for Christ), an organization with the same mission. Dr. Bright pulled out a piece of paper on which he had written the same instructions from God. “A few weeks later, Loren’s wife, Darlene, heard Francis Schaeffer report the same instructions from God during a TV interview.” (pages 46-47 *The Book That Transforms Nations* by Loren Cunningham.

We've identified 16 spheres of influence in every society:

- 1. Arts & Entertainment**
- 2. Banking**
- 3. Business (Marketplace)**
- 4. Communications**
- 5. Education**
- 6. Faith (Church)**
- 7. Family**
- 8. Government**
- 9. Internet**
- 10. Media**
- 11. Medical (Healthcare)**
- 12. Military**
- 13. NFP's (Not-For-Profit)**
- 14. Science**
- 15. Sports**
- 16. Technology**

...And their could be more spheres

End Days – Light and Dark

Chapter 11

Important Thoughts

As we move forward into the 21st century, which I believe are the end days, the internet is now the final frontier of evangelism. People use the internet to connect with each other. It is also used for and has facilitated a rise in: false news, false flag events that create distraction from important and true news events, data collection, hacking, identity theft and many other things.

The new 5G (fifth generation) technology and cell phone connectivity is coming out in 2020. This is a major aspect of the final preparation for the demonic end day systems and structures that are intended to be used to control the cities and nations of the earth and force individuals to accept the mark of the beast. Soon, you will not be able to buy food, water, do banking, drive a car, travel on an airplane, train or even a bus without this mark. You will be monitored and observed via chips, GPS tracking, cameras and satellites, as well as voice, facial, retina and finger print recognition identification.

Some hope that they can get off of the grid, go live on a mountain top, live off the land and avoid detection and surveillance. To be honest, this is just foolish thinking on their part. Purveyors of these systems will be able to find you anywhere, and then track and monitor you anywhere. Quite frankly, they are doing it now.

As a follower of Christ, we don't need to hide and we shouldn't even be to stressed out by all of this. We are the light to the world. His light! We need to shine the light and not hide it. Even with all this crazy stuff going on, we know that the actual final system is Jesus Christ and the Kingdom of God. We will live forever. Earth is temporary. I don't worry about worldly things and neither should you.

The more you engage the Holy Spirit, let Him lead you, the more you will discern, be blessed and overcome.

The truth is that being martyred for your faith in Jesus and your commitment to following Him is life's greatest honor. Everyone will die a physical death sooner or later. Remember, even the heroes of the Bible; Moses, David, Joseph, Abraham and Jesus, all had times of preparation. They all also had dark times, were tempted to lose hope, and had to go to God over and over again for help.

We all have the Holy Spirit to guide and strengthen us. That's why your relationship and your effort to cultivate that relationship now is so vital. We are here to learn of, grow in and share the reality of God's love.

The truth is that God is amazing and we are blessed to know Him and be His children. It is an honor and privilege to be on an eternal journey with God. The more you engage the Holy Spirit, let Him lead you, the more you will discern, be blessed and overcome.

I know that many of you are struggling. I have struggled many, many times as well. That is the journey. It's about faith, trust and letting God in. Turning from our sin daily, repenting when we sin and turning to God, because the Kingdom of Heaven is near. It's always better to bring honor to God than to bring pleasure to ourselves. Also remember, others that you encounter may be going through tough times so try and be just a little more patient, a little kinder.

To really love and serve people in the way that Jesus did, you can't have an agenda or expect something back in return. You just have to do it for love's sake. If you are creating a business deal or functioning in the market place, you can and should have some structure that is documented. Create a contract, a legally sound agreement, but then you need to let the Holy Spirit lead and you simply have to serve. Remember, you don't arrive at humility by thinking of yourself. You get there by putting others first and focusing on God. Don't forget that when you feel miserable yourself, it's okay to ask for help. The other person will get blessed by helping you, so don't be the Christian lone ranger or a leader who has walls up.

Try and pray with people. Nothing will bring you together more effectively than that. Every time you engage with someone, seek to make it the best experience for them that you possibly can. Always try and do the right thing. When in doubt, stop and pray. Ask God, and if necessary, a trusted person, for their wise council. Try not to take on too much. Doing one "great" thing is always better than doing ten "good" things. This will be less draining on you and everyone around you. It's okay to say no sometimes. You are not supposed to do everything, just what God

wants you to do in accordance with your calling and your passion. What you do should make sense. It should be tough, but not impossible.

Jesus gave us everything on the cross. Even though He was in human form on earth, He was and is God. He had major help from God. He prayed and relied on God continually. If Jesus had to do that, how much more do we? When praying and meditating, you are aligning your spirit, soul, mind, body and emotions with and under the Lord. Instead of asking for this or that or for things, how about just get closer to God. Ask for more of Him. He knows better than anyone what needs to be done, what you and I should be doing or not doing. He knows what to focus on and what to let go of. Please quit worrying about your problems, the day to day issues, Satan and the things that bother you. Just focus on God. Give it all to Him. He has the biggest shoulders in the world.

To actually get to that next level, the new season of blessings or new revelations, you need to spend time with God. He will provide new revelations as you worship Him and quiet yourself and listen. When God is with you, who can be against you. When you are doing God's will, doors open quickly, don't they?

I am pretty sure that once we all get to heaven and are able to look back on our life, we will be quite amazed at the favor and help God provided. I believe God loves us so much that He actually shields us from many spiritual and physical challenges and attacks against us that we didn't even know might have happened. He also loves us so much that He gave us god-like powers; the privilege to be in control of our minds and free will. In 1 Corinthians, Apostle Paul writes that we are co-laborers together with God. You and I get to work with the creator of the universe. So, lift up your hands and thank the Lord, and also thank Him for our ageless journey and destiny through our time.

In Psalm 27, King David was really on a mission to know God, it burned in his heart and soul. That is why God loved him so much. The passion, the mistakes, the repentance, the love, are on display, as we learn from David's example.

God made us in His image; body, soul and spirit. Our spirits connect with Him through the Holy Spirit. He is courageous, strong, loving, loyal, funny, adventurous and, I believe, even sad sometimes. It's very important for us to understand how much we are like Him, how much of Him is in us and how much He loves us and wants to be there for and with us. As the old saying goes, the apple doesn't fall far from the tree. So, the Holy Spirit is the relationship that is so key.

Think about this for a second. The Holy Spirit is awake and available 24 hours a day. He is always there, always ready, always available. Being God, He is prepared for anything, anytime, anywhere. He is your partner, your senior partner. It is like Jesus standing with you, holding your hand and walking you

through life. That's how close God wants to be with you and with me. So please make the Lord the number one priority in your life, even over family, or ministry, your job, social media, or even life itself. God is the only one who has loved and will love you for all of eternity. You can count on that. I find God and I work best

when I come to Him with empty hands and an open heart. Then He can then fill me up with His love, His wisdom and His thoughts.

So, as it says in Matthew 16:24, put aside selfish ambitions, shoulder your cross and follow Jesus. This is my plan and, I believe, the only way to handle the seriousness of the times we are in. When we have a big calling like I do and you do, we must understand there will be challenges and hardships along the journey. The bigger the calling, the tougher the challenges. We need to be okay with that. Since I am called to unite the church globally and evangelize 8 billion people on planet earth, that comes with many

very big challenges.

I have found it's important to take responsibility when I mess up. Repentance is a daily thing. I need daily quiet time with God. Sometimes, I must wait on the Lord for the right time to take action. Remember, God the great strategic galactic

chess player, is not just getting you ready, but also all of the other people as well. I feel like a modern-day John the Baptist preparing the way for the return of the Messiah in the end days. Primarily, I focus on eternity, I want to finish well on planet earth. So, should you.

As it states in Matthew 13:57, “A prophet is honored everywhere except in his own town” so be okay with that. Some people just don’t and won’t get it. Just do it for God. Live to please Him and the rest will work itself out. Bless everyone you meet, honor the workers and the leaders. Pray for everyone. Never compromise the message and try not to compromise yourself. Have a plan, but allow the Holy Spirit to change things. The anointing of God should lead you into creating structure. The structure, however, should not dictate what you are doing.

Read the Bible daily. Spend time with God daily. Disciple someone, and allow someone to mentor you. Never put a project or a ministry above people. Loving God and loving people are the only two things that really matter.

I thank God that I have already been blessed with amazing friends and relationships. I have learned so much about the Holy Trinity and about myself. I have blessed many and been blessed tremendously. At the end of the day, this has made me a better man.

We can’t just know God, we have to be friends with Him. We have to crave that time with Him. We need to be very close to Him, the Holy Spirit, and Jesus. Remember, all of these troubles are coming, and really isn’t life hard most of the time. Daily discussions include: paying bills, having enough food to eat,

relationship challenges, church and family issues, etc. We have to contend for our time with God and even for our faith itself. Prioritize it! Be bold and share your faith with others. Be the light!

RETURN TO GOD

When we sin or walk away from God, there will be consequences. We must repent, and focus back on God. We all have sinned and will sin. We have all been affected by sin. So, repentance and running back to God is the only answer. Also, we will encounter or observe greater and greater spiritual battles and warfare. Satan and his fallen angels along with all the dark spirits from the time of the

flood, the Nephilim, fallen angels operating on the earth, giants and warped blood lines, make up a major portion of what opposes and attacks us today.

We are not to judge others. That is God's job. We are to speak the truth, be righteous, help others, use wisdom, and be as gentle as doves and as wise as serpents. Do speak out! Correct false teachings and ideas. Encourage others to find the truth. We cannot let the Gospel be twisted, changed, stopped or interfered with by anyone. The truth must be told!

God has told me it will get harder and harder. There is no easy path, no easy journey in the end of days. Expect troubles and expect God to take care of us.

**Loving God and
loving people
are the only two
things that really
matter.**

CONSIDER THESE THINGS AS WE APPROACH THE END DAYS BY 2030

- In heaven, the scrolls are brought out and read aloud to announce what will happen - the judgement.
- The seven trumpets will each announce that these judgements have begun. Each trumpet will sound and be explained.
- We all will see this unfold right before our eyes, live via internet or by The Resurrection Project platform.
- Jesus has not returned yet. He only comes after the 7th trumpet has been blown.
- The martyrs and the 144,000 will perish and go to heaven. They will be honored. They will rule the first 1,000 years with Christ and spend extra very special time with Him.
- The Two Witnesses will appear half way into the tribulation. That will signal the start of seven years of tribulation. I believe that 3-1/2 years into this, the Two Witnesses will begin the final 3-1/2 years of preaching.
- The Beast will come as a dragon to kill them. The world will celebrate this evil. Then, the 7th trumpet will sound to announce the arrival of the Kingdom of Heaven.
- Remember, as unusual, things are happening in heaven first, that will affect earth.

- The Beast and the Dragon will terrorize earth for 42 months – the final 3-1/2 years. They will deceive many and insist that everyone must take the mark or die. It will be a very bad time for the underground church.

Certain things are happening in heaven related to things that are happening on earth.

- As depicted in *The Resurrection of Jesus Christ* movie, certain things are happening in heaven related to things that are happening on earth. At first, some of these things happen separately and some things happen together. At the end, things occur

together, more and more.

- During these final years, the Church and the world will suffer together under Satan and his demonic agenda on the earth. I believe the mark of the beast will be imposed by 2030 and the 144,000 will be martyred.
- In the Book of Revelation (Revelation 14:14), it is written that Jesus comes and raptures the remaining believers who are alive and in hiding.
- Only non-believers will be left to experience God's final wrath on earth.
- The seven bowls of wrath will be poured out on the earth and two-thirds of the non-believers will die.
- Jesus will ride in on a white horse and His Angels will attack.
- Satan will be thrown into hell's jail with beasts and false prophets for a thousand years.
- All non-believers will be judged.

- God's mysterious plan will be completed!

THE FUTURE

- Those who were martyred like me, beheaded like me, will rule for 1,000 years with Jesus. It will be just believers during this special time! For some, still 1/4 - 1/8 humans are alive after rapture and Armageddon, earth still operates for 1,000 years.
- After 1,000 years, Satan will be released and will gather humans that He has deceived to attack God's people and Jerusalem one last time. But before they can as they gather around the city, God will supernaturally stop them and kill all those humans attacking it. Satan and his minions are defeated one last and final time. They are thrown into hell now for forever, where the False Prophet and the Beast, who are humans, are already prisoners.
- After these 1,000 years, earth will exist no more. The Great White Throne of Judgement will now commence for everyone. Those whose names are written in the Book of Life will go to heaven. Another book, recording the names of non-believers will be opened and they will go to hell.
- Heaven, the New Jerusalem, will come down. There will be no more suffering, pain or death. The Bride (the Church) will be united with her Bridegroom King (Jesus).

- Now, we will rejoice in heaven. These will be glorious times for ever and ever! All the great stuff starts now and continues for all of eternity.

END DAYS – FUTURE

(John 16:2-4, TPT) – (Jesus speaking) ²For you will be excommunicated from the synagogues, and a time is coming when you will be put to death by misguided ones who will presume to be doing God a great service by putting you to death. ³ And they will do these things because they don't know anything about the Father or Me. ⁴ I'm telling you this now so that when their time comes you will remember that I foretold it. I didn't tell you this in the beginning because I was still with you.

Times will get very serious in the end days. Satan and people will try to kill believers. Just as we are seeing in Syria, Egypt and North Korea right now.

The world's greatest sin is not actually the love of money, viewing pornography or killing. It is actually unbelief in Jesus Christ. The greatest sin is not believing that Jesus Christ is God!

The final judgement is for believers, non-believers, Satan, fallen angels and, I believe, even for the angels that serve God. For Believers: we will be evaluated for what did we do with our gifts and talents and why. For Angels: God will assess whether they performed their duties well. For Non-Believers: Satan, fallen

angels and evil spirits, there will be harsh judgement resulting in being cast into hell for all of eternity.

FINAL THOUGHTS

In order to finish well on planet earth, the key is to stay focused on God. Lovingly depending on the Holy Spirit, as our Guide, will see us through. Clearly the early Apostles prioritized their relationship with the Holy Spirit. His grand entrance on the scene at Pentecost made Him very real and very approachable. Their gifts, power and success were all greatly dependent upon Him. I feel we need to get back to that awareness and intimacy in order to succeed in what needs to happen now. We must spend quality quiet time and prayer time with Him. To talk and to listen for His wisdom, His guidance and His direction is a daily, even a minute by minute endeavor. We can learn from the Apostle Paul, and how the Holy Spirit led him. Ask the Holy Spirit questions. Ask Him about who He is, and who He is in our lives. To relate to Him as your most trusted friend and ally, as well as your most respected leader, is the ultimate expression of loving God.

Chapter 12

Are You Ready?

- **I believe** that the story of human beings and of this world, has and always will be one of great love and of extreme hatred and war. There are so many amazing stories of people helping people, yet there are just as many horror stories of what people have done to harm people. There is only one source of resolution. That source is God the Father, God the Son and God the Holy Spirit.
- **I believe** that I must stop sinning. I need to become holy and empowered by unbroken fellowship with God in order to be prepared for this next and final season on planet earth. We live in a fallen world and things are unraveling more and more.
- **I believe** that we are already in the end days and that the world is truly a mess and will get messier and darker. The increasing difficulties will result in people becoming more open to God or completely shut off to Him with hardened hearts.
- **I believe** that I must use more love but still be firm. I need to be tough, but not mean. I do not need to be critical. I must speak the truth in love without becoming upset or angry. I need to be careful not to get embroiled in arguments about God, knowing that He can take care of Himself.

We must remember that we live on a fallen planet. This is a messy world with messy people. Only God is pure and perfect. The rest of this world is tainted, broken and filled with sin.

We must take this sinful world as it is. The world is a mess. We can be part of the solution or part of the problem. God can and will make all things right. Trust Him in this.

We must serve. I promised Jesus one night on my knees while sobbing that I would serve Him and people. “I am a slave of Jesus Christ. I am here to serve”. To do that properly in love, we just do it with no personal agenda, no catches and no expectations of anything in return. Not even a thank you. We just serve. Just do it!

We need God! God has given The Resurrection of Jesus Christ movie – an amazing assignment, strategy, plan, team and partners. Even so, everything depends completely on God. We need God to accomplish this task as well as anything else we seek to accomplish in life.

We do not want to be like the Pharisees of old who were stuck in religious mindsets, traditions and structures. They focused so much on these things that they forgot to focus on God. We want to keep our focus on God and continuously yield to His ways, His plans and His activities.

We must stay faithful and focused, realizing our rewards will primarily be in heaven, not here. Don't worry or stress about the hard work required of you here and now. Your reward is in heaven. There are many rewards waiting for

individuals who finish well on this earth. Abraham, Noah, Moses and Enoch all over and tremendous challenges and adversity. We overcome in this life by the blood of Jesus Christ, the power of our testimony and by the not loving our lives more than we love God. Even unto death. **Revelations 12:10-11** (TPT)

REVELATION OF THE END DAYS

The end days are now and the Messiah is coming soon. The people of this earth have corrupted their ways and will destroy themselves and the planet, if God does not intervene soon.

Consider the time of Noah. He walked with the Lord during a time when God was very upset with the evil that people and the world had agreed to. God was actually grieved that He had made us. All of the people on the earth except Noah had corrupted their ways. Therefore, God flooded the earth to wipe them out. The people of the earth are engaged in evil and corruption once again. If anything, things are even worse now than they were in the time of Noah.

Believers Will Be Here for the Tribulation

Revelation 7:13-14 (TPT) – ¹³ Then one of the elders asked me, “Who are these in glistening white robes, and where have they come from?” ¹⁴ I answered, “My lord—you must know.” Then He said to me, “They are ones who have washed their robes and made them white in the blood of the Lamb and have emerged from the midst of great pressure and ordeal.

This Scripture shows that we, as believers, are here throughout most of the tribulation. Christians will not be removed or raptured out early. It is very clear that the ones given the white robes are those that died during the tribulation.

One of the great mysteries is God's plan to use Jesus, the Messiah, to bring Jews and Gentiles back to Him as one and to cause the kingdom of this world to become fully manifest as the Kingdom of our Lord Jesus Christ.

Just as the 7th trumpet is blasted, the Mystery of God will be accomplished and revealed to all people. This is another example in the Bible of how believers are here on the earth for most of the tribulation. **Revelation 10:7**

- **I believe** that the Two Witnesses will appear and preach for **the first 3-1/2 years** or 42 months during the tribulation. They will preach against people's wicked ways and life styles during this time. Like Jesus, they will be God's witnesses, face opposition and ascend to heaven.
- **I believe** that the Two Witnesses are Elijah and Enoch, the only two men God took to heaven before they experienced physical death. They will be used once again according to the Lord's will.

It is also possible that the Two Witnesses could be mighty warriors of God that are alive during the actual time of these events. Perhaps they will be two humble and anointed followers of God that will be raised up to function in authority and power.

- **I believe** that the Ark of the Covenant that was actually lost for so many years, was taken up to heaven and will be revealed again in Heaven, as stated in **Revelations 11:19**.
- **I believe Revelation 12** is like a great and wondrous sign or vision. It reminds me of a documentary or news story that brings the audience up to speed. This chapter tells the story of what has happened and what will happen. It is like an update to “catch everyone up” in case they missed part of what had been going on over thousands of years.
- **I believe** that during the seven years of the tribulation, we will see the anti-Christ arrive on the scene and start his facade of 3-1/2 years of pretending to be a good man. He will be doing deceptive things in an effort to win people’s trust.

The last 3-1/2 years will be the darkest. Evil will abound. Rome, Israel and the world will be trampled. At the same time God’s light will be shining. The Two Witnesses will appear and call people to turn back to God. Just as we experience today, both good and evil will continue to get stronger and stronger, clashing more and more vigorously.

During the seven years of the tribulation, people will have to decide whether to believe in and obey God or not. **Revelation 11-14**

As we get to the end of the tribulation period, as described in **Revelation 14**, the mark of the beast will be enforced and everyone will all have to decide whether to take it or not. There will be huge ramifications if a person takes the mark of the beast. One of these is that the person may not go to heaven. Those who do

not receive the mark, will be targeted by the evil power structure. This will be the darkest time in the history of the earth.

The first beast to rise up will be a military and political leader. This may have been former President Obama who desired to be the president of the United Nations (UN). At this time the UN is the most powerful organization on the planet. It is backed by the government of 200 countries, the World Trade Organization (WTO), the International Monetary Fund (IMF), the G8 countries, the World Health Organization (WHO), the Central Intelligence Agency (CIA), the Military Intelligence in the UK (MI6), global banking, Hollywood, and more.

The second beast is a religious leader, someone with major favor who operates under a powerful religious spirit. I highly suspect that this will be a dark pope, an evil pope, one who has compromised allegiances, like the current pope.

This second beast may be someone who has risen to power by promoting a one-world religion. This leader of a global movement who will seek to bring all of the world's religions together as one. This initiative is actually going on right now and it is gaining momentum.

The Mark of the Beast

It is very clear in **Revelation 13**, that every person; rich, poor, young and old will be forced to receive the mark on their right hand or forehead. As of this writing in 2018, we already have chips in almost all credit cards, bank cards, driver's licenses, passports, new cars, new microwaves and new appliances. Chips will soon be installed in clothing and the USA is currently testing the installation of

chips in humans at a few army bases and universities. These things are preparing the way so that the mark of the beast will be ready for “mandatory” implementation.

When the seven angels pour out the seven bowls, there will be a great war that brings great destruction. This is Armageddon. This is where Satan, the Anti-Christ and the beast are all captured and thrown in hell for a thousand years. When the seventh bowl is poured out, the Lord says “It Is Done”. The last earthquake will rock the city of Jerusalem, Israel and the planet. All of this is reported in **Revelation 16**. This is the final warning of the end of days and then earth’s people will be judged by God. Many will die without repenting beforehand. The armies of man will be destroyed. They will be killed or scattered and in hiding. In the end, every knee will bow.

The Thousand Year Reign of Jesus

Next, there is a very distinct time of one thousand years when Satan is in prison. The earth and people who have survived are healing and God is in charge completely once again.

As it states in Revelation 19, the Bride or the Church (believers) will be ready for the Bridegroom (Jesus). This means that we will be here for most of the tribulation preparing and getting ready for Jesus the Messiah to return. This will be an amazing and glorious event. The Church will be functioning in unity and devotion as a bride who is adorned for her Husband. This will be one of the most momentous events in all of history. Why do so many believe that we will not even be here, having been raptured early?

Mark 13:24a, 26, 27 (TPT) – ²⁴ “This is what will take place after that suffering: ²⁶ “Then they will see the Son of Man appearing in the midst of clouds and revealed with mighty power and great glory. ²⁷ At that time He will send His messengers, who will gather together His beloved chosen ones from every direction—from the ends of the earth to the ends of heaven!”

Because the end days will be so difficult and extreme, many of the church will have fallen away. Only true believers, a remnant, probably by then, an underground church, will be ready for His return.

As the world, Satan, and the anti-Christ prepare for war, for fierce battle and for **Armageddon**, the church will be praying and standing in unity operating in love, purity and power, waiting for the Lord’s return.

The rapture will have already happened. Believers will not experience this final conclusion. They will see it from heaven. Believers do live on earth during the time period leading up to it, which means that we will be here for the full seven years of the tribulation.

- I believe that after Armageddon, Satan is thrown into Hell literally for one thousand years. **(Revelations 20)**
- I believe that those who are believers are raised up to Jesus, the first resurrection of the martyred and the dead. This is not the rapture. That has already happened. Those who were still physically alive, who survived the terrible times, got taken up to heaven. The group who get resurrected join Jesus in ruling for a 1,000-year period. There will still be some people and

some of parts of the earth that survive all of it. After this 1,000-year period is over, people on the earth still have free will and can be sinful and foolish. When Satan is released one last time, he gathers these people for one last battle. Satan and his collaborators will be crushed as they attack Israel by God Himself. **Revelation 20:7**

Finally, Satan will be thrown back into Hell. Hell, the lake of fire, is where the beast and False Prophet remain. Only Satan will be released after the 1,000-year reign on the earth. They will be in hell for eternity, tormented day and night.

The Great White Throne Judgement

Then all people, both believers and non-believers, will be brought before God.

Revelation 20:11-15 (TPT) The Book of Life will be opened and everyone will be judged for what they did and did not do. Hell, the eternal lake of fire, will be the final destination for those who have been in Hades (jail). The Bible indicates that there are two different places, two different realities, for those who resist God after they have died. One is a holding cell or an area in Hell known as Hades that is extremely unpleasant. Many will wait there as a prisoner until they are finally judged and sent to the lake of fire for all eternity. This is the worst place that has ever been created.

Many will suffer persecution for their faith in Christ. In the days of Jesus, John the Baptist and the Apostles, people who trusted Christ were beaten, stoned, whipped, chastised, accused, put in jail and even beheaded. These same circumstances are upon us now. Many believers will and do experience great opposition, rejection and even violence. Jesus promises extravagant eternal

rewards for those who suffer persecution due to their faith in and devotion to Him.

WE NEED TO PRAY

We need to pray for world leaders. They need our prayers as they engage in negotiations, provide leadership and align themselves through formal and informal agreements.

For example, President Donald Trump and Kim Jong Un recently met at a historic summit as the Church around the world prayed fervently for God's will to be done. We asked God to soften the heart of the North Korean leader. We hoped in and believe the prophecy that North and South Korea will become one nation under God. The positive results that the power of prayer on behalf of and by nations is immense.

Believers need to ask God continually to restore and protect nations. Ask God to bring world leaders everywhere into the place where they can and will execute justice and not corruption or manipulation on behalf of their national populations.

When leading a ministry or a work for God, it is important to be able to communicate and listen well. We need to communicate clearly in a way that our intended audience can understand, be clear and concise, and exercise love in all that we say and do.

Leaders must understand complicated matters. Great leaders rely on God's wisdom regarding every challenge and difficulty. God has the answer, just ask Him. **James 1-5:6**

- **I believe** God understands exactly how we feel and what we are going through. Jesus is sitting right now at the right side of God in the throne room of heaven. Jesus faced the hardships that we face. The Bible tells us that He knows how we feel emotionally, spiritually and physically. He felt it all as well; love, happiness, joy, and suffering. **Hebrews 4:15, 5:7-9**

In **Genesis 32:28**, Jacob wrestles with God. God gives him a new name, Israel for his tenacity to struggle, but not give up. This was probably Jesus in how human form and Jacob won't give up, etc. He would not let go so God knocks out his hip and changes his name from Jacob to now Israel.

Genesis 32:28 (NLT) – “Your name will no longer be Jacob,” the man told him. “From now on you will be called Israel (God-Wrestler), because you have fought with God and with men and have won (overcome).”

- **I believe** that even though I understand many things about the end days, no one can know everything until it actually happens. The Bible clearly indicates in **Revelation 10** that John was told not to write some things down that God revealed to him.

FALSE PROMISES

Consider the story in Exodus with Moses and the Pharaoh of Egypt. Pharaoh kept promising things to Moses, but then would change his mind. The world is like

Pharaoh. We cannot rely upon the ways of the world as a source of security, only the ways of the one true God.

When we talk about any anyone – a fetus, a baby, a child or an adult who has not heard the Gospel, God gives them a free pass to go straight to heaven. It is very clear in the Bible that only those who have heard the Gospel about Jesus, but deny Him go to hell.

Revelation 1:1 (NIV) – The revelation from Jesus Christ, which God gave Him to show His servants what must soon take place. He made it known by sending His angel to His servant John.

Jesus shares the revelation or the information about the things that “must” take place soon. God provided the information to Jesus and the Jesus sent an angel to tell His servant, the Apostle John, who then told us. These words are both true and amazing!

Revelation 2:9 (TPT) – I am aware of all the painful difficulties you have passed through and your financial hardships, even though, in fact, you possess rich treasure. And I am fully aware of the slander that has come against you from those who claim to be Jews but are really not, for they are a satanic congregation.

Jesus speaks through John. It talks about some people who claim to be Jesus, but actually work for Satan. These people were not the first and definitely not the last to be compromised at such a high level. There are people who have devoted themselves to Satan and to promoting his agenda positioned at the very top of many institutions and every sphere of influence within our society.

DECEPTION

Christian Zionists and Messianic Jews are mistaken. They are following false truth and changing Scripture to fit the agenda of Satan. He is actually in control of these groups. Either you are a follower of Jesus or you are not. Christian Zionism is like communism. Messianic Jews often mix legalism with true Christianity. Please someone, show me where either of these groups exist in the Holy Bible, they do not.

In the same way, the Jewish Cabal, Islam, Mormons and The Church of Jesus Christ of the Latter-Day Saints are all established upon half-truths and lies. All of these groups are compromised and are the works of Satan on earth. They are cults founded upon the words of misguided humans who believe they became like God. They perpetrate foolish beliefs and practices. The situation is very sad.

We must remember that Satan is very evil and very skilled at what he does. Satan knows that a half-truth mixed with lies is always harder to discern or recognize than a down right lie. He knows that some truth sprinkled in with various lies make various religious or “spiritual” teachings more persuasive. We need to be diligent to seek the truth from God and His Word and expose the lies that bring harm.

I want to be completely clear, if you don't have God in your life through faith in Jesus, then you are part of the dark side. This is reality. You are either with God or you are not. Even not making a decision puts you in the position of denying

God and aligns you with darkness. The greatest sin is to have no faith and to not believe that Jesus is God!

MANIPULATION

With all of the exposure the younger generation has to the internet, social media, the gaming industry, movies, content, etc., so precious young people are being manipulated down a road of no hope. They are being brainwashed with wrong beliefs, priorities and values. They need us, our film and this project, because they need to meet Jesus our Lord.

STUCK!

This is why so many of the Jews and people back then and so many of the Jews and people today still don't get it. They are stuck in an old way of thinking, a pattern. They have been brainwashed since childhood about how things are supposed to be.

Even many believers are stuck in old ways of believing and functioning. The Holy Spirit needs to lead us. Change is unavoidable. It must happen.

Many believers are like the Pharisees written about in the Bible. They are so stuck in religious tradition, habits and thought patterns. They need the fresh anointing and revelation of today, for today. The Holy Spirit is alive and constantly communicating. The Word of God is clear, He is doing new things. Be open to Him and be open to the new!

GOD WILL CORRECT US – SIN HAS CONSEQUENCES

God parted and closed the red sea on Pharaoh and his entire army. He destroyed the world and all humans, except a few through the flood. God destroyed Sodom & Gomora. He kept the Israelites in the desert for 40 years to discipline and train them. God has corrected me numerous times. When we knowingly sin or are disobedient, there are consequences. Even Jesus who came with a message of love, hope and redemption rebuked the Pharisees, confronted Rome and the world, and whipped the moneychangers out of the temple.

THE ROMAN CATHOLIC CHURCH

Even though the institution and the leadership inside the Roman Catholic Church are often compromised, the people of the faith are often very close to and sincerely dependent upon God. The people of faith will grow and thrive, and reforms will come.

THE RETURN OF JESUS

Please read and consider the story of Jesus told as recorded in **Luke 19:11-17**. Jesus spoke this as He was nearing Jerusalem for the last visit during His life on earth. At that time, people had false expectations about and understanding of the Kingdom that Jesus was ushering in. During this time period, people have false expectations about and mistaken notions about the end days, the tribulation period and His return to the earth.

JESUS CHANGES EVERYTHING

When Jesus came, He came to change everything, and He did and has. The old wine skin became a new wine skin. The old covenants were fulfilled and the New Covenant that was being prophesied about was established.

JESUS CHRIST IS OUR PRIORITY

This whole new move of Christian Zionism and the elevating of Jewish culture and religious practices is quite demonic. As Christians, our priority is Jesus Christ, not Israel or the Jews. Our faith is in Jesus, His finished work on the cross and His resurrection. He is our Savior. We follow Him and His faith. Yes, we are to love the Jews and Israel, always! However, the Jewish people and those who ascribe to the Jewish faith need Jesus. The Messiah has already come once and will appear again soon. We don't listen to the Jews on these matters and we don't mix the Jewish faith with our faith in Christ. They are still waiting for a Messiah to come. This means that the Jewish faith is false now. It is not correct. We join Jesus as His followers, not Judaism or a combination of Judaism and Christianity. Any religion or person that does not recognize Jesus as God, that believes that He is simply a good man or a good prophet is completely mistaken.

When Jesus Christ came, died, and was resurrected, He changed the world and the entire belief/faith system. Jesus fulfilled all previous covenants and established one new covenant between God and man. Jesus is both fully God and is the only way to God.

It is impossible to mix the two faiths together. This simply does not work. The Jews were originally chosen by God to represent and reveal God and His ways to the rest of the ancient world. The Old Testament records the actual covenantal agreements between God and the Israelites. These covenants could be entered into by other people during that time in history, if they wanted to love and obey the one true God.

The Old Testament and all of the prophets in the Bible are actually preparing the way for, prophesying about and pointing us toward Jesus Christ, the Messiah. The New Testament is all about Jesus. It is all about Jesus. He is the love of God, the solution and the center of how it all works. Jesus is the only way to God. He is the Way. He is the Truth. He is the Life.

The New Covenant is fully encapsulated within the New Testament

The New Testament supersedes the Old Testament. Both have to be taken as one, the Old Testament is the precursor and supporting document that helps us understand the New Covenant and New Testament life. Yes, the Old Testament is important. It must be read and honored, but it provides background and supplements the New Testament. The New Testament is more important. It leads the way. It is our foundation now. The old supports it. We are to follow the new teachings, the new truth, the new direction, the new wisdom and the new ways.

Remember, the power is not in the cross. It is in Jesus who is God. Sending Jesus to earth was God's plan from the very beginning. This is why the Apostles, the Pharisees, the leaders, the wise men and shepherds were all amazed and

astonished by Jesus. Why are so few of us astonished today? It is very sad that the world is not fascinated by God.

- **I believe** that what God wants from us is not perfection, which we cannot achieve on earth. What He wants is persistence. He wants us to focus on Him daily and never stop reaching out to Him. He wants us to never give up on Him, because He never will give up on us, **Psalms 94:14**. This is our life and our journey. We have free will to decide and to the right thing.

We must remember that the darkness is always there. It is around us at all times. Walking with and trusting in God is the only way to experience a safe journey.

- **I believe** that we live in a broken world. This is a fallen and dark place to live. Satan chooses to steal, kill and destroy. He accomplishes these things in and through darkness and he creates brokenness. We must live in and remain in the light of the Lord, with the Lord. This is the only way to remain safe and to thrive.

The way that the earth works now is affected by brokenness and darkness. The way that heaven works now and forever is through love and light. Currently, these two places operate very differently. We need God's help to navigate life on earth as it is right now. This is why Father God sent Jesus and then Jesus sent the Holy Spirit to help us. The Holy Spirit is the game changer for us here on earth. We can know Him and rely on Him as our senior partner. He will help us, lead us and direct us. Having His help changes everything. Life goes from bad to good. Situations go from impossible to possible.

Wisdom calls. Some listen and some do not. Wisdom is the ability to utilize the best means at the best time to accomplish the best ends. Wisdom is a gift that we must nurture. Pray and get better at operating in wisdom with the Holy Spirit's help and patience. **(Psalm 119:98, Psalm 32:8, Proverbs 2:1-6)**

As followers of Christ, we will come into conflict with this world that is currently run by Satan. Jesus engaged with the world and the people in it just as they are. We must do the same.

Understand that Satan runs the planet. God is in control of all, but we are born into a time of war, a season of chaos. Just as the Israel citizens must join the army at age 18, so we must understand the seriousness of the battle that we have been born into. Even more serious times are ahead of us.

We also must understand what the Bible says so well in **Daniel 12:1**. There will be a time of distress such as has not happened from the beginning of time until now. We will experience a very tough time on earth before Jesus returns. It is very sad that so many pastors and leaders believe and teach that believers will be raptured before this happens. This is not true. The Bible does not teach this. In fact, the opposite is clear.

FOCUS ON HIM

Your journey with God while on earth can be likened to driving a car on a swerving road. You must focus on what is just ahead of you at the moment. Don't look too far ahead or get stuck looking in the rear-view mirror for more than a second or two. You must focus on God continuously. Stay in the present

moment with Him and He will guide you safely home. He will keep you safely with Him as you traverse the twists and turns of this life.

THE NEW WAY

In Christ, we have died to what once bound us. We have been released from the law and we now serve in the new way of the Spirit. We are no longer bound by the old way of the written code. (**Romans 7:6**)

MARTYRDOM!

We will die a physical death, somehow, somewhere, sometime. Once you settle that and more importantly, clearly understand that YOU WILL LIVE FOREVER, the where and the when of how you die physically becomes less important.

GOD IS MULTIFACETED

The Bible describes God as a mighty warrior and a fierce protector of His people. While God is a loving Father to us, He is also the type of Father who executes discipline, brings correction and enforces justice. Many take God for granted until He makes a sudden move that rights wrongs, but also strikes terror in His enemies

JESUS IS THE WAY

As it states in **Revelation 21:4**, after the thousand years, when heaven and earth come together there will be no more tears, death or mourning. During the 1,000-year period there will be some difficulties.

As it says in **John 14:6** very clearly, the only way and to know God the Father is through Jesus. Many say “I know God. I pray to God” but they truly don’t know God or the true God. It is very clear, which means that they are talking to Satan.

WHAT DID JESUS SAY?

I have noticed that many people did not understand the stories or the parable that Jesus told. Sometimes they did not understand until after they fully entrusted their lives to Him. Sometimes they had a sudden “Ah...Ha” moment and then they understood. This same dynamic happens today. If you understand the mission of The Resurrection Project (www.theresurrectionofjesuschrist.com), join us now. Some people will understand our mission later on. They can join us then.

RELATIONSHIP, NOT RULES

The old rules and regulations of the 10 Commandments were intended to teach us about sin and reveal our need for God. When Jesus came, the law became obsolete. Now, we are offered a true relationship, a one-on-one friendship with God. Jesus comes into our life and the Holy Spirit guides us. Now we live our life in yielded surrender to the Spirit of God, not in conformity to rules.

PEOPLE ARE SEARCHING

The word “spiritual” is one of the top three most frequent searches via internet search engines. People are desperately or chronically searching. People are looking for help, power, truth, clarity, wisdom and more. These are the end days,

so this need will only increase. People are searching, but are we ready and able to provide answers.

THINK

One of my favorite acronyms is that it is good to focus daily, when engaging with others is: **THINK**

T – is it **True**?

H – is it **Helpful**?

I – is it **Inspiring**?

N – is it **Necessary**?

K – is it **Kind**?

WRONG PRIORITIES CREATE NEGATIVE INFLUENCE

Why are so many famous actors like Sylvester Stallone, Mel Gibson, Mark Walberg, Denzel Washington and so many more say that they are Christians, but make such dark, demonically inspired movies. There are only two possible answers; perhaps they are very immature believers and simply don't know any better, or they are compromised Christians who have sold out their allegiance to the love of money, fame or worse. Jesus and His Kingdom should be their first priority.

Why are Christian movie producers like Pureflix and Cindy Bond working with Sony studios, better known as Satan studios? Either they are compromised Christians or they need a “Kingdom” reality check.

LOVE THE ONES WHO NEED HIM

We all need to use love and patience when dealing with the lost and people of other faiths or religions. God may have brought them into your life for you to help them. Even when the encounter or their process is frustrating, they are the priority, not you. Faithfully make yourself available to God and others so that people can get to know Him. Here are some key observations I have made from the Bible:

- As it says in **James 2:8** (TPT), “Your calling is to fulfill the royal law of love as given to us in this Scripture: “You must love and value your neighbor as you love and value yourself!” That is the true-life style and calling of a follower of Christ.
- **Galatians 3:28** (TPT) says, ““And we no longer see each other in our former state—Jew or non-Jew, rich or poor, male or female—because we’re all one through our union with Jesus Christ with no distinction between us.”
- As in **Exodus 31:3** the Lord has done this for me and you. “I have filled him with the spirit of God, with skill, ability and knowledge in all kind of skills.”
- In **Leviticus 10**, two of Aarons sons, Nadab and Abihu, are killed by God. They disobeyed the instructions of God, even though they were trying to do God’s work. We must obey God and do not directly disobey or deny Him.

- In **Leviticus 13**, a Priest would examine and determine whether or not someone had a serious skin disease. They would declare someone as “clean or unclean”. This was to protect the community from these diseases spreading to others. In **James 5** of the New Testament, as a believer, we are instructed to pray and heal in the mighty name of Jesus. When a loved one is suffering from something physical, we must always look at both physical and the spiritual symptoms. The physical and spiritual are always connected, in sickness, birth defect, sin, etc. We must always look at both.
- As Jesus stated in **Luke 5:9-10**, the fisherman was about to become fishers of men. This was a very important and serious thing. This was a great move of God back then and for now. It was so serious that the Apostles dropped everything to follow Jesus. They walked away from their livelihoods, past identity and possessions, so now have I done the same and left Hollywood to serve Jesus. Imagine if you had the faith of Jesus. He turned the world and thinking upside down. He touched the unclean and healed them. He touched the dead and resurrected them.
- As John the Baptist called all sinners to repent, I believe that now so must I.
- We must understand the seriousness and privilege it is to be in relationship with God and do His will and work. It is from this place that I am excited about The Resurrection movie, and my direct access to God as we co-create together.
- We read in **Leviticus 18** about many things that define individuals and nations, and today we are seeing many of those practices happening again today. Evidence shows that many forms of sexual sins, drinking blood, child

sacrifice and the ancient cults practiced today are operating and controlled by Satan.

- It is also very clear in **Leviticus 18** that homosexual behavior, sex with your neighbor's wife, sex with an animal, any perverted sex is a sin in the eyes of God. We are commanded to love the people, not the sin.
- In **Leviticus 19**, we are given a clear list of activities to remain right before God. For example, do not lie, steal, defraud your neighbors or hate your brother. It is all sin.
- In **Leviticus 19:15** it instructs us to evaluate your neighbor fairly in love. This allows for us to hold each other accountable.
- In **Leviticus 19:31** it says do not turn to mediums or spiritists, or psychics for they will defile you. Later, God talks about how evil they are and what happens to anyone who deceives or lies to others. This is a great example what will happen to Satan.
- In Daniel 7, it reports of Jesus who is now Lord of all. He is Lord of the Sabbath rest. Any and all religious acts, relies, or what we think may be right or just rules is now under the power and control of Jesus, and such as followers of Him. So, flow in the spirit daily don't get caught up in religious activities or structures.
- Both the disciples of Jesus and of the twelve original disciples were also first a disciple of John the Baptist, they were hungry for the truth.
- As Jesus did so often we see in Luke 6, Him telling the poor will be blessed, the rich have nothing, a total reverse way of thinking. Those who believe in Him will be blessed by God cursed by many.

- Back in the old days and even today the worlds way of thinking is if you're poor it's a curse from God. But Jesus blessed the poor, encouraged their faith, made us look at life from heavens point of view instead. Character building times do just that and build faith.
- And of course, Jesus gives us the most shocking and impossible command – Love your enemies, treat them well, pray for those who mistreat you. Give to all who ask, serve, love all. Of course, his teaching us the way of God, God does all this and more. It's the way of heaven.
- How to build your foundation, your house in the Kingdom is all based on unconditional love, and the love in your heart. As God has so loved us, sinning, messy, but he sees us in the future, He has hope and faith in us. The way we all get there is through love. Jesus was the best at this and showed and explained how. Love is the answer to all the problems and people.
- Like Jesus ministry, Johns, all the disciples, I too have had struggles, rejection, opposition. The greater the calling, the tougher the accountability.
- A question to ask anyone, especially someone who is a non-believer is, "What kind of person does not believe in God?"
- This is also why the Catholic church and others believe false truth that committing suicide sends you directly to Hell. There is no scripture anywhere to back that up. It's about the heart and faith in God/Jesus.

- When reading the Bible, you always have to take in the major fact that it is before the cross and the resurrection or after it. This is why Jesus changed all the rules, regulations, facts.
- I believe both Judas and Peter who let Jesus down, felt bad, got right with God in their hearts and made it to heaven. Rules for Judas before Jesus went to the cross and the New Covenant new rules for Peter as Jesus has died and resurrected are treated differently. As well as after the 1,000 years the rules change dramatically again as the resurrection of Jesus changed the world and spiritual rules.
- A mature Christian understands when reading Scripture, in prayer or helping people, this all applies either before the cross, after the cross or after the 1,000 years is done. All three are different times and situations in truth and in the spirit realm.
- When doing communion, Jesus himself has invited us to partake of Him and the Kingdom of God.
- God has told me my book will be a blessing to many for years and years after the time on earth and beyond it to heaven.
- A mature Christian understands when reading Scripture, praying or helping people, that this applies before the cross, after cross or after the 1000 years of Satan in hell. All three happen at different times and situations in truth and spiritual realm.
- God has told me my book, *The Journey*, will be a blessing to many for years and years after the time on earth, and beyond it, all the way to heaven.

I KNOW JESUS

I will need to confront the world with this message of love and the seriousness of the times. Many will fall away, many have already, the old answer of “I know God” is not the right answer. I know Jesus is the right answer. God, Himself, sent and said He would send Jesus, the Messiah!

NOT EASIER!

I have come to realize that this journey, for me, will just get harder and harder. It will not get easier. I once thought that this would get easier as we get more organized. The reality is that I am confronting a world who has forgotten God. In general, people do not believe in Jesus as God. The younger generation does not even know what is in the Bible or know anything about what the true church actually is.

BECOME PREPARED

We need to prepare by receiving training on practical skills. We should take first aid courses, learn how to grow food, learn how to share the Gospel, and get practical Bible training. We need to be prepared to take care of ourselves, assist others and keep our hearts connected to God through true intimacy with Him throughout any form of suffering, oppression and adversity.

We all need to learn to live one day at a time. This is especially important as we move into the end days events. We will need to operate in faith and trust God daily. Just as Jesus, the Apostles and Noah had to trust God step-by-step and day-by-day, even though danger and adversity, we must do the same.

REMAINING FAITHFUL

We need to be prepared to remain faithful throughout all end time events. We can do this by cultivating a close, loving and obedient relationship with god and learning to be faithful under every circumstance. I am personally seeking to be faithful to my God, Jesus and the assignment that He has given me in every way. Amen! In the second and third chapters of Revelation, Jesus says, “The one whose heart is open let him listen carefully to what the Spirit is saying now to all the Churches. Revelation 2:7 (TPT)

It also talks about Satan’s teaching of dark secrets. These secrets include the secrets of Heaven, weapons, science, twisted dark and an overwhelming amount of unknown information for mankind. This unknown information will explain how Atlantis was swept away in the flood or how the pyramids were built (which even today would be hard to duplicate with our current technology and machines). Other places like Stone Hedge and many other sites around the world have supernatural demonic origins right from Satan and his Nephilim on earth. A fallen angel, spirit or Nephilim could not leave the realm of earth once they fell on the earth. They are able to communicate with the spiritual realm and Satan, much like a serious believer talks to the Holy Spirit and God. This theory explains a lot of the basis for witchcraft, cave drawings and other evidence of creatures or aliens from another world. That is what most of mankind would have thought of these amazing creatures and that’s what Satan wants them to think. Satan and the Nephilim have played that up a lot. They pretend to be gods from another

world and foolish men fall for its time and time again in countries like Egypt, Greece, China, to name a few.

Throughout the Gospels Jesus reveals and lives out His mission. His mission is summarized in Luke 4:18-19, John 10:10, 1 John 3:8, Luke 3:31, Luke 4:43, Luke 10:22, and Luke 24:45-49. Jesus is still on the same mission today. He partners with people, believers, through the power and guidance of the Holy Spirit. Jesus is completely intentional about fulfilling the Great Commission (Matthew 28:28-30). He intends to use this film, www.TheResurrectionOfJesusChrist.com, and His people to accomplish this assignment.

UNITY

When it comes to unity, wise leaders think before they speak. They select words that build up rather than teardown. They seek to engage in communication that creates understanding and when possible establishes and builds upon common ground.

DEPEND ON GOD TO FINISH WELL

Many of us have gifts, talents, skills and strengths that we will utilize during the end days. The true key to success comes from focusing on Jesus, loving and trusting God the Father, and relying on the power and guidance of the Holy Spirit in order to finish well throughout these days of difficulty.

PREPARE TO REMAIN FAITHFUL

The difficult times are here now and they will get much worse. We must become

securely established in our faith, rooted in the love and the fear of God.

Jude 17-24 (TPT) – ¹⁷ But you, my delightfully loved friends, remember the prophecies of the Apostles of our Lord Jesus, the Anointed One. ¹⁸ They taught you, “In the last days there will always be mockers, motivated by their own ungodly desires.” ¹⁹ These people cause divisions and are followers of their own natural instincts, devoid of the life of the Spirit. ²⁰ But you, my delightfully loved friends, constantly and progressively build yourselves up on the foundation of your most holy faith by praying every moment in the Spirit. ²¹ Fasten your hearts to the love of God and receive the mercy of our Lord Jesus Christ, who gives us eternal life. ²² Keep being compassionate to those who still have doubts, ²³ and snatch others out of the fire to save them. Be merciful over and over to them, but always couple your mercy with the fear of God. Be extremely careful to keep yourselves free from the pollutions of the flesh. ²⁴ Now, to the One with enough power to prevent you from stumbling into sin and bring you faultless before His glorious presence to stand before Him with ecstatic delight, where we need to battle for our faith, seek the truth always even in our churches, we must contend for our faith and confront the world and the scoffers.

TRAILBLAZERS STAND OUT

Do not be afraid to be different from other people to stand out. The path God has chosen for me is exquisitely right for me. To follow God whole heartily and properly you must relinquish your desire to please other people.

(Philippians 2:15)

Being this radical will upset family and friends, but soon and eventually, they will see and get it. It is always hard being the trail blazers. The first one through or over the wall, clearing the jungle path, always has the hardest job.

COME WITH ME!

In **Exodus 32** Moses intervenes for the Israelites as God wanted to kill them for their sin over a golden calf, an idol. That day 3000 died. This example provides context when we ask ourselves, “How does this affect us now when we worship something other than God?” Believers must worship God no matter the situation.

TODAY’S SPIRITUAL REALITY

What many are still missing today is that the old forms of Judaism could never contain the reality of what Jesus accomplished. The Jews need Jesus, Messiah, not Judaism. In reality, because Jesus their Messiah has already come, Judaism actually becomes a false religion. The only way to God and to eternal life in heaven, now, is through Jesus. We can no longer be reconciled to God through sacrifices and good deeds. We are made right with God when and only when we place our faith in Jesus and what He has done for us.

REVELATIONS

Revelation 6-7 clearly talking about in the end of days, during late tribulation, people, humans, believers from every nation given white robes for their faith and work done in end. Also told to wait until their number is fulfilled.

Revelation 7:14–17 is very clear. The seven seals as mentioned in Revelation are very clear signs of tribulation, judgement, hope, depending if you're a believer or not. All the answers are there, you must study the Book of Revelation.

Understanding the seven trumpets, what they mean, what they each proceed and what those events are.

As Jesus said in **John 16:33** and **Revelation 8:13** – For those with end day revelation it's going to be tough times here no way around it. It will get bloody then for all of us. This is a war! "Always the first ones through the wall like me get beat up", be okay with it.

In **Zechariah 13-14**, it's very clear in the end days on earth 2/3 will perish. When the nations gather to attack the city of Jerusalem, it is attacked, captured, and women raped. People are killed, and then God steps in and Jesus the Messiah arrives.

God will be with the faithful through these hard times. Remember Joseph? He went from slavery as a young man to running Egypt as an adult. He had faith and patience in God's plan for him and his life. In the same way, we must have faith in God's plan, power, promises and in His faithfulness.

End days revelation is always a tough calling. But it will get tough for all soon so learn to appreciate the calling, the wisdom, be the difference.

Major ATT outage across USA from July 14 – 17 2018. First time a major carrier crashes, another example of major companies, competing and handling business and technical issues. They are all fighting for customers and control of data.

WHAT NEEDS TO HAPPEN

1. First God is in charge, in control and He and we win. Also, God knows you, he created you, he loves you, he knows you today. He knows you 10,000 years from now. God knows you, and what is best for you, Trust!

Psalms 13.

2. Next try and be kind and help and love everyone, they need it. Get them closer to God!! The world is a mess, people need help and encouragement from you and more importantly God.
3. Yes, there are problems in the world, but we know the answer to all this, Jesus. Get people focused on Jesus.
4. Make sure people understand that first God showed up and did things, then he sent the Messiah Jesus who did his part and then He, Jesus/God sent the Holy Spirit. People need Jesus, and need the Holy Spirit's help.
5. Lots of things have started happening already but much more needs too.
6. Will see more and more leaders like Bill Hybels – Willow Creek Church fall and compromise themselves. Between his affairs with women and his Global summit conferences with unsaved people, even illuminati members like Bill & Marsha Gates speaking and him allowing it and promoting it. Will see more of this.
7. Young men, as spy's, infiltrators and false priests infiltrated the Catholic church and the Vatican years ago, now running parishes and churches and molesting children. This isn't just sin but planned attacks to make the church look bad and people lose faith. This was a red flag strategic plan

carried out over years and years. Satan worshipers pretending to be priests.

8. Why is the USA destroying all its paper cash? They say it's old and dirty but the real reason is to get the USA to a card/chip/control system they can monitor. Hard to track cash.
 9. Like India has done, retina scanning, finger printing, and assigning a number to each citizen. They are getting rid of the cash system there, even in the remote villages and rural area. Lots of countries heading this way for some reason, control.
 10. AMTC – Actors Models Talent for Christ. A great organization in the talent/media/Hollywood area, closes its doors 2018. Sad to see, but they couldn't keep funding and donations going. We must be open to new ways and new things that God is doing. From old wineskin to new to survive.
- **I believe** that many nations will move their embassies in Israel to the city of Jerusalem. Recently, the USA and Paraguay have done this. We will see all nations of the world doing the same in the end days, setting up the final confrontation there soon.
 - **I believe** this is part of the end days events. God is bringing all nations into the awareness that Jerusalem and the Israelites are the apple of His eye.
 - **I believe** the white helmet organization seen on the ground of so many conflicts around the world are run and started and funded by the British, USA, Israel, Canada and other countries, are not actually as good as the white helmet portray. This is a dark sinister organization that goes and

causes wars, conflicts, problems good example is UN, IM, and then they put out language and window dressing that they are doing good. In reality, they are really not.

BOOK OF REVELATION

In **Revelation 2**, the church of Pergamum, an ancient city in Mysis now called Bergama in the province of Izmir of Turkey. It makes sense that it would be the Muslim's headquarters today.

President Erdogan of Turkey claims he will bring all Muslims together as talked about in the Quran to launch a final day Holy war to usher in their so-called Messiah which is Satan. Satan and Mohammed wrote the Quran.

Turkey has a very interesting history. Noah's Ark is there on one of the mountains, the original 3rd church in Smyrna. Satan's throne room on earth as referenced in **Revelation 2** in the end of days. That explains why the Muslims are gathering a major army. Satan's throne room on earth is in the country Turkey in the old church area of ancient Smyrna. He also has one in Israel, in Jerusalem.

Since Erdogan's rise to power thousands of soldiers, media, people have been jailed or killed so all opponents have been eliminated. What was once a good Christian nation is now Muslim and part of the end of days. He has sworn to unite all the Muslims and attack, jihad the world. Strong army, nuclear weapons and just pure evil now, and one of the main homes of Satan on earth!

SAD STORIES

Chris Pratt, the actor, has been publicly proclaiming his faith in God. What I don't understand is why he chooses to make such dark and demonic movies. I also do not understand why Mel Gibson and Denzel Washington say they are Christians, but are creating and acting in horrible, dark films?

- **I believe** that people have always been fascinated with the supernatural just as they are today. From the beginning of Genesis and throughout the Bible, we read about sorcerers, magicians and people engaging in occult practices.
- **I believe** that our minds cannot handle all of the social media and the constant stimulation from cell phones, computers, movies and media content. It is too much for us. We are spending too much time on it. This is dulling our senses and our passion for God.
- **I believe** that spiritual life is a journey from here to there. We must be open to the Holy Spirit's leading. It is best to look at it as an adventurous journey that we are on until we get to heaven. This perspective helps us make sense of the many challenges and of our success. Think of it as if you are living in an adventure book as it is being written. Each day is like a new and exciting entry.

THIS PROJECT TAKES ALL OF US

Proceeding with **The Resurrection Project** (movie, internet platform, game, etc.) and delegating authority to complete the puzzle pieces without resources will not

work. It takes committed resources. I witnessed an unsuccessful attempt by Louis Bush and the 10/40 window, whose project failed without the funding to follow through and implement fully to the end.

Exodus 32:26 Whoever is for the Lord come with me. That is what I am also calling all to do!

2 Corinthians 12:9-10 reminds me that my journey in my weakness is only possible in God's strength.

Just as Mother Mary was blessed and called to birth the Messiah, I am blessed to tell His story and lead The Resurrection Project and movie. I am blessed.

And of course, Mother Mary's call and mine are impossible callings and can only be done with God, Jesus, Holy Spirit help. It is the only way.

As Mary praised and sang out about His birth, I too sing and praise God for my calling.

Psalms 100: 1-5 (TPT) – Lift up a great shout of joy to the Lord! Go ahead and do it—everyone, everywhere! ² As you serve Him, be glad and worship Him. Sing your way into His presence with joy! ³ And realize what this really means – we have the privilege of worshiping the Lord our God. For He is our Creator and we belong to Him. We are the people of His pleasure. ⁴ You can pass through His open gates with the password of praise. Come right into His presence with thanksgiving. Come bring your thank offering to Him and affectionately bless His beautiful name! ⁵ For the Lord is always good and ready to receive you. He's so loving that it will amaze you – so kind that it will astound you! And He is famous

for His faithfulness toward all. Everyone knows our God can be trusted, for He keeps His promises to every generation!

As Jesus and John (the Baptist) grew and they became more spiritually strong and prepared for their ministry, so must I, and all of us need to do the same.

Psalm 78:72

s in **Hebrews 12:1** a great cloud of witnesses is surrounded us and watching us every day. The spiritual realm or other dimensions are watching us here in this realm. I invite you to pray and ask God to help you get this!

Those who lose their lives for God will find them. We who hate this world and what Satan and sinful men and women have done and our doing to it will stand up and confront this world and this evil and be that light. **John 12:25;**

Matthew 16:25

Another false way of thinking back in the old days was that speaking in tongues was evil and of Satan. Obviously, no one had explained to them (the non-believers), what had exactly happened, etc.

Another example of the messy Catholic church and its rules comes from **Leviticus 21:3** allowing a priest to marry and explaining how!

THE JOURNEY

The journey we are on is the road to heaven and an amazing place, and sadly Hell is for the lost and stubborn.

THE TIME IS SHORT

If my theory is correct, Jesus will return somewhere around 2030, after the mark of the beast has been implemented by the United Nations (UN) and its henchmen.

Since it is 2018 as I write this, that leaves only twelve years. That means that we need to get this movie made, share the Gospel with the entire world and unite the Church globally. To open up information centers, local and regional headquarters and satellite offices everywhere and help everyone get ready. For me, it is like old days in Hollywood, when we opened up new offices and initiated contests, relationships and movie releases. We have to be prepared and ready!

Satan is currently preparing to carry out all of his evil plans and is doing so now. He is seeking to secure a permanent position of power and control by establishing his kingship over the spheres of influence and the entire world.

PREPARE TO SUCCEED

The tough times we have had up until now can make it easier for us to handle the very tough times that are ahead. If we cooperate fully with Him, God will prepare us to finish well. It will get very terrible on earth at the end. Only God will get you through it.

We prepare now by loving and trusting Him wholeheartedly. He prepares us by drawing us deeper into His love and training us in faith and obedience.

OUR KINGDOM IDENTITY SUPERSEDES OUR NATIONAL IDENTITY

For believers, our primary identity and loyalty are to the King of Kings and to the Kingdom of God. The primary blessing in any life is to become a child of God, a member of His family and a citizen of His Kingdom. We are tempted to find our identity and security in being American, Canadian, Jewish, etc., but this is a lesser reality and blessing.

UNITE THE CHURCH GLOBALLY

To unite the church globally will require love, patience, excellence, careful communication and a tough skin. I have learned that both believers and non-believers need to have things spoken of in clear non-religious language in order to avoid miscommunication.

In one exchange on social media a Christian thought that the term “slain in the Spirit” referred to something evil. The word “slain” sounded like murder instead of being overshadowed and falling down under the temporary manifestation of the power of the Holy Spirit.

Another person thought that “speaking in tongues” was evil and authored by Satan. They did not understand the various ways that the Holy Spirit speaks through us as believers in supernatural expressions of language as reported in the Bible in the Book of Acts.

I AM WITH THE LORD AND THE LORD IS WITH ME

The Lord told me the ministry experience of this global strategy will be amazing, but many of my friends and partners, during and after, will get captured, killed and hunted down. A huge bull's eye will be on all of us in the end of days.

John 14:6 – Jesus explained, “I am the Way, I am the Truth, and I am the Life. No one comes next to the Father except through union with Me. To know Me is to know My Father too.” Jesus is the only to God. This is reality.

Chapter 13

My Favorite Resources

My Favorite Scriptures to Rely on And to Live By

GOD'S LOVE

For this is how much God loved the world—He gave His one and only, unique Son as a gift. So now everyone who believes in Him will never perish but experience everlasting life. **John 3:16** (TPT)

GOD'S GRACE

For it was only through this wonderful grace that we believed in Him. Nothing we did could ever earn this salvation, for it was the gracious gift from God that brought us to Christ! **Ephesians 2:8** (TPT)

JESUS IS THE ONLY WAY TO GOD

²⁵ “Martha,” Jesus said, “You don’t have to wait until then. I am the Resurrection, and I am Life Eternal. Anyone who clings to Me in faith, even though He dies, will live forever. ²⁶ And the one who lives by believing in Me will never die. Do you believe this?” **John 11:25-26** (TPT)

JESUS TAKES AWAY OUR SIN

Why Jesus – The very next day John saw Jesus coming to him to be baptized, and John cried out, “Look! There He is—God’s Lamb! He will take away the sins of the world! **John 1:29** (TPT)

His Sacrifice – Jesus’ God-given destiny was to be the sacrifice to take away sins, and now He is our mercy seat because of His death on the cross. We come to Him for mercy, for God has made a provision for us to be forgiven by faith in the sacred blood of Jesus. This is the perfect demonstration of God’s justice, because

until now, He had been so patient—holding back His justice out of His tolerance for us. So, He covered over the sins of those who lived prior to Jesus’ sacrifice.

Romans 3:25 (TPT)

His Atonement for Sin – ⁵ For God is One, and there is One Mediator between God and the sons of men—the true man, Jesus, the Anointed One. ⁶ He gave Himself as ransom-payment for everyone. Now is the proper time for God to give the world this witness. **1 Timothy 2:5-6** (TPT)

He is Our Redeemer – ¹³ For we continue to look forward to the joyful fulfillment of our hope in the dawning splendor of the glory of our great God and Savior, Jesus, the Anointed One. ¹⁴ He sacrificed Himself for us that He might purchase our freedom from every lawless deed and to purify for Himself a people who are His very own, passionate to do what is beautiful in His eyes. **Titus 2:13-14** (TPT)

He Suffered for Us – ⁴ Yet it was our weaknesses he carried; it was our sorrows that weighed him down. And we thought his troubles were a punishment from God, a punishment for his own sins! ⁵ But he was pierced for our rebellion, crushed for our sins. He was beaten so we could be whole. He was whipped so we could be healed. **Isaiah 53:4-5** (NLT)

His Blood – ¹⁸ For you know that your lives were ransomed once and for all from the empty and futile way of life handed down from generation to generation. It was not a ransom payment of silver and gold, which eventually perishes, ¹⁹ but the precious blood of Christ—who like a spotless, unblemished lamb was sacrificed for us. **1 Peter 1:18-19** (TPT)

His Life – (Jesus said to them) “For even the Son of Man did not come expecting to be served by everyone, but to serve everyone, and to give His life as the ransom price in exchange for the salvation of many.” **Mark 10:45** (TPT)

He Paid a High Price – ¹⁹ Have you forgotten that your body is now the sacred temple of the Spirit of Holiness, who lives in you? You don’t belong to yourself any longer, for the gift of God, the Holy Spirit, lives inside your sanctuary. ²⁰ You

were God's expensive purchase, paid for with tears of blood, so by all means, then, use your body to bring glory to God! **1 Corinthians 6:19-20** (TPT)

JESUS IS...

The Messiah – ²⁵ The woman said, “This is all so confusing, but I do know that the Anointed One is coming—the true Messiah. And when He comes, He will tell us everything we need to know.” ²⁶ Jesus said to her, “You don't have to wait any longer, the Anointed One is here speaking with you—I am the One you're looking for.” **John 4:25-26** (TPT)

The Christ – ⁶¹ But Jesus remained silent before them and did not answer. So, the chief priest said to Him, “Are you the anointed Messiah, the Son of the Blessed God?” ⁶² Jesus answered him, “I am. And more than that, you are about to see the Son of Man seated at the right hand of the Almighty and coming in the heavenly clouds!” **Mark 14:61-62** (TPT)

The Christ – He asked them, “But who do you say that I am?” Peter spoke up, saying, “You are the Messiah, the Son of the Living God!” **Mark 8:29** (TPT)

The Son of Man – ⁵ “And haven't you read in the Torah that the priests violated the rules of the Sabbath by carrying out their duties in the temple on a Saturday, and yet they are without blame? ⁶ But I say to you, there is one here who is even greater than the temple. ⁷ If only you could learn the meaning of the words ‘I want compassion more than a sacrifice,’ you wouldn't be condemning my innocent disciples. ⁸ For the Son of Man exercises his lordship over the Sabbath.” **Matthew 12:5-8** (TPT)

Who He Says He Is – ⁶ Jesus explained, “I am the Way, I am the Truth, and I am the Life. No one comes next to the Father except through union with Me. To know Me is to know my Father too. ⁷ And from now on you will realize that you have seen Him and experienced Him.” ⁸ Philip spoke up, “Lord, show us the Father, and that will be all that we need!” ⁹ Jesus replied, “Philip, I've been with you all this time and you still don't know who I am? How could you ask me to show you the Father, for anyone who has looked at Me has seen the Father. ¹⁰

Don't you believe that the Father is living in Me and that I am living in the Father? Even my words are not My own but come from My Father, for He lives in Me and performs His miracles of power through Me. **John 14:6-10** (TPT)

Our Strength and Power – ¹¹ And we pray that you would be energized with all His explosive power from the realm of His magnificent glory, filling you with great hope. ¹² Your hearts can soar with joyful gratitude when you think of how God made you worthy to receive the glorious inheritance freely given to us by living in the light. **Colossians 1:11-12** (TPT)

Our Redemption – ¹³ He has rescued us completely from the tyrannical rule of darkness and has translated us into the Kingdom realm of His beloved Son. **Colossians 1:13** (TPT)

Resurrection Life – ¹¹ Yes, God raised Jesus to life! And since God's Spirit of Resurrection lives in you, He will also raise your dying body to life by the same Spirit that breathes life into you! **Romans 8:11** (TPT)

All Power – ¹⁶ And I pray that He would unveil within you the unlimited riches of His glory and favor until supernatural strength floods your innermost being with His divine might and explosive power. ¹⁷ Then, by constantly using your faith, the life of Christ will be released deep inside you, and the resting place of His love will become the very source and root of your life. **Ephesians 3:16-17** (TPT)

All Authority – Then Jesus came close to them and said, "All the authority of the universe has been given to Me." **Matthew 28:18** (TPT)

UNITY

Jesus Prays for You – ²⁰ "And I ask not only for these disciples, but also for all those who will one day believe in Me through their message. ²¹ I pray for them all to be joined together as one even as you and I, Father, are joined together as one. I pray for them to become one with us so that the world will recognize that you sent me. ²² For the very glory you have given to Me I have given them so that they will be joined together as one and experience the same unity that we enjoy.

²³ You live fully in Me and now I live fully in them so that they will experience perfect unity, and the world will be convinced that you have sent Me, for they will see that you love each one of them with the same passionate love that you have for Me. **John 17:20-23** (TPT)

Comes from Jesus – ⁵ Now may God, the source of great endurance and comfort, grace you with unity among yourselves, which flows from your relationship with Jesus, the Anointed One. ⁶ Then, with a unanimous rush of passion, you will with one voice glorify God, the Father of our Lord Jesus Christ. ⁷ You will bring God glory when you accept and welcome one another as partners, just as the Anointed One has fully accepted you and received you as His partner.

Romans 15:5-7 (TPT)

We Are One with Jesus – ²⁷ It was faith that immersed you into Jesus, the Anointed One, and now you are covered and clothed with His anointing. ²⁸ And we no longer see each other in our former state—Jew or non-Jew, rich or poor, male or female—because we’re all one through our union with Jesus Christ with no distinction between us. **Galatians 3:27-28** (TPT)

One United Body – I urge you, my brothers and sisters, for the sake of the name of our Lord Jesus Christ, to agree to live in unity with one another and put to rest any division that attempts to tear you apart. Be restored as one united body living in perfect harmony. Form a consistent choreography among yourselves, having a common perspective with shared values. **1 Corinthians 1:10** (TPT)

God’s Perspective and Promise – ¹ How truly wonderful and delightful to see brothers and sisters living together in sweet unity! ² It’s as precious as the sacred scented oil flowing from the head of the high priest Aaron, dripping down upon his beard and running all the way down to the hem of his priestly robes. ³ This heavenly harmony can be compared to the dew dripping down from the skies upon Mount Hermon, refreshing the mountain slopes of Israel. For from this realm of sweet harmony God will release His eternal blessing, the promise of life forever! **Psalms 133** (TPT)

The Lord's Supper – ²³ I have handed down to you what came to Me by direct revelation from the Lord Himself. The same night in which He was handed over, He took bread ²⁴ and gave thanks. Then He distributed it to the disciples and said, “Take it and eat your fill. It is my body, which is given for you. Do this to remember Me.” ²⁵ He did the same with the cup of wine after supper and said, “This cup seals the new covenant with my blood. Drink it—and whenever you drink this, do it to remember Me.” ²⁶ Whenever you eat this bread and drink this cup, you are retelling the story, proclaiming our Lord's death until He comes. **1 Corinthians 11:23-26** (TPT)

Unity and Oneness in Faith – ¹¹ And He has appointed some with grace to be Apostles, and some with grace to be prophets, and some with grace to be evangelists, and some with grace to be pastors, and some with grace to be teachers. ¹² And their calling is to nurture and prepare all the holy believers to do their own works of ministry, and as they do this they will enlarge and build up the body of Christ. ¹³ These grace ministries will function until we all attain oneness in the faith, until we all experience the fullness of what it means to know the Son of God, and finally we become one perfect man with the full dimensions of spiritual maturity and fully developed in the abundance of Christ. ¹⁴ And then our immaturity will end! And we will not be easily shaken by trouble, nor led astray by novel teachings or by the false doctrines of deceivers who teach clever lies. ¹⁵ But instead we will remain strong and always sincere in our love as we express the truth. All our direction and ministries will flow from Christ and lead us deeper into Him, the anointed Head of His body, the Church. **Ephesians 4:11-15** (TPT)

How-to Walk-in Unity – As a prisoner of the Lord, I plead with you to walk holy, in a way that is suitable to your high rank, given to you in your divine calling. ² With tender humility and quiet patience, always demonstrate gentleness and generous love toward one another, especially toward those who may try your patience. ³ Be faithful to guard the sweet harmony of the Holy Spirit among you in the bonds of peace, ⁴ being one body and one spirit, as you were all called into the same glorious hope *of divine destiny*. **Ephesians 4:1-4** (TPT)

Living in God's Wisdom - ¹⁵⁻¹⁶ So be very careful how you live, not being like those with no understanding, but live honorably with true wisdom, for we are living in

evil times. Take full advantage of every day as you spend your life for His purposes. **Ephesians 5:15-16** (TPT)

Live Life Flooded with Revelation-Light – ⁸ Once your life was full of sin’s darkness, but now you have the very light of our Lord shining through you because of your union with Him. Your mission is to live as children flooded with his revelation-light! ⁹ And the supernatural fruits of His light will be seen in you—goodness, righteousness, and truth. ¹⁰ Then you will learn to choose what is beautiful to our Lord. **Ephesians 5:8-10** (TPT)

Support and Love One Another – ²¹ And out of your reverence for Christ be supportive of each other in love. **Ephesians 5:21** (TPT)

END DAYS

The Harvest is Near – ³⁹ and the enemy who sows them is the devil. The harvest points to the end of this age, and the harvesters are God’s messengers. ⁴⁰ As the weeds are bundled up and thrown into the fire, so it will be at the close of the age. **Matthew 13:39-40** (TPT)

Preparing Your Life for the End Days – “At the time My coming draws near, heaven’s kingdom realm can be compared to ten maidens who took their oil lamps and went outside to meet the bridegroom and his bride. ²⁻⁴ Five of them were foolish and ill-prepared, for they took no extra oil for their lamps. Five of them were wise and sensible, for they took flasks of olive oil with their lamps. **Matthew 25:1-4** (TPT) (Continue reading Matthew 25: 5-46)

THE TRUTH ABOUT SATAN AND HIS MARK

Binding Satan – Then I saw a mighty angel descending from the heavenly realm, holding a heavy chain and a key—the key of the deep. ² He seized the dragon, that ancient serpent known as the devil and Satan, and bound him for a thousand years. ³ The mighty angel threw him into the pit, locked it, and sealed it so that he could no longer deceive the nations until the thousand years were over. (After that he must be loosed for a brief time.) ⁴ Then I saw thrones, and those who sat

on them were given the authority to judge. I also saw the souls of those who had been beheaded because of the testimony of Jesus and for the Word of God. They had refused to worship the wild beast or its image and did not have their foreheads or hands marked by the wild beast. They lived and reigned with the Christ for one thousand years. ⁵ This is the first resurrection. (The rest of the dead did not come to life until the thousand years were ended.) ⁶ Wonderfully blessed and holy are those who share in the first resurrection! The second death holds no power over them, but they will be priests of God and of the Christ. And they will reign as kings with Him a thousand years!

The Final Destruction of Satan – ⁷ After the thousand years are over, Satan will be let loose from his prison ⁸ and will go out and deceive the nations of the four corners of the earth, Gog and Magog. He will bring them together for battle, and they will be as numerous as grains of sand on the seashore. ⁹ They spread out over the earth and surrounded the camp of God’s holy believers and the beloved city. But fire came down from heaven and completely destroyed them. ¹⁰ Then the devil who had deceived them was thrown into the same place with the wild beast and the false prophet—the lake of fire and sulfur—where they will be tormented day and night forever and ever. **Revelation 20:1-10** (TPT)

Everyone Will Stand Before God’s Throne on Judgment Day – ¹¹ Then I saw a great, dazzling-white throne and the One who sits on it. Heaven and earth fled from His presence and they were no more. ¹² I saw the dead, the lowly and the famous alike, standing before the throne. Books were opened, and then another book was opened: The Book of Life. The dead were judged by what they had done as recorded in the books. ¹³ And the sea gave up the dead souls that were in it. Then death and the underworld gave up their dead, and all were judged according to what they had done. ¹⁴ Then death and the realm of the dead were cast into the lake of fire, for the lake of fire is the second death. ¹⁵ And anyone whose name was not recorded in the Book of Life was cast into the lake of fire. **Revelation 20:11-15** (TPT)

THE HOLY SPIRIT

Understanding Revelation – Someone living on an entirely human level rejects the revelations of God’s Spirit, for they make no sense to him. He can’t understand the revelations of the Spirit because they are only discovered by the illumination of the Spirit. **1 Corinthians 2:14** (TPT)

Gives You a Clean Start – ²⁵ “Then I will sprinkle clean water on you, and you will be clean. Your filth will be washed away, and you will no longer worship idols. ²⁶ And I will give you a new heart, and I will put a new spirit in you. I will take out your stony, stubborn heart and give you a tender, responsive heart. ²⁷ And I will put my Spirit in you so that you will follow my decrees and be careful to obey my regulations. **Ezekiel 36:25-27** (NLT)

The Baptism of Jesus – ²¹⁻²² One day Jesus came to be baptized along with all the others. As He was consumed with the spirit of prayer, the heavenly realm ripped open above Him and the Holy Spirit descended from heaven in the visible, tangible form of a dove and landed on Him. Then God’s audible voice was heard, saying, “My Son, you are my beloved One. Through You I am fulfilled.”

Luke 3:21-22 (TPT)

Overflowing with the Spirit – From the moment of his baptism, Jesus was overflowing with the Holy Spirit. **Luke 4:1a** (TPT)

In Us – And this hope is not a disappointing fantasy, [a] because we can now experience the endless love of God cascading into our hearts through the Holy Spirit who lives in us! **Romans 5:5** (TPT)

Empowers Us – But when the Spirit of Christ empowers your life, you are not dominated by the flesh but by the Spirit. And if you are not joined to the Spirit of the Anointed One, you are not of Him. **Romans 8:9** (TPT)

Power Messengers – But I promise you this—the Holy Spirit will come upon you and you will be filled with power. And you will be my messengers to Jerusalem, throughout Judea, the distant provinces —even to the remotest places on earth!” **Acts 1:8** (TPT)

Continual Fullness – Be filled with the fullness of the Holy Spirit. **Ephesians 5:18b** (TPT)

God's Promise of His Spirit – 28 “Then, after doing all those things, I will pour out my Spirit upon all people. Your sons and daughters will prophesy. Your old men will dream dreams, and your young men will see visions. 29 In those days I will pour out my Spirit even on servants—men and women alike. **Joel 2:28-29** (NLT)

The Holy Spirit Comes – On the day Pentecost was being fulfilled, all the disciples were gathered in one place. ² Suddenly they heard the sound of a violent blast of wind rushing into the house from out of the heavenly realm. The roar of the wind was so overpowering it was all anyone could bear! ³ Then all at once a pillar of fire appeared before their eyes. It separated into tongues of fire that engulfed each one of them. ⁴ They were all filled and equipped with the Holy Spirit and were inspired to speak in tongues—empowered by the Spirit to speak in languages they had never learned! **Acts 2:1-4** (TPT)

Divine Encourager – ⁸ And when He (Holy Spirit) comes, He will expose sin and prove that the world is wrong about God's righteousness and His judgments. ⁹ “Sin,’ because they refuse to believe in who I am. ¹⁰ “God's ‘righteousness,’ because I'm going back to join the Father and you'll see Me no longer. ¹¹ “And ‘judgment’ because the ruler of this dark world has already received his sentence. **John 16:8-11** (TPT)

Limitless Fruit of the Holy Spirit – ²²⁻²³ But the fruit produced by the Holy Spirit within you is divine love in all its varied expressions: joy that overflows, peace that subdues, patience that endures, kindness in action, a life full of virtue, faith that prevails, gentleness of heart, and strength of spirit. Never set the law above these qualities, for they are meant to be limitless. **Galatians 5:22-23** (TPT)

The Gifts of the Holy Spirit – ⁴ It is the same Holy Spirit who continues to distribute many different varieties of gifts. ⁵ The Lord Yahweh is One, and He is the One who apportions to believers' different varieties of ministries. ⁶ The same God distributes different kinds of miracles that accomplish different results through each believer's gift and ministry as he energizes and activates them.

⁷ Each believer is given continuous revelation by the Holy Spirit to benefit not just himself but all. ⁸ For example: The Spirit gives to one the gift of the word of

wisdom. To another, the same Spirit gives the gift of the word of revelation knowledge. ⁹ And to another, the same Spirit gives the gift of faith. And to another, the same Spirit gives gifts of healing. ¹⁰ And to another the power to work miracles. And to another the gift of prophecy. And to another the gift to discern what the Spirit is speaking. And to another the gift of speaking different kinds of tongues. And to another the gift of interpretation of tongues.

¹¹ Remember, it is the same Holy Spirit who distributes, activates, and operates these different gifts as he chooses for each believer. ¹² Just as the human body is one, though it has many parts that together form one body, so too is Christ. ¹³ For by one Spirit we all were immersed and mingled into one single body. And no matter our status—whether we are Jews or non-Jews, oppressed or free—we are all privileged to drink deeply of the same Holy Spirit. **1 Corinthians 12:4-13** (TPT)

Jesus' Resurrection Prepares the Way for the Holy Spirit

After His resurrection, Jesus officially left earth and is seated at the right hand of the Father. This set the stage for the grand entrance of the Holy Spirit. He came to earth to begin a new season of God on the earth. God is with us, not in human form like Jesus was, but in Spirit. The Holy Spirit brings all the love, wisdom and power of the Holy Trinity.

UNDERSTAND WHO CHRIST IS

Peter, The Rock of the Church, Understood – ¹³ When Jesus came to Caesarea Philippi, he asked his disciples this question: “What are the people saying about me, the Son of Man? Who do they believe I am?” ¹⁴ They answered, “Some are convinced You are John the Baptizer, others say You are Elijah reincarnated, or Jeremiah, or one of the prophets.” ¹⁵ “But you—who do you say that I am?” Jesus asked. ¹⁶ Simon Peter spoke up and said, “You are the Anointed One, the Son of the living God!” ¹⁷ Jesus replied, “You are favored and privileged Simeon, son of Jonah! For you didn’t discover this on your own, but my Father in heaven has supernaturally revealed it to you. ¹⁸ I give you the name Peter, a stone. And this truth of who I am will be the bedrock foundation on which I will build my church—my legislative assembly, and the power of death will not be able to

overpower it! ¹⁹ I will give you the keys of heaven's kingdom realm to forbid on earth that which is forbidden in heaven, and to release on earth that which is released in heaven." **Matthew 16:13-19 (TPT)**

Paul's Damascus Road Encounter – He Now Understood – During those days, Saul, full of angry threats and rage, wanted to murder the disciples of the Lord Jesus. So, he went to ask the high priest ² and requested a letter of authorization he could take to the Jewish leaders in Damascus, requesting their cooperation in finding and arresting any who were followers of the Way. Saul wanted to capture all of the believers he found, both men and women, and drag them as prisoners back to Jerusalem. ³ So he obtained the authorization and left for Damascus. Just outside the city, a brilliant light flashing from heaven suddenly exploded all around him. ⁴ Falling to the ground, he heard a booming voice say to him, "Saul, Saul, why are you persecuting Me?" ⁵⁻⁷ The men accompanying Saul were stunned and speechless, for they heard a heavenly voice but could see no one. Saul replied, "Who are you, Lord?" "I am Jesus, the Victorious, the One you are persecuting. Now, get up and go into the city, where you will be told what you are to do." ⁸ Saul stood to his feet, and even though his eyes were open he could see nothing—he was blind. So, the men had to take him by the hand and lead him into Damascus. ⁹ For three days he didn't eat or drink and couldn't see a thing. ¹⁰ Living in Damascus was a believer named Ananias. The Lord spoke to him in a vision, calling his name. "Ananias." "Yes, Lord," Ananias answered. The Lord said, "Go at once to the street called Abundance and look for a man from Tarsus named Saul. You will find him at Judah's house. While he (Saul) was praying, he saw in a supernatural vision a man named Ananias coming to lay hands upon him to restore his sight." ¹³ "But Lord," Ananias replied, "many have told me about his terrible persecution of those in Jerusalem who are devoted to you. ¹⁴ In fact, the high priest has authorized him to seize and imprison all those in Damascus who call on Your name." ¹⁵ The Lord Yahweh answered him, "Arise and go! I have chosen this man to be my special messenger. He will be brought before kings, before many nations, and before the Jewish people to give them the revelation of who I am. ¹⁶ And I will show him how much he is destined to suffer because of his passion for Me." ¹⁷ Ananias left and found the house where Saul was staying. He went inside and laid hands on him, saying, "Saul, my brother, the Lord Jesus, who appeared to you on the road, has sent me to pray for you so that you might see again and be filled to overflowing with the Holy Spirit." ¹⁸ All at once, the crusty

substance that was over Saul's eyes disappeared and he could see perfectly. Immediately, he got up and was baptized. ¹⁹ After eating a meal, his strength returned. **Acts 9:1-19** (TPT)

The Early Church Understood – ²⁹ So now, Lord, listen to their threats to harm us. Empower us, as your servants, to speak the word of God freely and courageously. ³⁰ Stretch out your hand of power through us to heal, and to move in signs and wonders by the name of your holy Son, Jesus!" ³¹ at that moment the earth shook beneath them, causing the building they were in to tremble. Each one of them was filled with the Holy Spirit, and they proclaimed the word of God with unrestrained boldness. ³² All the believers were one in mind and heart. Selfishness was not a part of their community, for they shared everything they had with one another. ³³ The Apostles gave powerful testimonies about the resurrection of the Lord Jesus, and great measures of grace rested upon them all. ³⁴⁻³⁵ Some who owned houses or land sold them and brought the proceeds before the Apostles to distribute to those without. Not a single person among them was needy. **Acts 4:29-35a** (TPT)

LOVE

Love God with All You've Got – ³⁷ Jesus answered him, "Love the Lord your God with every passion of your heart, with all the energy of your being, and with every thought that is within you." ³⁸ This is the great and supreme commandment. **Matthew 22:37-38** (TPT)

Live and Model God's Love – Be imitators of God in everything you do, for then you will represent your Father as His beloved sons and daughters. ² And continue to walk surrendered to the extravagant love of Christ, for He surrendered His life as a sacrifice for us. His great love for us was pleasing to God, like an aroma of adoration—a sweet healing fragrance. **Ephesians 5:1-2** (TPT)

Love Is Our Best Motivation – If I were to speak with eloquence in earth's many languages, and in the heavenly tongues of angels, yet I didn't express myself with love, my words would be reduced to the hollow sound of nothing more than a clanging cymbal. ² And if I were to have the gift of prophecy with a profound understanding of God's hidden secrets, and if I possessed unending supernatural knowledge, and if I had the greatest gift of faith that could move mountains, but

have never learned to love, then I am nothing. ³ And if I were to be so generous as to give away everything, I owned to feed the poor, and to offer my body to be burned as a martyr, without the pure motive of love, I would gain nothing of value. ⁴ Love is large and incredibly patient. Love is gentle and consistently kind to all. It refuses to be jealous when blessing comes to someone else. Love does not brag about one's achievements nor inflate its own importance. ⁵ Love does not traffic in shame and disrespect, nor selfishly seek its own honor. Love is not easily irritated or quick to take offense. ⁶ Love joyfully celebrates honesty and finds no delight in what is wrong. ⁷ Love is a safe place of shelter, for it never stops believing the best for others. Love never takes failure as defeat, for it never gives up. ⁸ Love never stops loving. It extends beyond the gift of prophecy, which eventually fades away. It is more enduring than tongues, which will one day fall silent. Love remains long after words of knowledge are forgotten. ⁹ Our present knowledge and our prophecies are but partial, ¹⁰ but when love's perfection arrives, the partial will fade away. ¹¹ When I was a child, I spoke about childish matters, for I saw things like a child and reasoned like a child. But the day came when I matured, and I set aside my childish ways. ¹² For now we see but a faint reflection of riddles and mysteries as though reflected in a mirror, but one day we will see face-to-face. My understanding is incomplete now, but one day I will understand everything, just as everything about me has been fully understood. ¹³ Until then, there are three things that remain: faith, hope, and love—yet love surpasses them all. So above all else, let love be the beautiful prize for which you run. **1 Corinthians 13:1-13 (TPT)**

Love Is Kind – ³ May joyous grace and endless peace be yours continually from our Father God and from our Lord Jesus, the Anointed One! ⁴ I am always thanking my God for you because He has given you such free and open access to His grace through your union with Jesus, the Messiah. **1 Corinthians 1:3-4 (TPT)**

Love God and Care for People – ¹⁵ After they had breakfast, Jesus said to Peter, “Simon, son of John, do you burn with love for Me more than these?” Peter answered, “Yes, Lord! You know that I have great affection for You!” “Then take care of My lambs,” Jesus said. ¹⁶ Jesus repeated His question the second time, “Simon, son of John, do you burn with love for Me?” Peter answered, “Yes, my Lord! You know that I have great affection for you!” “Then take care of My sheep,” Jesus said. ¹⁷ Then Jesus asked him again, “Peter, son of John, do you

have great affection for Me?” Peter was saddened by being asked the third time and said, “My Lord, you know everything. You know that I burn with love for you!” Jesus replied, “Then feed My lambs! **John 21:15-17** (TPT)

To Love God Is to Remove Hatred – ⁹ Anyone who says, “I am in the light,” while holding hatred in his heart toward a fellow believer is still in the darkness. ¹⁰ But the one who truly loves a fellow believer lives in the light, and there is nothing in him that will cause someone else to stumble. ¹¹ But whoever hates a fellow believer lives in the darkness—stumbling around in the dark with no clue where he is going, for he is blinded by the darkness. **1 John 2:9-11** (TPT)

Love Should Grow and Grow – ¹² And may the Lord increase your love until it overflows toward one another and for all people, just as our love overflows toward you. ¹³ Then your hearts will be strengthened in holiness so that you may be flawless and pure before the face of our God and Father at the appearing of our Lord Jesus with all His holy ones. Amen! **1 Thessalonians 3:12-13** (TPT)

Love with Humility Through Dependence on God – ⁷ The extraordinary level of the revelations I’ve received is no reason for anyone to exalt me. For this is why a thorn in my flesh was given to me, the Adversary’s messenger sent to harass me, keeping me from becoming arrogant. ⁸ Three times I pleaded with the Lord to relieve me of this. ⁹ But He answered me, “My grace is always more than enough for you, and My power finds its full expression through your weakness.” So, I will celebrate my weaknesses, for when I’m weak I sense more deeply the mighty power of Christ living in me. ¹⁰ So I’m not defeated by my weakness, but delighted! For when I feel my weakness and endure mistreatment—when I’m surrounded with troubles on every side and face persecution because of my love for Christ—I am made yet stronger. For my weakness becomes a portal to God’s power. **2 Corinthians 12:7-10** (TPT)

WORSHIP GOD

Worship Modeled in Heaven – ⁴ Encircling the great throne were twenty-four thrones with elders in glistening white garments seated upon them, each wearing a golden crown of victory. ⁵ And pulsing from the throne were blinding flashes of

lightning, crashes of thunder, and voices. And burning before the throne are seven blazing torches, which represent the seven Spirits of God. ⁶ And in front of the throne there was pavement like a crystal sea of glass. Around the throne and on each side stood four living creatures, full of eyes in front and behind. ⁷ The first living creature resembled a lion, the second an ox, the third had a human face, and the fourth was like an eagle in flight. ⁸ Each of the four living creatures had six wings, full of eyes all around and under their wings. They worshiped without ceasing, day and night, singing, “Holy, holy, holy is the Lord God, the Almighty! The Was, the Is, and the Coming!” ⁹ And whenever the living creatures gave glory, honor, and thanks to the One who is enthroned and who lives forever and ever, ¹⁰ the twenty-four elders fell facedown before the One seated on the throne and they worshiped the One who lives forever and ever. And they surrendered their crowns before the throne, singing: ¹¹ “You are worthy, our Lord and God, to receive glory, honor, and power, for You created all things, and by Your plan they were created and exist.” **Revelations 4:4-11** (TPT)

THE DIVINE MYSTERY

Revelation Through Christ – ² ...hear the Gospel that God has entrusted to me to share with you. ³ For this wonderful mystery, which I briefly described, was given to me by divine revelation, ⁴ so that whenever you read it you will be able to understand my revelation and insight into the secret mystery of the Messiah. ⁵ There has never been a generation that has been given the detailed understanding of this glorious and divine mystery until now. He kept it a secret until this generation. God is revealing it only now to His sacred Apostles and prophets by the Holy Spirit. ⁶ Here’s the secret: The Gospel of grace has made you, non-believers, into coheirs of His promise through your union with Him. And you have now become members of His body—one with the Anointed One!
Ephesians 3:2-6 (TPT)

After the cross, all rules change. The Divine Mystery is Jesus Christ as the Messiah for all of us now.

DISCIPLESHIP

What It Means to Follow Jesus – ²³ Jesus said to all of His followers, “If you truly desire to be My disciple, you must disown your life completely, embrace My ‘cross’ as your own, and surrender to My ways. ²⁴ For if you choose self-sacrifice, giving up your lives for My glory, you will embark on a discovery of more and more of true life. But if you choose to keep your lives for yourselves, you will lose what you try to keep. ²⁵ Even if you gained all the wealth and power of this world, everything it could offer you, yet lost your soul in the process, what good is that?
Luke 9:23-25 (TPT)

The Cost of Following Jesus – ²⁵ As massive crowds followed Jesus, He turned to them and said, ²⁶ “When you follow Me as My disciple, you must put aside your father, your mother, your wife, your sisters, your brothers—yes, you will even seem as though you hate your own life. This is the price you’ll pay to be considered one of My followers. ²⁷ And anyone who comes to Me must be willing to share My cross and experience it as his own, or he cannot be considered to be My disciple. ²⁸ So don’t follow Me without considering what it will cost you. For who would construct a house before first sitting down to estimate the cost to complete it? ²⁹ Otherwise he may lay the foundation and not be able to finish. The neighbors will ridicule him, saying, ³⁰ ‘Look at him! He started to build but couldn’t complete it!’ ³¹ “Have you ever heard of a commander who goes out to war without first sitting down with strategic planning to determine the strength of his army to win the war against a stronger opponent? ³² If he knows he doesn’t stand a chance of winning the war, the wise commander will send out delegates to ask for the terms of peace. ³³ Likewise, unless you surrender all to Me, giving up all you possess, you cannot be one of My disciples.
Luke 14:25-33 (TPT)

Abiding and Loving in Christ – “I am a true sprouting vine, and the farmer who tends the vine is My Father. ² He cares for the branches connected to Me by lifting and propping up the fruitless branches and pruning every fruitful branch to yield a greater harvest. ³ The words I have spoken over you have already cleansed you. ⁴ So you must remain in life-union with Me, for I remain in life-union with you. For as a branch severed from the vine will not bear fruit, so your life will be fruitless

unless you live your life intimately joined to Mine. ⁵ “I am the sprouting vine and you’re my branches. As you live in union with Me as your source, fruitfulness will stream from within you—but when you live separated from Me you are powerless. ⁶ If a person is separated from Me, he is discarded; such branches are gathered up and thrown into the fire to be burned. ⁷ But if you live in life-union with Me and if My words live powerfully within you—then you can ask whatever you desire and it will be done. ⁸ When your lives bear abundant fruit, you demonstrate that you are My mature disciples who glorify my Father! ⁹ “I love each of you with the same love that the Father loves Me. You must continually let My love nourish your hearts. ¹⁰ If you keep my commands, you will live in My love, just as I have kept My Father’s commands, for I continually live nourished and empowered by His love. ¹¹ My purpose for telling you these things is so that the joy that I experience will fill your hearts with overflowing gladness!

¹² “So this is my command: Love each other deeply, as much as I have loved you. ¹³ For the greatest love of all is a love that sacrifices all. And this great love is demonstrated when a person sacrifices his life for his friends. ¹⁴ “You show that you are My intimate friends when you obey all that I command you. ¹⁵ I have never called you ‘servants,’ because a master doesn’t confide in his servants, and servants don’t always understand what the master is doing. But I call you My most intimate friends, for I reveal to you everything that I’ve heard from My Father. ¹⁶ You didn’t choose Me, but I’ve chosen and commissioned you to go into the world to bear fruit. And your fruit will last, because whatever you ask of My Father, for My sake, He will give it to you! ¹⁷ So this is My parting command: Love one another deeply!” **John 15:1-17** (TPT)

Walking in Christ - ³ Here’s how we can be sure that we’ve truly come to know God: if we keep His commands. ⁴ If someone claims, “I have come to know God by experience,” yet doesn’t keep God’s commands, he is a phony and the truth finds no place in Him. ⁵ But the love of God will be perfected within the one who obeys God’s Word. We can be sure that we’ve truly come to live in intimacy with God, ⁶ not just by saying, “I am intimate with God,” but by walking in the footsteps of Jesus. **1 John 2: 3-6** (TPT)

Living by Faith – And without faith living within us it would be impossible to please God. For we come to God in faith knowing that He is real and that He

rewards the faith of those who give all their passion and strength into seeking Him. **Hebrews 11:6** (TPT)

Hope Fulfilled by Faith – ¹¹ But we long to see you passionately advance until the end and you find your hope fulfilled. **Hebrews 6:11** (TPT)

Giving Birth to Faith – As for us, we have all of these great witnesses who encircle us like clouds. So, we must let go of every wound that has pierced us and the sin we so easily fall into. Then we will be able to run life's marathon race with passion and determination, for the path has been already marked out before us. ² We look away from the natural realm and we fasten our gaze onto Jesus who birthed faith within us and who leads us forward into faith's perfection. His example is this: Because His heart was focused on the joy of knowing that you would be His, He endured the agony of the cross and conquered its humiliation, and now sits exalted at the right hand of the throne of God!

Hebrews 12:1-2 (TPT)

PURPOSE & DESTINY

Stand for What You Believe – “So you see, I have not been disobedient to what was revealed to me from heaven.” **Acts 26:19** (TPT)

Prepare Yourself for the Coming of the Lord – Isaiah was referring to John when he prophesied: A thunderous voice! One will be crying out in the wilderness, “Prepare yourself for the Lord's coming and level a straight path inside your hearts for Him.” **Matthew 3:3** (TPT)

REPENTANCE

Return to God – Peter replied, “Repent and return to God, and each one of you must be baptized in the name of Jesus, the Anointed One, to have your sins removed. Then you may take hold of the gift of the Holy Spirit.

Acts 2:38 (TPT)

Receive Passion from God – Those who repent I baptize with water, but there is coming a Man after me who is more powerful than I am. In fact, I'm not even

worthy enough to pick up His sandals. He will submerge you into union with the Spirit of Holiness and with a raging fire! **Matthew 3:11** (TPT)

RECEIVING JESUS CHRIST

Prayer:

God, I am sorry for my sin. I turn away from it right now. I thank you for sending Jesus Christ to die on the cross for my sin and to be resurrected and come alive again. Jesus, I ask You to come into my heart and life right now. Be my Lord and Savior. Help me to follow You all the days of my life as your disciple. Thank You for forgiving me and receiving me right now. Thank You that my sin is forgiven and that I am going to heaven. I pray this in the mighty name of Jesus Christ. Amen.

I am so happy that you have done this. Right now, God is rejoicing in heaven over your decision. You will be in heaven with Him forever. Here are some suggestion:

Please go find a good Christian church, be open and make new friends, make sure that you ask the leader to help you get water baptized. Start reading the Bible.

Talk to God about everything. Thank Him for things. Ask for His help and guidance.

REDEDICATING YOUR LIFE TO JESUS CHRIST

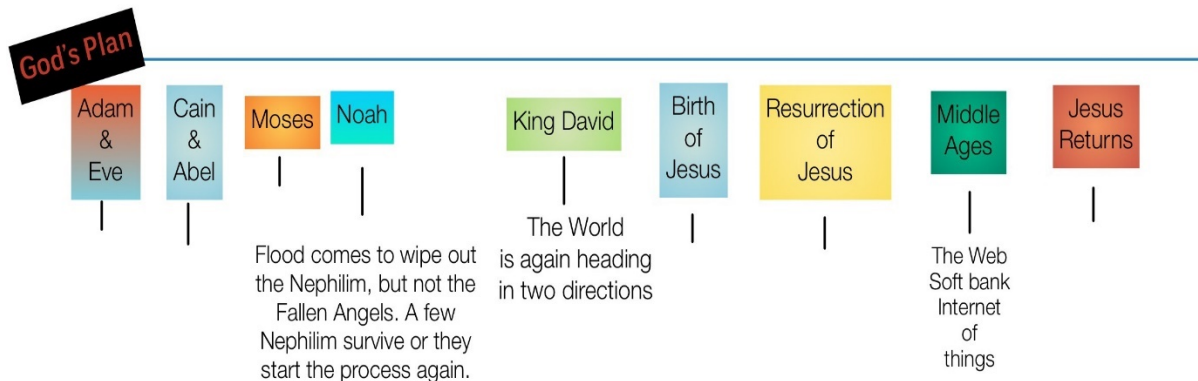

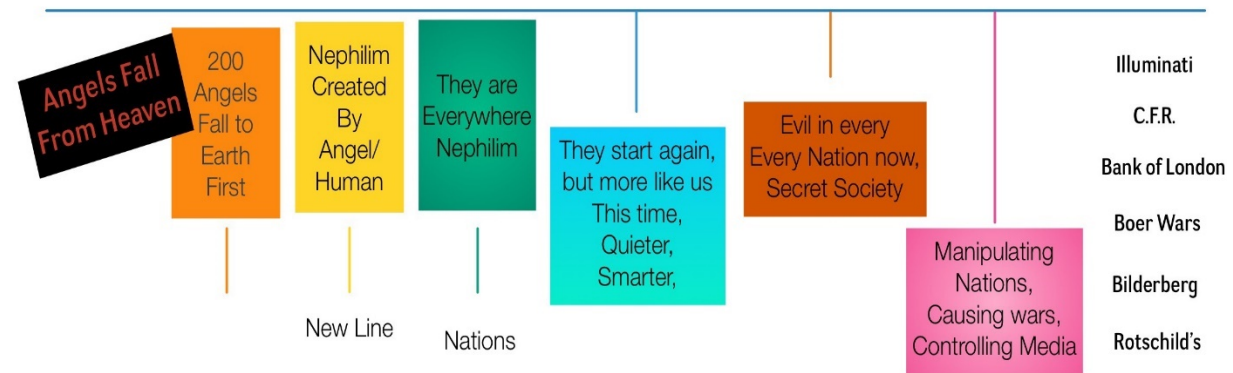

Prayer:

God, I am sorry for my sin. I am sorry that I have strayed away from You. I ask You to forgive me now. I repent of my sin. I don't want to live as a prodigal any longer. Please renew and revive me as I once again follow You as my Savior and God. Thank You for your forgiveness! I pray this in the mighty name of Jesus Christ. Amen.

God and I are so thrilled you have rededicated your life to Him. Here are some helpful tips: It might be a good idea to get water baptized, especially if you have never done that. Start reading the Bible. Start attending a good Christian church. Ask God to help you find a mentor and some friends who will help you stay focused on loving and following Him. Keep your focus on Jesus. Ask God for His help in this. Don't quit! If you sin or drift away from God, quickly ask for and receive His forgiveness. Start fresh again with God as often as is needed.

BOOK OF ENOCH

Book of Enoch

The Book of Enoch was in the Bible until 553 A.D. when it was taken out by the Council of Constantinople. They also tried to take out 1/2 of Peter and Jude. The Church thought it was too much information on the Fallen Angels and the darkness.

There are 45 references of Enoch in the New Testament and 200 references in the Old Testament.
